Seton Gordon's Scotland Seton Paul Gordon, 2005      Seton Gordon's Scotland Seton Paul Gordon, Hamish M. Brown, 2005 Seton Gordon was only a boy when he began exploring the Cairngorms fascinated by its wildlife and seeking to photograph all he saw he later became a pioneer naturalist photographer and folklorist He wrote about the land that is ScotLAND her flora and fauna her people her spirits her often violent past He took the earliest pictures of golden eagles at their eyries and throughout the first half of the 20th century came to know Scotland's remotest corners amassing a unique photographic record recording the changing social life of the islands collecting a mass of folklore and historical stories lecturing and writing both for regular publications and in 27 books pinewoods to eyries to the corries of the Cairngorms we follow him trying to recreate the greenshank's song on his bagpipe chanter and see him holding a snowball windward of a nesting dotterel to cool its panting Welcomed in croft or palace a keen piper inevitably dressed in kilt and bunnet Seton Gordon was one of the age's great characters his great versatility The author himself a Scottish outdoors enthusiast and well known author has been a lifelong admirer of Seton Gordon and his books and has created a book to treasure The British National Bibliography Arthur James Wells, 2006      **British Humanities Index**, 2006      **Birds**, 2006      *The Scots Fiddle* J. Murray Neil, 1999 In this third of a three volume set of *The Scots Fiddle* the author has compiled a collection of the fiddle music of Scotland It includes over 160 traditional fiddle tunes and song airs providing an insight into the rich inheritance of Scottish and Gaelic culture This book is not only a fiddle music reference book it is a book about Scotland      **General Gordon and the Government** National Union of Conservative Associations for Scotland, 188?      **Gordon, Duke of Gordon in Scotland, and Earl of Norwich in England** Duke of Gordon, 18??      The House of Gordon Volume 1 John Malcolm Bulloch, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1903 edition Excerpt GIGHT JOHN MALCOLM BULLOCH M A NEW SPALDING CLUB PREFATORY NOTE The great source of information about the Gight Gordons is the Privy Council Register and the importance of the family is so great and their lawlessness is so vividly described there that I have not hesitated to quote at length The Balbithan MS contains a good account of the family pp 15 8 Dr Temple in his Thanage of Fermartyn pp 72 8 gives a deduction based on the Balbithan MS I have consulted a great many other authorities who will be found cited in the course of the history which is an enlargement of two different sets of articles contributed by me to the Aberdeen Free Press November 11 18 and 25 December 21 1898 and March 25 1899 to Scottish Notes and Queries February 1899 February 1900 I have been unable to discover the whereabouts of the contents of the Gight charter chest I am indebted for help to Rev Dr Temple Mr Murray Rose Rev Dr Milne Fyvie Mr A M Munro Aberdeen and others notably Rev Stephen Ree Boharm and Captain Wimberley Inverness who have read the proof sheets a very laborious task I have dealt in a more or less narrative fashion with the two most famous members of the family Colonel John

A History Of The Gordons Kenn Gordon, 2020-12-22 This book will take an academic look at those who are of the Gordon name and clan There are already quite a few books about the Gordons but they either skip over the lineage or romanticise battles and positions held There are defining traits within the Gordon DNA that much is true however that does not always make us good people We strive to be the absolute best in our chosen fields That could be taking the fore in battles or being the best musician you can be There are amazing acts of bravery that have been carried out by the Gordons along with substantial acts of cowardice If that sounds like an oxymoron then you would be right as we occupy both ends of the moral and social scales The Gordons have fought for and against the Papacy We fought on both sides of the Jacobite rebellion We stood for and against England The Gordons even as individuals have fought on both sides in World War 1 and 2 There were Gordons on either side of communism We have been great scientists and doctors I have one son who is a great Chef and the other is a Quantum Physicist whilst I am a Musician and Writer So we all do have a personal choice but it is what and how you act upon us that will mark our places in the history of the Gordon name I wrote this book in the year 2020 when the world was facing a global pandemic Not only were our doctors and nurses fighting an invisible enemy Covid 19 but worse was happening on the streets around the world Racism seems to raise its ugly head when mankind is at its lowest ebb Black Lives Matter was a new movement To an old problem I feel that ALL Lives matter There are Gordons who are African Indian European Australian Asian North American and South American Those Gordons have every shade of skin colour that comes within the human range We also follow every faith and no faith at all If you go back far enough in any clan or race you will find some element of slavery We Gordons have also been on both sides of that evil We have been Slaves Slave Owners and even Slave Traders Slaves would normally keep their own first name but would also adopt the surname of the slave owner hence not all Gordons are Celtic Being involved in slavery is not a matter of pride to most Gordons it is just a matter of historical fact Tearing down statues or defacing buildings that bear the name of historical people to me is pointless It would be like tearing down the Auschwitz Museum There was a holocaust and Auschwitz is testament to that horror and by it being there it tells us not to forget When people tried to tear down the statue of William Wallace saying that he was a racist His

statue is there because he fought for Scotland and its people There were 12 presidents of the USA that owned slaves Thomas Jefferson James Madison James Monroe Andrew Jackson Martin Van Buren William Henry Harrison John Tyler James K Polk Zachary Taylor Andrew Johnson and Ulysses S Grant You would have to tear down America and start building all over again starting with Washington DC and the White House We remember our history the good along with the bad in order to learn from our mistakes Consequently in this book you will find all the great moments in the Gordon history since 66BC all the way up to 2020 You will also find the truth and the facts that point to unspeakable acts carried out sometimes in the name of the Gordon families other times just out of coincidence to them bearing the name of Gordon One such example would be the Highland clearances carried out by the Duke of Sutherland whose wife was Countess Elizabeth Gordon He committed an act of ethnic cleansing in the north of Scotland This is not something that gives me pride it is though part of my history and if you are a Gordon then it is part of your history especially if you can trace your roots back to that period in America Canada Newfoundland and Australia These were the predominant areas that the crofters from the north of Scotland were forced to flee too Gordons fought on both sides of the American Civil War The Gordons fought during the crusades it is even said that it was a Gordon that was responsible for the death of Richard The Lionheart This book is not a romanticised novel where facts are cherry picked I have written this as a non fiction work and as a starting point for any genealogical work you wish to embark upon I have taken information for many sources in order to complete this and I give thanks to the Encyclopaedia Britannica Wikipedia Ancestry online The Gordon Highlanders UK Census as well as reading many books on Scottish History and land ownership Long and Short of this book is that it is written by a Gordon for all Gordons
