Seven Miracles at Calvary Everitt M. Fjordbak,1980 The Time of Christ's Return Revealed - Revised Edition
Charles P. Pierce,2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over
all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is
distant unlike the majority of current views expounding the theory that the time of Christ's return is imminent in their
lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel
gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial
Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In
the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the
book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of
God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more
than just listen 523 page count 37 black and white images

LaRue,

Jr,2012-10 There is a whole world of Prophesies in each page of the Bible My purpose is to shed light on these prophesies for all of the world to see This is the summarization of 50 years of study and research over scriptures Presented with many questions that neither theologians nor ministers could answer then becoming frustrated and disgusted over the lack of resolutions to my questions God told me that if I would continue to pray read and research the word of God that He would reveal to me all of these answers to my questions The books of this series of prophetic studies are designed to reveal all that God has presented to me over this 50 year period of study The prophesies of these series of books are designed to give individuals more depth and a broader understanding of the word of God For a much more expansive view to reveal God s plan for all of man from even before He began all of creation None of these prophetic insights change in any way the basic and true meaning of the scriptures but only show the broader view of God's plan for a clearer revelation from the beginning to the end Magistrates, Madonnas and Miracles Trevor Johnson, 2016-12-05 In 1621 in one of the earliest campaigns of the Thirty Years War the South German principality of the Upper Palatinate was invaded and annexed by Maximilian of Bavaria director of the Catholic League In the subsequent years the eyes of Europe looked to the fate of this erstwhile hub of the Calvinist international as Maximilian steadily moved to convert its population to Catholicism This study is the first account in English to focus on this important instance of forced conversion and the first account in any language to place the political impact of the Thirty Years War into the broader context of the Upper Palatinate's religious culture examined over the longue dur e from the later sixteenth to the mid eighteenth centuries The book analyses the rich unpublished sources of church and state from Bavarian and Roman archives as well as printed texts in varied genres to reconstruct the region s sacred system and to gauge the effectiveness of the campaign of conversion This allows the study to address questions of how the re catholicisation was achieved how a religious culture infused with the spirit of the Counter Reformation developed and how this change shaped the identity of its people More than this however the book also uses the Upper Palatinate case study to draw broader conclusions about the strengths and limitations of the Confessional model and suggests other ways of looking at religious change and identity formation in early modern Europe which embraces popular religious culture and voluntary religion as well coercion As such the book offers much not only to scholars of early modern Germany but to all with an interest in the formation adoption and imposition of religious identity during this period *Understandings of the Power* of Peace Elwin L. Dickerson III Ed.D., 2017-01-26 Every hour of every day proves that inadequate solutions for social political and personal crises flamed by multifaceted hate singes everyone Peace cannot be a compromise Peace visits and like great escape artists it vanishes leaving in its place bewilderment and unquenchable desire for more Peacelessness is profitable Industry and governments grow in response to peacelessness Corporations and cousins fight for a piece of the pie Blessed must be the peacemakers they experience only temporary success yet their efforts continue in hope as evidence of things not seen Peace is the strong cord running through history Peace ties together every chapter of every book of the Bible Peace is

the subject of every sermon and hymn and is the cause of every war Peace is so powerful even God works under its influence Who understands that Peace will bring this world to its end

Gleanings From Elisha, His Life and Miracles A.W Pink,Rev Terry Kulakowski, Editor,2015-11-29 That Which Occupies the central and dominant place in what the Spirit has been pleased to record of the life of Elisha is the miracles performed by and connected with him Far more miracles were wrought by him or were granted in answer to his prayers than any other of the Old Testament prophets The character of Elisha s mission and ministry was in thorough keeping with Israel s condition at that time The very fact that these miracles were needed indicates the state into which Israel had fallen A W Pink unfolds the life and miracles of Elisha in 30 power packed Chapters of this famous Prophet of God
