## Seven Days Without Sun:

*Hermetic Behmenists* Dionysius Andreas Freher, Francis Lee, 2017-10-01 Hermetic Behmenists reproduces the writings of Dionysius Andreas Freher and Francis Lee two exceptional commentators on Jacob Boehme's philosophy. The texts contained in this book were originally published in 1854 in an edition of 500 given away to friends and sent to university libraries by their editor Christopher Walton. They were never sold in stores. Walton was an English Behmenist and devotee of William Law and the texts were assembled as part of a research project that was never completed. Notes and Materials Towards an Adequate Biography of William Law. Unfortunately, Walton presented the texts haphazardly without table of contents in microscopic type with footnotes going up to one hundred pages in length that in turn contained other texts. This edition of the writings aims to put the writings of Freher and Lee in a more accessible and readable format. Besides Walton's book, only fragments of Freher's writings have been published. A great quantity of writings have been preserved in manuscript form. Freher was referred to as Second to Boehme in his capacity as a commentator on Boehme's philosophy, making the inaccessibility of his works an unfortunate loss. Andy Allen, 2007-06 Want to know that you can truly trust the Bible? Want to know how to apply its Truth to everyday life? Are you frustrated that faith doesn't seem to work for you? Want to know how to use faith properly so that you can truly move mountains? Unlike other faith books, this one combines faith with Truth so that faith actually works. After first proving that the Bible is Truth and that God can be fully trusted, this book then demonstrates how to apply this Truth to everyday life through faith. This book deals with such tough subjects as how to hear from God and why bad things happen to good people, even people of faith. Once you understand how faith works, you will be an overcomer no matter what the circumstances.
