since founding the University of Texas they have witnessed major evolutions in the world of publishing *Art for History's Sake* Cecilia Steinfeldt, Witte Memorial Museum, 1993 The book is an encyclopedia of early artists from 1840 1940 who had a Texas influence The book provides a strong reference section bibliography section and is well foot noted If you collect Texas Art this book is a must especially for the price One drawback is that except for the feature plates in the beginning of the book all others are in black and white *Friedrichsburg* Friedrich Armand Strubberg, James C. Kearney, 2012-05-01 Founded in 1846 Fredericksburg Texas was established by German noblemen who enticed thousands of their compatriots to flee their overcrowded homeland with the prospect of free land in a place that was portrayed as a new Garden of Eden Few of the settlers however were prepared for the harsh realities of the Texas frontier or for confrontation with the Comanche Indians In his 1867 novel *Friedrichsburg* Friedrich Armand Strubberg a k a Dr Schubbert interwove his personal story with a fictional romance to capture the flavor of Fredericksburg Texas during its founding years when he served as the first colonial director Now available in a contemporary translation *Friedrichsburg* brings to life the little known aspects of life among these determined but often ill equipped settlers who sought to make the transition to a new home and community on the Texas frontier Opening just as a peace treaty is being negotiated between the German newcomers and the Comanches the novel describes the unlikely survival of these fledgling homesteads and provides evidence that support from the Delaware Indians as well as the nearby Mormon community of Zodiac was key to the Germans success Along the way Strubberg also depicts the laying of the cornerstone to the Vereinskirche the blazing of an important new road to Austin exciting hunting scenes and an admirable spirit of cultural cohesion and determined resilience In so doing he resurrects a fascinating lost world *Texas Rangers, Ranchers, and Realtors* Thomas O. McDonald, 2021-03-25 A native Georgian James Hughes Callahan 1812 1856 migrated to Texas to serve in the Texas Revolution in exchange for land In Seguin Texas where he settled he met and married a divorcee Sarah Medissa Day 1822 1856 The lives of these two Texas pioneers and their extended family would become so entwined in the events and experiences of the nascent nation and state that their story represents a social history of nineteenth century Texas From his arrival as a sergeant with the Georgia Battalion through the ill fated 1855 expedition that bears his name to his shooting death in a feud with a neighbor Callahan was a soldier a Texas Ranger a rancher and a land developer at every turn making his mark on the evolving Guadalupe River Basin Separately Sarah's family's journey reflected the experience of many immigrants to Texas after its war of independence Thomas O McDonald traces the pair's respective paths to their meeting then follows as together they contend with conflict troublesome social mores the emergence of new industries and the taming of the land along the way helping to shape the Texas culture we know today With a sharp eye for character and detail and with a wealth of material at his command author Thomas O McDonald tells a story as crackling with life as it is steeped in scholarly research In these pages the lives of the Callahan and Day families become a canvas on which the history of Texas from revolution frontier defense and Indian wars to Anglo

settlement and emerging legal and social systems dramatically inexorably unfolds **Catlin and His Contemporaries**

Brian W. Dippie, 1990-01-01 George Catlin's paintings and the vision behind them have become part of our understanding of a lost America. We see the Indian past through Catlin's eyes; imagine a younger, fresher land in his bright hues. But he spent only a few years in what he considered Indian country. The rest of his long life, more than thirty years, was devoted largely to promoting repainting and selling his collection in short to seeking patronage. Catlin and His Contemporaries examines how the preeminent painter of western Indians before the Civil War went about the business of making a living from his work. Catlin shared with such artists as Seth Eastman and John Mix Stanley a desire to preserve a visual record of a race seen as doomed and competed with them for federal assistance. In a young republic with little institutional and governmental support, available painters, writers, and scholars became rivals and sometimes bitter adversaries. Brian W. Dippie untangles the complex web of interrelationships between artists, government officials, members of Congress, businessmen, antiquarians, and literati, kings and queens, and the Indians themselves. In this history of the politics of patronage during the nineteenth century, luminaries like Henry Rowe Schoolcraft, Henry H. Sibley, John James Audubon, Alfred Jacob Miller, and Karl Bodmer are linked with Catlin in a contest for the support of the arts, setting a precedent for later generations. That the contenders produced so much of enduring importance under such trying circumstances, Dippie observes, was the sought-for miracle that had seemed to elude them in their lives.

The Alcalde, 1967-04 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries, artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate, the nickname of the governor who signed UT into existence was The Old Alcalde. John O. Meusebach Irene Marschall King, 2014-02-04 Otfried Hans Freiherr von Meusebach chose a life of hardship and freedom in Texas rather than a life of comfort and influence in his native Germany, where he had lived his formative years within a framework of unconstitutional government. In 1845, the young liberal relinquished his hereditary German title, left behind his close family ties, and his various intellectual and political associations, and arrived in Texas as John O. Meusebach, commissioner general for the Society for the Protection of German Immigrants. His background enabled him to assume an enlightened leadership of fellow immigrants who were pouring in from Germany. Lacking adequate financial backing, he nevertheless led the settling of some five thousand people in a land that was largely occupied by Indians. Irene Marschall King presents the full sweep of Meusebach's vigorous life: Meusebach as the young liberal in Germany, as the colonizer in the 1840s, as a Texas senator and later an observer of the Civil War, and as a Texan who devoted his later years to bringing the Texas soil to fruition, all set against a background of the immigration movement and frontier life. Freedom is not free; it is costly, Meusebach believed. In Texas, he found for himself and others

freedom worth the price he paid Rich in historic detail King s story recounts the founding of Fredericksburg the crippling effect of the Mexican War upon the mass of immigrants huddled in illness on the coast the signing of the Indian Treaty which opened to settlement over three million acres of land and the final collapse of the Society for the Protection of German Immigrants Also depicted is the colonists influence on the land the gardens and orchards of south central Texas the Easter Fires that blaze on the hills surrounding Fredericksburg the mixture of German custom with American necessity that created a unique culture Throughout the narrative Mrs King presents a fascinating cast of characters the noble Prince Solms who tries to establish a German military outpost in Texas Henry Fisher who attempts by devious methods to control the colonists and their land and finally incites a mob which tries to hang Meusebach Philip Capps a special commissioner and Meusebach s assistant who plots through intriguing correspondence with Count Castell the executive secretary in Germany to overthrow Meusebach and the colorful and courageous Indian fighter and Texas Ranger Colonel Jack Hays Primarily however this is the story of a man who found strength in his family s motto Perseverance in Purpose and gave of his energies to build Texas
