range of examples that illustrate how strategy works in the real world and encourage the practical application of learning. Complementing the chapters is a section of new cases providing in-depth analysis of the challenges of strategic management at a range of companies. This edition includes a new 6Ds framework allowing readers to structure their approach to strategic management around the fundamental elements of the strategy process: Diagnosis, Direction, Decisions, and Delivery, and the context within which that process is managed: Dynamism and Disorder. Opening cases that begin each chapter and feature real-life business scenarios from companies such as Tinder, Ikea, and Victorinox introduce strategic concepts and theories. Illustration Capsules, which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk, and more. Key Debates that stimulate classroom discussion and encourage critical analysis. Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego, and Uber. New recommended reading at the end of each chapter which helps to further knowledge including classic texts and advanced reading and author notes providing context. Connect is McGraw Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview-style videos featuring author Alex Janes in discussion with business leaders exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk, and a prestigious oil and gas company. The videos are provided in full length or in segments with questions aimed at encouraging classroom discussion or self-testing. This new edition is available with SmartBook, McGraw Hill Education's adaptive digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. Crafting and Executing Strategy is also available with both The Business Strategy Game and GLO BUS, the world-leading business strategy simulations.

The Routledge Handbook of Language Program Development and Administration Alan V. Brown, Cori Crane, Beatrice C. Dupuy, Estela Ene, 2025-06-30. Second language program development and administration is a long-standing area within the larger field of applied linguistics. In many ways it is the quintessential applied linguistics field as it crosses disciplinary boundaries while balancing the rigors of scholarly inquiry with the demands of practical application without losing sight of concrete learner outcomes. The Routledge Handbook of Language Program Development and Administration provides a scholarly, rigorous yet practically relevant treatment of issues implicated in program development and administration with 52 chapters written by leading scholars in the field. Authors not only address the theoretical underpinnings of their respective topics but also provide actionable evidence-based recommendations concerning eminently practical matters. In this way, the volume provides both novice and experienced language program administrators with

important guidance on how to think about the work that they do and how best to go about it while also validating language program administration as a scholarly area of inquiry The Routledge Handbook of Language Program Development and Administration is essential reading for practicing second language program administrators at the post secondary level in service and pre service second language instructors graduate students in applied linguistics and even upper level undergraduate education students considering second language teaching as a future career
