**Set Your Voice Free** Roger Love, Donna Frazier, 2025-05-01 Language and the way that people communicate has evolved over time now you can learn how to effectively use your voice in the most effective way possible in order to get your message across Every time we open our mouths we have an effect on ourselves and the way others perceive us The ability to speak clearly and confidently can make or break a presentation an important meeting or even a first date Now with the advent of Skype YouTube podcasting Vine and any number of reality talent competitions your vocal presence has never been more necessary for success or more central to achieving your dreams Roger Love has over 30 years of experience as one of the world's leading authorities on voice Making use of the innovative techniques that have worked wonders with his professional clients Love distills the best of his teaching in Set Your Voice Free and shares exercises that will help readers bring emotion range and power to the way they speak This updated edition incorporates what he's learned in the last 15 years as the Internet and talent competitions have completely changed the role your voice plays in your life These are the new essentials for sounding authentic persuasive distinctive and real in a world that demands nothing less **Love Your Voice** Roger Love (Voice coach), 2007-08 Most people hardly ever think about their voice but that needs to change Why Because if your speaking voice actually sounded better you could dramatically improve the quality of your life Internationally renowned vocal coach Roger Love has proven that thousands of times over the years with some of the most famous and successful people in the world He says Life is all about communication the things you say to yourself and others You can talk to yourself without making a sound but when other people come into the picture you eventually have to open your mouth and let sound come out That's where I come in I want to help you learn what sounds are working for and against you In Love Your Voice Roger takes you step by step through the same techniques he teaches his celebrity clients and the accompanying audio download will make it crystal clear exactly what sounds you should be making It's time that you learned the secret sounds leading to success and how to truly Love Your Voice Preaching Words John S. McClure, 2007-01-02 John McClure's Preaching Words highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today's preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching **Action! In the Classroom** Daniel R. Greenwood, 2003-03-12 Today's students are attracted to video and readily engage in any project that incorporates the medium Digital video is easier to manipulate and much less expensive than analog video Students can create video content and the software can be taught in less than one hour There is great potential to employ student produced video as an educational tool and this book explains and instructs teachers how to exploit this potential This comprehensive work divided into four sections covers all aspects of video production including foundation concepts the video production process equipment review and an appendix The companion Web site offers

downloadable forms used in the book and support presentation material Features Up to date information on software and hardware for both Macintosh and Windows Details on teaching communications skills and aesthetic education and methods for evaluation Authentic methods and procedures used in the entertainment and video industry Explains how the teacher can re create a realistic video environment K 12 teachers computer coordinators directors of technology librarians and teachers in training will use the information and guidance offered to teach communication aesthetics and higher order thinking skills
