Edward Wright Associate Professor of Hebrew Bible and Early Judaism University of Arizona, 1999-12-13 When we think of heaven we generally conjure up positive blissful images Heaven is after all where God is and where good people go after death to receive their reward But how and why did Western cultures come to imagine the heavenly realm in such terms Why is heaven usually thought to be up there far beyond the visible sky And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God Seeking to discover the roots of these familiar notions this volume traces the backgrounds origin and development of early Jewish and Christian speculation about the heavenly realm where it is what it looks like and who its inhabitants are Wright begins his study with an examination of the beliefs of ancient Israel's neighbors Egypt and Mesopotamia reconstructing the intellectual context in which the earliest biblical images of heaven arose A detailed analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures Wright goes on to examine Persian and Greco Roman beliefs thus setting the stage for his consideration of early Jewish and Christian images which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos In a final chapter Wright offers a brief survey of how later Jewish Christian and Islamic traditions envisioned the heavenly realms Accessible to a wide range of readers this provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea

Harlow, 2023-08-14 This volume represents the first comprehensive study of the Greek Apocalypse of Baruch 3 Baruch one of the most neglected of the Old Testament Pseudepigrapha Harlow discusses such introductory issues as text genre setting and function He carefully examines the chief critical issues in the study of this fascinating document including the literary integrity of the work and its original Jewish or Christian authorship He then proceeds to offer an interpretation of 3 Baruch as both a Jewish and Christian text His study succeeds in situating 3 Baruch within post 70 Hellenistic Judaism and in clarifying the early Christian interest in adapting editing and transmitting the work will find this study illuminating

that gap may be bridged The book deals with the interrelations between post biblical Judaism and early Christianity The relevant Jewish texts and history are discussed thoroughly in their own right The Christian material is approached in a way which shows both its continuity with Jewish tradition and its distinctiveness **The Fate of the Dead** R. B. Bauckham,1998 These pioneering studies of personal eschatology in the Jewish and Christian apocalypses including those neglected apocalypses which focus on life after death make an important contribution to understanding ideas and images of the hereafter in early Judaism and Christianity *The Seven Heavens* Mike Mazzalongo,2017-03-31 This Mini Book compares the various ideas that exist about heaven with the Bible s description of this dimension *A Kabbalistic Universe* Z'ev ben Shimon Halevi,Warren Kenton,1977-01-01 Drawing on ancient and modern material the author correlates symbol and system with modern scientific thought and discoveries He describes in detail the origins of the cosmos its various levels and inhabitants **Daniel** John Joseph Collins,1984 Daniel with an Introduction to Apocalyptic Literture is Volume XX of The Forms of the Old Testament Literature a series that aims to present a form critical analysis of every book and each unit in the Hebrew Bible Fundamentally exegetical the FOTL volumes examine the structure genre setting and intention of the biblical literature in question They also study the history behind the form critical discussion of the material attempt to bring consistency to the terminology for the genres and formulas of the biblical literature and expose the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts In his introduction to Jewish apocalyptic literature John J Collins examines the main characteristics and discusses the setting and intention of apocalyptic literature Collins begins his discussion of Daniel with a survey of the book s anomalies and an examination of the bearing of form criticism on them He goes on to discuss the book s place in the canon and the problems with its coherence and bilingualism Collins s section by section commentary provides a structural analysis verse by verse of each section as well as discussion of its genre setting and intention The book includes bibliographies and a glossary of genres and formulas that offers concise definitions with examples and bibliography Understanding the Universe in Seventh-century Ireland Marina Smyth,1996 Works of early Irish authors include a strong biblical component but indicate that independent thought is accepted Scarcity of scientific data a real interest in the physical world and the need to validate the scriptures encouraged seventh century Irish scholars toward critical reflection on scientific matters Their world view was based onmaterials drawn from the Bible on earlier Christian works and on personal reflection and contemplation This volume looks at the Irish contribution to the development of western thought in the early middle ages MARINA SMYTHis librarian of the Medieval Institute at the University of Notre Dame and teaches early medieval cultural history When Aseneth Met Joseph Ross Shepard Kraemer,2015 This is the study of an anonymous ancient work usually called Joseph and Aseneth which narrates the transformation of the daughter of an Egyptian priest into an acceptable spouse for the biblical Joseph whose marriage to Aseneth is given brief notice in Genesis Kraemer takes issue with the scholarly consensus that the tale is a

Jewish conversion story composed no later than the early second century C E Instead she dates it to the third or fourth century C E and argues that although no definitive answer is presently possible it may well be a Christian account This critique also raises larger issues about the dating and identification of many similar writings known as pseudepigrapha Kraemer reads its account of Aseneth s interactions with an angelic double of Joseph in the context of ancient accounts of encounters with powerful divine beings including the sun god Helios and of Neoplatonic ideas about the fate of souls When Aseneth Met Joseph demonstrates the centrality of ideas about gender in the representation of Aseneth and by extension offers implications for broader concerns about gender in Late Antiquity The Mysticism of Hebrews Jody A. **Heavenly Realms and Earthly Realities in Late Antique Religions** Ra'anan S. Boustani,Annette Yoshiko Reed,2004-08-16 The idea of heaven held a special place in the late antique imagination which was marked by a poignant sense of the relevance of otherworldly realities for earthly life Such concerns can be found not only in Judaism and Christianity but also in the Greco Roman religious philosophical scientific and magical traditions Transcending social regional and creedal boundaries the preoccupation with heaven in Late Antiquity serves as a focus for an interdisciplinary approach to understanding this formative era in Western culture and history Drawing upon the expertise of scholars of Classics Ancient History Jewish Studies and Patristics this volume explores the different functions of heavenly imagery in different texts and traditions in order to map the patterns of unity and diversity within the religious landscape of Late Antiquity Flora Tells a Story Michael Kaler,2008-11-05 In early Christianity many people were inspired to write gospels treatises letters and stories celebrating the new faith but not all of these writings are found in the New Testament One such story from an unknown author is the Coptic gnostic Apocalypse of Paul a tale of the apostle Paul s ascent to the heavens that was lost for millennia and rediscovered at Nag Hammadi in 1945 In Flora Tells a Story Michael Kaler discusses the Apocalypse of Paul and how it was shaped by its literary environment The book takes a behind the scenes look at early Christian literary production analyzing the ways in which various literary traditions such as apocalyptic writings gnostic thought and understandings of Paul influenced the author of the Apocalypse of Paul and helped to shape the text It also includes a new annotated English translation of the Apocalypse of Paul and a fictional account of how it might have come to be written This work is the most in depth study of the Apocalypse of Paul to date and the only full length discussion of it in English It provides a detailed but accessible account of the literary environment in which its author worked and integrates this little known work into the broader stream of early Christian writings This book will be of interest to specialists in Nag Hammadi and gnostic studies and early Christian literature but will also appeal to the general reader interested in Christianity mysticism and gnosticism Ascent to Heaven in Jewish and Christian Apocalypses Martha Himmelfarb,1993 This is a comparative study of the ancient Jewish and Christian views of the ascent into heaven It places the ascent narratives in their cultural and historical context and explores their relationship to the canonical apocalypses and to other Graeco

*Life's Last Fork in the Road; Finding Your Heaven's Zip Code* Dr. Glenn M. Cosh, 2022-08-05 We all have an earthly zip code a place we live and call home It ranges from 10001 for New Yorkers to 90210 for those in Beverly Hills But what about our life after death the next phase for our souls aEUR the afterlife eternity and heaven Yes we seek guidance from the world's major religions and the plethora of beliefs and perceptions from other sources as to where our souls might end up Yet an astonishing one quarter of those who consider themselves part of a major religion still don't believe in heaven at all Life's Last Fork in the Road offers a thought provoking scientific and theological overview of what heaven is and isn't among the major belief systems but goes a step further asking and offering answers to the question What zip code do you want on your tombstone Like your fingerprint you want it to fit within your spiritual beliefs and comfort zone not someone else's If we can choose our zip code on earth why not in heaven
