Seven Deadly Needs:

The Seven Deadly Needs Edward Bear, 2007-12 Bear's latest Tyler tape shows readers both those in recovery and those simply looking to improve their lives how to overcome their outward centered needs and concentrate on the inner work of healing and growth *Live and Let Live* Doug S., 2022-02-21 With over 36 years sober Doug accepted the challenge made by Bill Wilson founder of Alcoholics Anonymous to seek solutions for going beyond a booze cure and work to achieve emotional sobriety and maturity *Live and Let Live* is needed now more than ever before People are divided red vs blue maskers vs no maskers build a wall vs open borders defund the police vs curb the violence There has never been a better time For all of us to get along with others All those who read this book will learn skills and tools to better live and let live without sacrificing personal beliefs and core values

The Political Philosophy of Needs Lawrence A. Hamilton, 2003-08-14 This ambitious and lively book argues for a rehabilitation of the concept of human needs as central to politics and political theory Contemporary political philosophy has focused on issues of justice and welfare to the exclusion of the important issues of political participation democratic sovereignty and the satisfaction of human needs and this has had a deleterious effect on political practice Lawrence Hamilton develops a compelling positive conception of human needs the evaluation of needs must be located within a more general analysis of institutions but can in turn help to justify forms of coercive authority that are directed toward the transformation of political and social institutions and practices His argument is animated throughout by provocative and original discussions of topics such as autonomy recognition rights civil society liberalism and democracy and will interest a wide range of readers in political and social philosophy political theory law development and policy
