Free at Last Derrick McC Carson, 2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in *Free at Last* Derrick McC Carson takes us on a verse by verse journey through Paul s bondage busting manifesto You may be surprised to learn that Paul s message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind s inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren t living by grace then we have succumbed to spiritual slavery *From Imagination to Reality* Abiola Abrams, 2024-05-28 Powerful transformational practices including the Law of Assumption from Abdullah the mysterious Black Ethiopian rabbi who was the mentor to New Thought icon Neville Goddard In this captivating book Abiola enlightens readers revealing that it is their birthright to transform their wildest dreams from imagination to reality 1 New York Times best selling author Gabrielle Bernstein In *From Imagination to Reality* Abiola Abrams reveals the hidden teachings of Abdullah a mystic and sage from the 1930s whose influence on spiritual teachers such as Neville Goddard and

American Book Publishing Record, 1995 **The Cumulative Book Index**, 1996 A world list of books in the English language **A new paradigm of reality?** Gonzalo Rodríguez-Fraile, 2015-11-04 The vision that culture has historically offered about reality has failed to help humans to live fully or to achieve their potential A knowledge revolution has been taking place in recent years that once it is understood can completely transform human beings offering new solutions to personal and collective problems because their root causes have been identified at last What we now know means that we can understand spiritual truths and their multiple dimensions without abandoning rationality This new vision is strong enough to put an end to human suffering and boost inner peace which is for what every being human yearns New science sees an intelligent design in the whole Universe Quantum physics has revolutionized our knowledge of reality All scientists are now aware of the quantum enigmas but not everyone agrees on how to interpret them This book offers an interpretation that might explain them and one that is based on the idea of science within consciousness As you read the book it will become evident that this interpretation most closely resembles the vision of reality that both the perennial wisdom of Humanity and the teachings of the great spiritual masters have offered us throughout history The first part of the book outlines briefly what some of the leading thinkers on science and philosophy have to say about reality and how this new vision of the world is converging with what the perennial wisdom of Humanity has been saying throughout our history The second part seeks to explain what can happen to us when we are exposed to this new knowledge and how all of us can change inside ourselves in the light of this information This book aims to unite not divide helping Humanity to raise its level of consciousness allowing us to live a higher quality life in accordance with our spiritual dimension *Twelve Laws of Life* John Calvin Slemph, 1950 **the family churchman**, 1883 **The Watchman-examiner**, 1921 *Biblical Healing and Deliverance* Chester Kylstra, Betsy Kylstra, 2014-08-12 Set the stage for unhindered healing Rejection depression guilt fear

evidence of spiritual bondage in today's world is rampant. The hurt is real but so is the good news. In this groundbreaking classic work Chester and Betsy Kylstra show how you can trace pain and woundedness back to four foundational sources. True lasting restoration and healing take place by dealing with these four sources together in an integrated way instead of as separate areas. They are release from ancestral sins and curses, replacement of destructive beliefs with godly ones, healing from emotional and spiritual pain, deliverance from demonic oppression. This well-proven manual is designed for both personal recovery and ministry to others. In it the Kylstras provide guiding Scriptures, step-by-step processes, self-inventories, visual aids, tables, and real-life stories of people being restored through this integrated fourfold approach. You can live free. Become who you are meant to be and help others do the same. I heartily recommend this book to all who would heal others or be healed themselves. John Sandford, co-founder, Elijah House Inc. An outstanding life-changing book. Dr. Ch. Ahn, senior pastor, HROCK Church, co-founder, Harvest International Ministry. This book expresses the most balanced and workable ministry in the area of biblical healing that I have ever witnessed or experienced. Dr. Bill Hamon, founder and bishop, Christian International Ministries Network. The Kylstras' systematic teaching will restore your foundations to be truly free in Christ. John Arnott, founding pastor, Catch the Fire. **Insights on Galatians, Ephesians** Charles R. Swindoll, 2014-05. The Engaging the New Testament Series by Dr. Charles R. Swindoll is the major legacy project of Swindoll's life as a pastor and Bible teacher for the past forty-five years. The series will be comprised of fifteen volumes focusing on all the books of the New Testament: the Four Gospels, the Acts of the Apostles, the twenty-two letters, and the book of Revelation. Rather than a technical exegetical commentary mining the details of the Greek text, this will have a narrative flavor with a strong emphasis on effective communication, taking the truths of the New Testament and providing insight that enables people to live out the truth in all aspects of contemporary daily life. **The Presbyterian**, 1908. Kirby Page and the Social Gospel Kirby Page, 1976. **The Caused Blessing** Robert Henderson, Followship 101 Bryan W. Horne, 2015-05-01. We live in a society where leadership is applauded and celebrated while following is seldom discussed but often demanded by those who are usually self-appointed to lead. Everybody wants to lead but very few have ever mastered the art of following. Where would we be in the body of Christ if the twelve disciples never made the decision to be followers of Jesus? I argue that we would have never heard the Gospel of Jesus Christ. Jesus called the disciples to be His followers, not His leaders. The disciples walked out a three-year journey to learn how to become followers, not leaders. They were then launched into the role of leadership as a result of their ability to grow through the process of following. Reviews Inside Pastor Phil Munsey, Houston, Texas, Chairman of Champions Network. Joel Osteen, Ministries Pastor John Gray, Houston, Texas, Associate Pastor at Lakewood Church.
