Setting Of The Sermon On The Mount:

The Setting of the Sermon on the Mount Davies, Glyn, W. D. Davies, **The Setting of the Sermon of the Mount** William David Davies, 1966 **The Setting of the Sermon on the Mount** William David Davies, 1963 *The Setting of the Sermon on the Mount* W. Davies, 1989 The Sermon on the Mount and Its Jewish Setting Hans-Jürgen Becker, Serge Ruzer, 2005 Sacra Pagina: The Gospel of Matthew Daniel J. Harrington, SJ, 2023-06-13 Matthew wrote his Gospel from his perspective as a Jew. It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew. After an introduction he provides a literal translation of each section in Matthew's Gospel and explains the textual problems, philological difficulties and other matters in the notes. He then presents a literary analysis of each text, content, form, use of sources, structure, examines the text against its Jewish background, situates it in the context of Matthew's debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations. Bibliographies direct the reader to other important modern studies. **Matthew, Paul, and the Anthropology of Law** David A. Kaden, 2016-09-30 Drawing from Michel Foucault's understanding of power, David A. Kaden explores how relations of power are instrumental in forming law as an object of discourse in the Gospel of Matthew and in the Letters of Paul. This is a comparative project in that the author examines the role that power relations play in generating discussions of law in the first century context and in several ethnographies from the field of the anthropology of law from Indonesia, Mexico, the Philippines and colonial era Hawaii. Discussions of law proliferate in situations where the relations of power within social groups come into contact with social forces outside the group. David A. Kaden's interdisciplinary approach reframes how law is studied in Christian Origins scholarship, especially Pauline and Matthean scholarship, by focusing on what makes discourses on law possible. For this he relies heavily on cross-cultural ethnographic materials from legal anthropology. **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works, 11th Edition by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation. The easy-to-use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library. A Guide to Biblical Commentaries and Reference Works, 11th Edition is a key reference tool for any student of the Bible, pastors, laity and scholars alike. **Key Approaches to Biblical Ethics**, 2021-01-25 The purpose of Key Approaches to Biblical Ethics is to address fundamental as well as practical questions of methodology in examining the ethical material of the Bible. Sixteen scholars of international reputation, most of them leaders in the field of biblical ethics, discuss questions of biblical interpretation from the perspectives of the Hebrew Bible and New Testament ethics in close dialogue with one another. In the present volume, both established and new approaches to biblical ethics are presented and discussed. The result is a volume of unprecedented scholarly interaction that provides key insights into issues

of biblical ethics that play a significant role both for biblical interpretation as well as for methodological questions in Jewish and Christian ethics today **The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 1** Hughes Oliphant Old,1998 In this volume Hughes Oliphant Old begins his survey of the history of preaching by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ the Apostles and early church leaders l **Matthew within Judaism** Anders Runesson,Daniel M. Gurtner,2020-07-17 In this collection of essays leading New Testament scholars reassess the reciprocal relationship between Matthew and Second Temple Judaism Some contributions focus on the relationship of the Matthean Jesus to torah temple and synagogue while others explore theological issues of Jewish and gentile ethnicity and universalism within and behind the text **A Mountain of Evidence** Pastor Randy French,2020-09-01 Wouldn t you like to know today the standard by which you will be judged in eternity tomorrow That is exactly what Jesus does in the greatest sermon ever told The Sermon on the Mount Jesus said For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law you will certainly not enter the kingdom of heaven Mt 5 20 This opener provides the basis for His sermon which spans three chapters in Matthew In it Jesus provides for us a comparison between two kingdoms the kingdom of heaven and the kingdom of self In His sermon Jesus gives us all insight into what a true Christian looks like acts like sounds like and even thinks like The Pharisees were known for their strict adherence to the law and their traditions Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity Only by clothing oneself in Christ s righteousness can one hope for eternal life The world and even the Church at times attempts to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the un believer Pastor and Martyr Dietrich Bonhoeffer called this cheap grace But the true Christian will not be measured by the world s or even the church s standards Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God s Word This book is a line by line explanation of Christ s expectations for every person who professes to be saved by the blood of Jesus Christ In essence it is a manual to help us all to understand what it means to be a Christian *Matthew's Transfiguration Story and Jewish-Christian Controversy* A. D. A. Moses,1996-01-01 The Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in Matthew s Gospel It demonstrates that Matthew s account of the event is to be seen in the context of first century controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter s witness to Jesus transfiguration *A History of the Quests for the Historical Jesus, Volume*

2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible Hellenistic Dimensions of the Gospel of Matthew Robert S. Kinney, 2016-04-11 In the search for Matthean theology scholars overwhelmingly approach the Gospel of Matthew as the the most Jewish Gospel Studies of its Sitz im Leben focus on its relationship to Judaism whether arguing from the perspective that Matthew wrote from a cloistered Jewish community or as the leader of a Gentile rebellion against such a Jewish community While this is undoubtedly an important and necessary discussion for understanding the Gospel it often assumes too much about the relationship between Judaism and Hellenism via Martin Hengel Robert S Kinney argues for a hybridized perspective in which Matthew's attention to Jewish sources and ideas is not denied but in which echoes of Greek and Roman sources can be observed focusing on identifying Matthew's use of rhetoric and its possible echoes of Greco Roman philosophical disciple gathering teachers **Matthew** Craig A. Evans, 2012-02-06 This book provides a comprehensive introduction to the New Testament Gospel of Matthew and its historical social and religious
