Division of Four Minute Men, 1917 *Life*, 1920 [A Creed for My Profession](#) Ronald T. Farrar, 2013-12-24 This superb biography provides for the first time a candid look at the remarkable life of Walter Williams the man who founded the world's first school of journalism and perhaps contributed more toward the promotion of professional journalism than any other person of his time Williams the youngest of six children was born in Boonville Missouri in 1864 Never an athletic child he always had a love of books and of learning yet he scarcely had a high school education He began his journalistic career as a printer's devil at seventy cents per week and eventually became editor and part owner of a weekly in Columbia Missouri During his time as an editor Williams became convinced that journalism would never reach its potential until its practitioners had the opportunity for university training in their field After years of crusading he established the first journalism school on the University of Missouri campus Later he was chosen president of the University of Missouri which he led with distinction during the Great Depression Williams was an unwavering advocate of high professional standards His Journalist's Creed became one of the most widely circulated codes of professional ethics Williams inspired the confidence of his fellow journalists and he carried his message to nearly every country in which newspapers were published Not only did he invent journalism education he also created global organizations of journalists and spread the gospel of professionalism throughout the world His death in 1935 was mourned

throughout the United States and editorial tributes came from around the world As one British editor succinctly put it Williams was not born to greatness Neither was it thrust upon him Literally he achieved greatness     **Heart of a Stranger** Margaret Laurence, 2003 Travel was closely connected to Margaret Laurence s creativity Laurence realized that her travels especially to Africa provided her with new perspectives on Canada Heart of a Stranger originally published in 1976 is a fascinating travelogue chronicling Laurence s geographical journeys to many lands and historic places She notes I saw somewhat to my surprise that they are all in one way or another travel articles And by travel I mean both those voyages which are outer and those voyages which are inner Laurence writes about her travels to Egypt in Good Morning to the Grandson of Ramesses the Second to Scotland in Road from the Isles and to Greece in Sayonara Agamemnon In The Very Best Intentions Laurence sees herself as a stranger in a strange land in Ghana She reflects on the many places she lived in Put Out One or Two More Flags Down East The Shack and Where the World Began Professor Nora Foster Stovel s new introduction Heart of a Traveller explores how Laurence s experiences in other lands influenced and shaped her writing She contends that Heart of a Stranger constitutes a concealed autobiography for in chronicling her literal life journey Laurence also reveals her spiritual odyssey     *Complete Poison Blossoms from a Thicket of Thorn* Hakuin Zenji, 2017-12-20 Following his translation of just over half the original text in 2014 Norman Waddell presents the complete teaching record of Zen master Hakuin now available in English with extensive explanations notes and even the wry helpful comments that students attending Hakuin s lectures inscribed in their copies of the text With this volume Norman Waddell completes his acclaimed translation of the teaching record of one of the greatest Zen masters of all time Hakuin Ekaku 1685-1769 Hakuin lived at a time when Japanese Buddhism as a whole and his own Rinzai sect in particular were at low ebb Through tremendous force of character and creative energy he initiated a reform movement that swept the country and today all Rinzai Zen masters trace their lineage through him This outcome is all the more extraordinary because Hakuin s base of operations was a small temple in the country town of Hara where he grew up not in one of the nation s political cultural or commercial centers This book represents the first full publication of the Keiso Dokuzui in any foreign language Inspired by the enthusiastic reception that greeted his 2014 selections from the text Waddell returned to work and now gives us the opportunity to examine the entirety of Hakuin s record and to benefit as never before from the example and instruction of this exuberant personality and remarkable teacher Poison Blossoms contains a highly diverse set of materials formal and informal presentations to monastic and lay disciples poems practice instructions inscriptions for paintings comments on koans letters and funeral orations While most items are brief easily read in a quick sitting the book also includes extended commentaries on the Heart Sutra one of Mahayana Buddhism s central texts on the famously difficult Five Ranks of Tung shan and on the accomplishments of his eminent predecessor Gudo To shoku Having devoted himself for more than three decades to the study and translation of Hakuin s works Norman Waddell is peerless when it comes to conveying into English the vital sometimes elegant often

earthy voice of this outstanding teacher His command of the subject enables Waddell to elucidate the vast array of idioms and images that Hakuin employed to enliven his poetry and prose historical and mythological elements street slang doctrinal and cultural allusions that would otherwise place these writings beyond the grasp of anyone but a specialist Waddell's five previous Hakuin translations each important in its own right can now be recognized as stepping stones to this towering achievement

The Quest of Kadji Lin Carter, 2018-03-10 Zarouk aging warrior and grandfather to young Kadji implored the boy to dethrone Prince Yakthodah vile imposter heir to the throne of the Dragon Emperor On Haral his faithful black Feridoon pony and with beautiful redhaired Thyra at his side Kadji rode East to vanquish his foe knowing full well that if he failed to decapitate Yakthodah he would be branded coward and worse
