

VENGEANCE OF THE BRIDE

Seven Month Vengeance

George William MacArthur Reynolds

Seven Month Vengeance:

A Blazing Vengeance Robert Fisher, 2016-07-30 The man sat in his comfortable armchair with a glass of his favorite liquor in his left hand His attempt at a smile was unsuccessful Instead his face was contorted into a grotesque mask of hatred It had taken years of meticulous preparation before finalizing his plan of vengeance His highly intelligent brain had considered every conceivable contingency It was perfect Nothing could possibly go wrong And now he had finally acquired all the tools necessary to begin He gloated over the delicious thoughts of the many possible ways to torture before slowly killing the two men who caused this unquenchable fire within him Their deaths would be tied to the annihilation of millions in the country he blamed for his past humiliation America He let loose a throaty gale of laughter His body shuddered with the force of this emotion Obviously he was incapable of recognizing that his exceptional mind was on a razor's edge between utter brilliance and insanity For who in their right mind would massacre millions of innocent people no matter what the perceived provocation His eyes bulged and spittle dripped from his mouth as he attempted to widen his smug smile at the idea of finally killing his two foes But this only increased the hideous facade of his face He raised his right hand and with his forefinger pressed an imaginary start button Now you're mine he screamed into the night

Seven Months at Tyre Gaurav Garg, 2025-09-01 Their city was a god His ambition was greater In the fourth century BC the island fortress of Tyre stands as the unassailable master of the sea Its wealth is legendary its fleet is unmatched and its walls are a monument to a thousand years of defiant pride At the heart of the city is the temple of Melqart the city's god king whose divine protection has made Tyre a rock against which every great empire has broken But a new more terrible force is now sweeping through the world a young Macedonian king named Alexander whose ambition is as boundless as the heavens and whose army has never known defeat When Alexander makes a blasphemous demand that would mean the surrender of their city's very soul Tyre chooses to fight Their decision initiates one of the most dramatic and brutal sieges in history a seven month struggle that pits three unforgettable individuals against the judgment of a god and the will of a conqueror Tanit Elissa the devout high priestess of Melqart whose absolute faith becomes the spiritual bedrock of the city's defiance forcing her to confront the terrible price of her god's silence Kallias of Pella a brilliant arrogant Macedonian engineer tasked by Alexander with an impossible world altering feat to build a great causeway across the sea a road of vengeance that will test the very limits of his genius and force him to reckon with the horrific human cost of his creations Lykos the Thracian a cynical battle hardened veteran of the Macedonian phalanx who fights not for glory or for kings but for the men beside him and who must endure the brutal grinding reality of a war that transforms soldiers into a merciless instrument of annihilation From the spectacular desperate ingenuity of the Tyrian fireship to the cold methodical horror of the final assault The Mole and the Rock is an epic visceral and deeply human historical saga It is a story of the clash of empires the fracturing of faith and the terrible enduring consequences of a war fought between a city that believed it was eternal and a man who believed he was a god

Seven Month Vengeance Bria', 2004-12 Seven Month Vengeance After many years in a committed relationship Monica finds out the love of her life has been unfaithful Devastated and angered by her love's acts she vows to pull herself together and seek revenge Things get out of hand as her wrath manifests and becomes uncontrollable Within seven months Monica has caused enough destruction to last three lifetimes I told you that I'd get you back You should have known that I could Despite all the love in my heart for you Ya still should have known that I would I tried to forget over and over but still couldn't let what you did to me go I did try to forgive and forget but it didn't work Just thought I'd let you know
