The Calling of Congregational Leadership Larry L.

McSwain,2013-05-30 Leading is a calling from God but that doesn t mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L McSwain s forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three

pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church s potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world Caring For the South Asian Soul , **Apocalypse** Robert H. Smith,2000 For those searching for a way to demystify the often puzzling book of Revelation or for those seeking a splendid pathway into the Apocalypse this commentary is an extraordinary aid to grasping the central visions and to being grasped by them Albrecht Durer s woodcuts are incorporated together with an introduction that describes both the Seer of Patmos and the artist of Nuremberg and gives a very brief overview of various ways of reading these texts fundamentalist mainline liberation It is followed by a commentary on the book of Revelation accompanied by and keyed to the woodcuts Perspectives in Pentecostal Eschatologies Peter Althouse,Robby Waddell,2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right **Development of Chinese Church Leaders** Otto Lui,2013-06-14 Confucianism and its influence on culture in East Asia has profoundly impacted Chinese churches and the development of their leaders As a cultural force it continues to affect the perceptions and practices of Chinese pastors and how they lead This work seeks to build an indigenous approach to developing church leaders by understanding the theoretical and the situational foundations of relational leadership from both cultural and biblical perspectives The research is further enriched through case studies and interviews observing the practices of leadership in contemporary Chinese churches **Understanding Christian Leadership** Ian Parkinson,2020 Understanding Christian Leadership offers an examination of a distinctly Christian understanding of leadership offering a critical appraisal of insights from secular theories of leadership exploring biblical and other theological insights into the nature and practice of leadership Whilst arguing for a form of leadership which is widely dispersed and collaborative the book seeks to explain the distinctive role of leaders within such a leadership economy It also seeks to establish a proper relationship between sacred and secular leadership thinking tackling some of the common philosophical and theological reservations to do with leadership discourse whilst offering a critical framework for discerning the suitability for the Church of different sources of leadership thinking Designed as core reading for leadership modules currently taught by the author across a large number of training contexts in the UK this book is an indispensable text for those taking undergraduate or postgraduate level qualifications in Christian leadership as well as those in other less formal leadership training contexts Foreword by Justin Welby Archbishop of Canterbury **THE THINKING LEADER** Dr. Ralph J.
