Setting the Stage David Hays, 2017-06-06 The life and work of a stage designer who worked with Kazan and Balanchine David Hays elected to the Theater Hall of Fame in 2014 created an exciting and successful career designing scenery and lighting for plays and musicals on Broadway in London and in Japan Told with passion and wit this book takes readers behind the scenes of the theater world to show how a stage designer collaborates with directors and producers to create great works of theater and dance A designer who collaborated with the great directors of his time Arthur Penn Garson Kanin Tyrone Guthrie Elia Kazan Jose Quintero and Joe Layton shares anecdotes that integrate technical insight with life lessons He designed sets for the Metropolitan Opera for Lincoln Center for Martha Graham and thirty ballets for George Balanchine This colorful account of theater life is for scholars practitioners and theatregoers interested in how it all works Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving

Setting the Stage for Sustainability Chris Maser, Charles R. Beaton, Kevin M. Smith, 1998-05-14 As humans we make choices With change as a constant we are continually presented with a number of choices and we must choose The change represented by the divergence of humanity from the rest of the world is rapidly growing and in need of transformation Setting the Stage for Sustainable Community Development is a guide for that transformation which can help to create a sense of place where it did not previously exist This invaluable text looks at resolving environmental conflicts through a transformative rather than a problem solving approach The transformative approach emphasizes the capacity of facilitation for personal growth The text analyzes good and bad institutionalized social patterns in an ecological sense The authors believe that through positive thinking and the willingness to take risks we can become creative forces in our communities and in the world

Setting the Stage for Learning William A. Sommers, Lindsey Pollock, Margie Blount, Elita Driskill, 2025-01-07 When working with groups or individual leaders telling stories of what has been possible can deliver amazing results Many of the best staff developers trainers and presenters tell stories While many professionals walk away forgetting the facts data and tables that flashed on the screen they walk away remembering the stories that were told The more options for conversation the quicker we resolve issues Busy leaders and trainers can use the many resources in Setting the Stage for Learning Activating the Power of Stories to Facilitate Learning to increase impact and readiness for important topics These resources will save leaders time because the stories videos quotes and questions are readily available

A Field Guide for Setting the Stage Mario C. Barbieri, 2018-09-26 This book addresses the nature of the learner and how to plan and deliver instruction for long term learning The Field Guide is intended as a tool for administrators teachers parents or students as it includes activities and worksheets for planning lessons delivering effective lessons fly for skill reinforcement The field guide is an excellent supplement to book Setting the Stage Teaching to the Lerner s Brain or can be used as a stand alone text The field guide begins with understanding the nature of the learner Once the lesson is planned introducing the lesson to hook student

interest is next Once hooked making sense and having meaning will ensure that the information gets stored in long term memory which is the goal of every teacher

Setting the Stage Mario C. Barbieri, 2018-05-04 Setting the Stage promotes a Learner's Brain Model using brain research to understand the nature of the learner so teachers can develop lessons based on the nature of the learner There is also a focus on student self regulation The first chapter is devoted to the nature of the learner so teachers and administrators can begin a reflection process of determining what they do and how the learner learns to see if there is a match between what is taught and how it will be processed Too often low student achievement and school turnaround is focused on fixing teachers and not on understanding the learner enabling teachers to adapt their strategies more effectively Strategies which address student learning lead to more effective lessons Following the nature of the learner subsequent chapters discuss planning lessons that make sense and have meaning so the information gets stored in long term memory Once information is in long term memory it is retrievable for use Strategies are provided throughout the book supported by brain research to help teachers plan lessons
