Seven Chant Masses Bartholomew Sayles, Cecile Gertken, 1992-11-01 J Michael Thompson is the founder and director of the Schola Cantorum He is a pastoral musician and liturgist as well as a composer and an author The Schola is made up of professionally trained musicians dedicated to the principles enshrined in the documents of the Second Vatican Council

Chant and Notation in South Italy and Rome before 1300 John Boe, 2017-09-29 The fifteen studies assembled here grew out of research on south Italian ordinary chants and tropes for the multi volume series Beneventanum Troporum Corpus II edited by John Boe in collaboration with Alejandro Planchart In the present essays clerical and ordinary chants and tropes of the Mass especially when derived from paraliturgical hymns and poems certain aspects of chant notation and particular facets of the old Beneventan and the old Roman chant repertoires are examined in relation to the three main cultic centres of the Italian south Benevento Montecassino and Rome and as they relate to their European context namely Frankish and Norman chant and the varieties of chant sung in Italy north of Rome The volume includes one previously unpublished study on the Roman introit Salus Populi

New Music Review and Church Music Review, 1905 **Josquin des Prez and His Musical Legacy** Willem Elders, 2021-03-22 Josquin des Prez and His Musical Legacy is the most up to date contribution to the research on one of the most important and internationally famous composers of the Renaissance This monograph offers factual information on the composer as well as insights into his 16th century and modern reception a survey of the sources of his music and a discussion of the thorny issue of authorship Willem Elders one of the most distinguished scholars of Josquin's music also discusses the influence of Gregorian chant as a source of inspiration and explains the various aspects of Josquin's symbolic language Each individual work including some of those in the old Josquin edition now considered inauthentic receives a short discussion of relevant contextual aspects and interesting musical features Ranges and lengths are given for each work The style is adapted to the professional musicologist as well as to the music lover and performer Includes 45 figures and 90 musical examples **The Catholic Encyclopedia** Charles George Herbermann, 1913 **The Advent Project** James W. McKinnon, 2000-10-02 In his final accomplishment of an extraordinarily distinguished career James W McKinnon considers the musical practices of the early Church in this incisive examination of the history of Christian chant from the years ad 200 to 800 The result is an important book that is certain to have a long lasting impact on musicology religious studies and history **The Cyclic Mass** James Cook, 2019-01-22 England in the fifteenth century was the cradle of much that would have a profound impact on European music for the next several hundred years Perhaps the greatest such development was the cyclic cantus firmus Mass and scholarly attention has therefore often been drawn to identifying potentially English examples within the many anonymous Mass cycles that survive in continental sources Nonetheless to understand English music in this period is to understand it within a changing nexus of two way cultural exchange with the continent and the genre of the Mass cycle is very much at the forefront of this Indeed the question

of what is English cannot truly be answered without also answering the question of what is continental This book seeks initially to answer both of these questions Perhaps more importantly it argues that a number of the works that have induced the most scholarly debate are best seen through the lens of intensive and long term cultural exchange and that the great binary divide of provenance can in many cases productively be broken down A great many of these works though often written on the continent can it seems only be understood in relation to English practice a practice which has had and will continue to have major importance in the ongoing history of European Art Music

Visions of Liturgy and Music for a New Century Lucien Deiss,1996 In a manner that reflects his broad historical and musical knowledge of the Church's liturgy Father Deiss takes us step by step through the Eucharistic celebration of the Mass paying attention not only to the liturgy's repertoire of music and song but also to its participants as well the roles of the priest the choir the music director the organist the cantor even the singing congregation He discusses every musical aspect and offers suggestions for improvement and sound creative ideas about what the future may hold for Christian liturgy as we enter the twenty first century

Ethiopian Christian Liturgical Chant: An Anthology, Part 1 Kay Kaufman Shelemay, Peter Jeffery, 1993-01-01 This three volume anthology introduces the Ethiopian Christian musical tradition to performers music scholars and liturgists while addressing general problems of notation and oral tradition Ethiopian Christian chant has been passed down both in an indigenous notational system and through oral transmission This edition presents a selection of liturgical portions from the annual cycle in facsimiles of notated sources and in transcriptions from modern performances Supplementing the edition is a complete dictionary of notational signs with equivalents in modern notation and a set of charts tracing the notational history of each liturgical portion through a sample of Ethiopian manuscripts
