Robinson, Lanette D. Ruff, 2011-12-05 The 1920s saw one of the most striking revolutions in manners and morals to have marked North American society affecting almost every aspect of life from dress and drink to sex and salvation Protestant Christianity was being torn apart by a heated controversy between traditionalists and the modernists as they sought to determine how much their beliefs and practices should be altered by scientific study and more secular attitudes Out of the controversy arose the Fundamentalist movement which has become a powerful force in twentieth century America During this decade hundreds and perhaps thousands of young girl preachers some not even school age joined the conservative Christian cause proclaiming traditional values and condemning modern experiments with the new morality Some of the girls drew crowds into the thousands But the stage these girls gained went far beyond the revivalist platform The girl evangelist phenomenon was recognized in the wider society as well and the contrast to the flapper worked well for the press and the public Girl evangelists stood out as the counter type of the flapper who had come to define the modern girl The striking contrast these girls offered to the racy flapper and to modern culture generally made girl evangelists a convenient and effective tool for conservative and revivalist Christianity a tool which was used by their adherents in the clash of cultures that marked the 1920s      *Catching Fireflies* Patsy Clairmont, 2012-07-16 Looking for a little light reading with life changing truth and ticklish humor This book is for you Popular author and speaker Patsy Clairmont weaves stories and scripture between lasers lighthouses and lamps to illuminate the heart and enliven the spirit Whether you're bored with the routine struggling through a crisis or just ready for a good word Patsy meets you there with vulnerability inspiration and an infectious grin As a daily devotional or weekend read *Catching Fireflies* will light up your day even as it brightens your smile      **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1919 An author subject index to selected general interest periodicals of reference value in libraries      **A Young Mind in a Growing Brain** Jerome Kagan, Norbert Herschkowitz, 2006-04-21 This is a book for developmental neuropsychology courses taught at the undergraduate or graduate level This volume proposes that development is the process of experience working on a brain that is undergoing significant biological maturation      **African Americans at Fort Boonesborough, 1775-1784** Harry G. written about It will surprise no one to learn that the early records and subsequent historical accounts mainly involve the white males who settled there There are biographical sketches for Monk Estill the black Indian Pompey Frederick Hart John Sidebottom and others less well known Our work identifies only a fraction of the pioneer African Americans of Kentucky Many more deserve to be remembered and commemorated *The Lost Prince* Edward Lazellari,2013-08-20 Edward Lazellari brings you *The Lost Prince* and the race to find the missing prince is on In Lazellari s debut fantasy *Awakenings* New York City cop Cal MacDonnell and photographer Seth Raincrest found themselves stalked by otherworldly beings intent on killing them The two had to accept the aid of a mysterious woman to unlock their hidden pasts and what they discovered changed their lives Everything they knew about their lives was an illusion They had in fact travelled to our dimension from the medieval reality of Aandor to hide their infant prince from assassins but upon arriving a freak mishap wiped their memories Cal Seth and the rest of their party were incapacitated and the infant prince was lost Thirteen years later that prince Daniel Hauer is unaware of his origins or that he has become the prize in a race between two powerful opposing factions Cal and Seth s group want to keep Daniel safe The other wants Daniel dead by any means necessary From the streets of New York City to the back roads of rural North Carolina the search for the prince sets powerful forces against each other in a do or die battle for the rule of the kingdom of Aandor Against a backdrop of murder magic and mayhem on the streets of New York City victory goes to the swiftest and the truest of hearts Combines crossover fantasy in the style of Charles de Lint and Mercedes Lackey with urban fantasy reminiscent of Jim Butcher in a hard knocks action tale Library Journal on *Awakenings* **The Violinist** ,1925 **Jacobs' Orchestra Monthly** ,1929 *Mark Lane Express* ,1923
