Seven Convincing Miracles Understanding The Claims Of Christ In Today's Culture:

7 Convincing Miracles Erwin W. Lutzer, 1999-10-11 Exploring the seven miracles recorded in the book of John pastor and author Erwin Lutzer describes the wonders that characterized Jesus' life on earth. Each chapter offers special teaching on current issues relating to miracles and faith such as signs and wonders, divine healing and angels. This book is perfect for skeptics and believers alike, encouraging readers to test everything against the Word of God. *The Miracles of Jesus According to John* Stephen S. Kim, 2010-07-08 In our age of theological relativism, Jesus' question to His own disciples continues to ring true: Who do the people say that the Son of Man is? Through Jesus' seven miracles and His seven "I Am" sayings, the apostle John provides a clear answer to that all-important question. Furthermore, what do Jesus' miracles represent? Are they designed to point to something or someone? In our supernatural-crazed culture that affects even evangelical Christianity, it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful: authenticating God's message and His messenger's. In the Gospel of John, the miracles of Jesus are both Christological—that is, they highlight Jesus' Person—and eschatological—that is, they foreshadow the work the Messiah will do in His future Advent. The miracles remind us that God's desire for every believer is first and foremost a spiritual relationship with Him through His Son. Furthermore, Jesus' miracles also remind us that God's work in and for every believer will be fully and ultimately realized in the everlasting life.

Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles. Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports.

Who Are You To Judge? Erwin W. Lutzer, 2008-09-01 A church that has made its peace with the world can no longer affect it. As 21st-century Christians, we have settled down to a complacent form of faith that demands very little of us and thus makes very little impact on the world. When secular values infiltrate the church, we accept them without a twinge of conscience and congratulate ourselves on our tolerance. We believe that we no longer have the right to challenge secular trends and decisions in or out of the church. Erwin Lutzer looks at today's world and confronts us with our responsibility as believers in the church of Jesus Christ to again be a force for what is right, not easy.

God So Loved the World Robert Spitzer, 2016-03-10 In this volume the brilliant Fr Spitzer probes in detail the major question that if an intelligent Creator God manifest in logical proofs scientific evidence and near death experiences who is the source of our desire for the sacred and the transcendental desires for truth love goodness and beauty would want to reveal himself to us personally and ultimately He then shows this is reasonable not only in light of our interior experience of a transcendent Reality but also that

a completely intelligent Reality is completely positive implying its possession of a completely positive virtue namely love defined as agape This leads to the question whether God might be unconditionally loving and if he is whether he would want to make a personal appearance to us in a perfect act of empathy face to face After examining the rational evidence for this he reviews all world religions to see if there is one that reveals such a God an unconditionally loving God who would want to be with us in perfect empathy This leads us to the extraordinary claim of Jesus Christ who taught that God is Abba the unconditionally loving Father Jesus claims go further saying that He is also unconditional love and that his mission is to give us that love through an act of complete self sacrifice He also claims to be the exclusive Son of the Father sent by God to save the world and the one who possesses divine power and authority The rest of the book does an in depth examination of the evidence for Jesus unconditional love of sinners his teachings his miracles and his rising from the dead As well as the evidence for Jesus gift of the Holy Spirit that enabled his disciples to perform miracles in his name and evidence for the presence of the Holy Spirit today If this strong evidence convinces us to believe that Jesus is our ultimate meaning and destiny and desire His saving presence in our lives that evidence should galvanize the Holy Spirit within us to show that Jesus is Lord and Savior the way the truth and the life And our faith in him will transform everything we think about our nature dignity and destiny and how we live endure suffering contend with evil and treat our neighbor **NIVAC Bundle 7:**
