Before Rapture & the Coming Christian Holocaust Michael Johnson, 2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here *A House Divided* chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of *A House Divided* feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author's interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon *A House Divided* dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt *A House Divided* is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth *History and Mystery: The Complete Eschatological Encyclopedia of Prophecy, Apocalypticism, Mythos, and Worldwide Dynamic Theology Vol 3* Bernie L. Calaway, 2018-08-27 Surely you've lain awake at night to ponder life beyond time Or dreamed restlessly of those multi honored beast of Revelation Or became frustrated because you don't know how to properly use your athame How about all those times you came across a theological word that battered your brain No problem *History and Mystery The Complete Eschatological Encyclopedia of Prophecy Apocalypticism Mythos and Worldwide Dynamic Theology* has arrived Here just for you are four volumes of exhaustive information that every student teacher and interested person everywhere needs to know Over 8000 defined words and phrases 60 exploratory essays and mini sections of relational materials await Before you know it you'll be the best informed reader in your neighborhood and most of the next state over *The Way Of One And The Fate of a World Divided* W.Alexander Wheeler, Ph.D., 2019-04-25

One need not hear the words of a prophet to know that we stand at the brink of explosive global change unparalleled in the history of the world. But if we are given the words of a prophet and fail to pay heed, such change can now only lead to the final self-destructive act in the human tragedy. This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge, wisdom and vision critical to the future survival of our world. Like a topographical map that from a bird's eye view indicates to us the path of least resistance, the Source points the way beyond war and violence, greed and fear and toward a higher transcendental sanity to match the needs of the critical times in which we live. The Way of One. Given the ever-increasing speed at which we are advancing toward our final destiny, we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages. *A Rabbi Looks at the Last Days* Jonathan Bernis, 2013-01-15. A Rabbi Offers a Fresh Look at the End Times. Few topics capture the imagination of believers like the last days. Yet fear and incorrect teachings continue to surround this topic. Rabbi Jonathan Bernis, by contrast, offers with warmth and clarity a unique and surprising perspective on the end times. Many see explosive turmoil in the Middle East and the mark of the beast as signs of the return of the Messiah. Bernis points out an even clearer and more immediate sign: the fulfillment of Old Testament prophecies regarding the restoration of the land of Israel and the regathering of the Lost Tribes of Israel, which is happening in record numbers right now. This book unpacks surprising and life-changing insights on Israel, the last days and the Messianic hope of every believer. Masonic Standard, 1914. The Oxford Handbook of Millennialism Catherine Wessinger, 2011-11-17. Christian Dispensationalism, the Taiping Revolution, cargo cults in Oceania, the Baha'i Faith and the Raelian Movement would seem to have little in common. What they share, however, is a millennial orientation: the audacious human hope for a collective salvation which may be heavenly or earthly or both. Although many religions feature a belief in personal salvation, millennial faiths are characterized by the expectation that salvation will be accomplished for an entire group by a superhuman agent with or without human collaboration. The Oxford Handbook of Millennialism offers readers an in-depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures. While the term millennialism is drawn from Christianity, it is a category that is used to study religious expressions in diverse cultures, religious traditions and historical periods. Sometimes millennial expectations are expressed in peaceful ways. Other times, millennialists become involved in violence. The Oxford Handbook of Millennialism begins with a section that examines four primary types of millennialism. Chapters in the next section examine key issues such as charismatic leadership, use of scripture, prophetic failure, gender roles, children, tension with society and violence. The rest of the book explores millennialism in a wide variety of places and times, from ancient Near Eastern movements to contemporary apocalyptic and new age movements, including the roles played by millennialism in national and international conflicts. This handbook will be a valuable resource for scholars of religious studies, sociology, psychology, history and new religious movements. The Man of Sin Kim Riddlebarger, 2006-06-01. The doctrine of the

Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study

The Global-Warming Deception Grant R. Jeffrey,2011-02-08 Global warming s hidden agenda a global socialist government The worldwide effort to combat manmade global warming is history s most far reaching hoax In The Global Warming Deception Grant R Jeffrey documents the orchestrated campaign of political pressure flawed science and falsified data all designed to sell an environmental lie and bring the West to its knees United Nations agencies use the threat of rising ocean levels crop failure expanding deserts and the extinction of species to convince western nations to surrender their sovereignty As these developments play out we see the globalists consolidating their power In The Global Warming Deception you will find proof that Laws and regulations to reduce carbon emissions are designed to destroy the free enterprise system and drain wealth from western nations The religion of eco fundamentalism denies the existence of God and substitutes in His place the worship of the earth The coming economic collapse hastened by global warming laws will lead to international chaos A one world government will be presented as the solution followed by the arrival of the Antichrist Your liberty is at stake Now is the time to learn all you can about the socialist Marxist elite that is advancing the false threat of global warming the most deadly deception in history
