be enjoyed in any order **It's Beginning to Hurt** James Lasdun, 2010-08-03 The stories in this remarkable collection including *An Anxious Man* winner of the National Short Story Prize UK are vibrant and gripping James Lasdun's great gift is his unfailing psychological instinct for the vertiginous moments when the essence of a life discloses itself With forensic skill he exposes his characters' hidden desires and fears drawing back the folds of their familiar self-delusions their images of themselves their habits and routines to reveal their interior lives with brilliant clarity In sharply evoked settings that range from the wilds of Northern Greece to the beaches of Cape Cod these intensely dramatic tales in *It's Beginning to Hurt* chart the metamorphoses of their characters as they fall prey to the full range of human passions They rise to unexpected heights of decency or stumble into comic or tragic folly They throw themselves open to lust longing and paranoia always recognizably mirrors of our own conflicted selves As James Wood has written James Lasdun seems to be one of the secret gardens of English writing When we read him we know what language is for again This collection of haunting richly humane pieces is further proof of the powers of an enormously inventive writer **The Book For Our Time!** Willy Jeanne Louis De Smedt, 2023-11-22 Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non-believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind *The Book For Our Time* a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a millwright at Iscor Willy started working as a math teacher at the Military Technical College During a service in the New Apostolic Church Willy heard and learned about the Day of The First Resurrection That's when the project of *The Book For Our time* started to take form from his desire to inform people about the salvation plan of God He died in 2017 due to Leukemia **Give Me Everything You Have** James Lasdun, 2025-06-25 A true story of obsessive love turning to obsessive hate in the crucible of the digital age *Give Me Everything You Have* chronicles author James Lasdun's strange and harrowing ordeal at the hands of a former student a self-styled verbal terrorist who began trying in her words to ruin him Hate mail online postings and public accusations of plagiarism and sexual misconduct were her weapons of choice and as with more conventional terrorist weapons proved remarkably difficult to combat James Lasdun's account while terrifying is told with compassion and humor and brilliantly succeeds in turning a highly personal story into a profound meditation on subjects as
