**A Dictionary of the Holy Bible** John Brown,1833      *Daily Devotions for Deacons* Russell R. Cook,2015-09-01 Inspired well trained and spiritually mature deacons can be a mighty force for the church and local American churches need their servants to excel in their ministry and service to the Body of Christ now more than ever Most pastors and deacons in America are sincere in their desire to serve but many do not receive enough advanced orientation and even more receive no ongoing training at all This lack can create much frustration and may even overwhelm deacons and their families as they try to manage the minefields of ministry *Daily Devotions for Deacons* by Russell R Cook guides deacons in daily preparation for their enormous and invaluable task and inspires them to become all Christ means for them to be This guide for deacons offers a year of brief yet deeply spiritual and relevant biblical devotions For a few moments a day five days a week all who desire to live as fully devoted followers of Christ will benefit from Cooks years of teaching and training pastors and deacons across America By learning the principles and qualities necessary for a strong effective ministry and by applying these same qualities of service in everyday life we begin to fulfill our God given role and draw ever closer to His presence and His truth

The Works William Laud,1857      **Deacon Training** Kate Ward-Turner,2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons
