Van

Voorst, 2017-07-31 Do you believe that God wants you to be financially prosperous Joshua 1:8 Do you think that Christians must forgive and forget Jeremiah 31:34 Do you suppose that everything will work for your good Romans 8:28 or wonder if God will ever give you more than you can bear 1 Corinthians 10:13 If you do best selling author Robert Van Voorst will help you to reexamine these verses and many others to see what they really mean This book treats twenty four of the most misunderstood verses in the Bible Each is given concise but careful treatment including an explanation of how they are misunderstood what their meaning is and what this meaning says to us today Each chapter has questions for reflection and discussion Written especially for use in church classes and Bible study groups but also suitable for individual reading this book will stimulate your growth in the Christian faith and give you more confidence in understanding the Bible and applying it to your life **40 Questions About Pentecostalism** Jonathan Black, 2024-06-18 At just over a century old the

controversial issues are addressed with robust scholarship and in a spirit of grace *The Suffering Servant of the Lord, Second Edition* David J. MacLeod, 2019-06-18 The Suffering Servant of the Lord A Prophecy of Jesus Christ is a major new study of the fifty third chapter of Isaiah It is exegetical expositional devotional and Christological It is exegetical in that it is based on a careful study of the text It is expositional in that it explains the meaning of chapter to both its original and modern readers The book will give preachers and teachers help in outlining and illustrating their sermons and lectures It is devotional in that this marvelous chapter addresses the deepest need of people the need for forgiveness of sin and peace with God It is Christological in that it focuses on the person of Jesus Christ MacLeod writes I have finished this work more convinced than ever that the passage is a straightforward prophecy of Jesus Christ written by the prophet Isaiah some seven hundred years before the birth of the Savior *How to Profit from Our Afflictions* Thomas Boston, 1992 Originally written in the 1700s in England by Thomas Boston the Rev Dr Curtis Crenshaw has modernized the English and added modern

examples of trials and afflictions There is no one who does not need this book It is very readable and practical and Christians love it making Romans 8 28 come to life *No Darkness at All* Michael Maffucci,2021-05-03 One of the most difficult things to understand about the Bible is why God seems so different in the Old testament than He does in the New Testament There are places in the Old Testament where God says I kill and I destroy There are many places where God appears to be very harsh when He deals with people For example Uzzah died on the spot when he reached out his hand to touch the ark of God The author is of the conviction that God is good all the time and is never the cause of death destruction or sickness of any kind The author also believes that the Bible is the inerrant word of God Because of his dilemma in trying to justify these two opposite paradigms he has done this detailed study on this subject because he believes the Bible cannot contradict itself Many have blamed God for their afflictions or at the very least they have accepted their problems as God s will for their life If you believe that God is doing something evil to you to teach you a lesson or to develop your faith how can you have faith to be healed or to be delivered from any difficulty Reading this book will help you see that God is good all the time and can do No Darkness At All 1 John 1 5 Careful grammatical research is done in this book that will give you evidence to the face that there is a great difference between what God causes and what God permits Each chapter in this work builds upon this evidence and will increase your faith in the goodness of God 2 **Reclaiming Reason** Adam Murrell,2012-01-26 In this compact fluently written survey of logical fallacies Adam Murrell provides myriad examples of ways we go about being illogical how we deceive ourselves and others how we think and argue in ways that are uncritical disorganized or irrelevant From billboards to bumper stickers to radio to television fallacious arguments are seemingly everywhere we look Reclaiming Reason was designed to teach people how to counter this trend how to reason with clarity relevance and purpose at a time when passions and emotion frequently override sound judgment This concise handbook is essential for Christians as they study logic the art of reasoning well of learning to think God s thoughts after him A book of remarkable sensibility Reclaiming Reason is unassumingly relaxed informal and easily digestible Two Paradigms for Divine Healing Pavel Hejzlar,2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny **A Different Gospel** Dan R McConnell,2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ

to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson **Evangelism and Missions** Dag Heward-Mills,2011 A handy evaluation of workable evangelism strategies Clear steps to achieving fruitfulness How to attain the biblical wisdom of winning souls A invaluable guide on how to plant churches in virgin unreached areas Clear instructions applying the keys of persistence and shamelessness in God s work Hints on how to break out of comfort zones in order to reach the lost A timely discourse of the Kingdom of God An authoritative presentation of the urgent call to evangelize the world One night while studying in a remote town of Ghana God miraculously anointed Dag Heward Mills as he waited upon the Lord He supernaturally heard the words From now on you can teach This supernatural call is what has ushered him into a worldwide ministry Today his Healing Jesus Crusades are conducted throughout the world with thousands in attendance and many accompanying miracles These phenomenal miracles attested to by medical doctors have included the opening of the eyes of the blind the restoring of hearing to the deaf the emptying of wheel chairs and even the raising of the dead Dag Heward Mills an author of several bestselling books also founded the Lighthouse Chapel International has become a worldwide denomination His radio TV and internet programs reach millions around the world Other outreaches include pastors and ministers conferences and the renowned Anagkazo Bible and Ministry Training Center Dag Heward Mills lives in Accra Ghana with his wife Adelaide and their four children David Joshua Daniella and Paula Who Can I Turn to Now? Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
