many contemporary and present day heroes I admire During the process of creating these dolls I got to know every one of them on a deeper level I became familiar not only with their art inspiration or creativity but also their struggles in life and the hard work it has taken to overcome them I've had my personal favorites my own heroes among them long before writing this book but during the months I focused on these amazing artists athletes activists and public figures I managed to fall in love with each and every one of them as I always found something that took my breath away From Josephine Baker's unwavering bravery during World War II and the persistence of Rosa Parks and Malala to the pure inevitable talent of Prince Frida Kahlo and Audrey Hepburn most of these heroes were innovators and revolutionists in their field They were ahead of their time in so many ways But what makes them special for me and perhaps for most of us is that they all made a lasting difference

Cavalcade of Dolls Ruth Sunderlin Freeman, 1978 *Incorrigibles and Innocents* Lara Saguisag, 2018-10-05 Nominated for Eisner Award Winner of the 2018 Ray and Pat Browne Award Winner of the Charles Hatfield Book Prize from the CSS Histories and criticism of comics note that comic strips published in the Progressive Era were dynamic spaces in which anxieties about race ethnicity class and gender were expressed perpetuated and alleviated The proliferation of comic strip children white and nonwhite middle class and lower class male and female suggests that childhood was a subject that fascinated and preoccupied Americans at the turn of the century Many of these strips including R F Outcault's Hogan's Alley and Buster Brown Rudolph Dirks's The Katzenjammer Kids and Winsor McCay's Little Nemo in Slumberland were headlined by child characters Yet no major study has explored the significance of these verbal visual representations of childhood *Incorrigibles and Innocents* addresses this gap in scholarship examining the ways childhood was depicted and theorized in late nineteenth and early twentieth century comic strips Drawing from and building on histories and theories of childhood comics and Progressive Era conceptualizations of citizenship and nationhood Lara Saguisag demonstrates that child characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing expanding nation

**Cultural Diversity Among Twentieth-Century Foragers** Susan Kent, 1996-02-15 This book examines variability within broadly defined African forager societies Foragers have been seen as culturally similar as they all pursue a subsistence strategy emphasising hunting and gathering However new research suggests there may be more diversity among groups than has been acknowledged Here leading scholars contrast groups within forager societies Chapters range in scope from symbolic to ecological and behavioural providing invaluable data on hunter gatherer life for anyone concerned with past or present foragers

material culture which focuses primarily on women as consumers this essay collection provides case studies of women who produced material objects The essays collected here make an original contribution to material culture studies by focusing on women s social practices in relation to material culture The essays as a whole are concerned with women s complex and active engagement with material culture in the various stages of the material object s life cycle from design and production to consumption use and redeployment Also theorized and described are the ways in which women engaged in meaning making identity formation and commemoration through their manipulation of materials and techniques ranging from taxidermy and shell work to collecting autographs and making scrapbooks This volume takes as its object of investigation the overlooked and often despised categories of women s decorative and craft activities as sites of important cultural and social work This volume is interdisciplinary with essays by art historians social historians literary critics rhetoricians and museum curators The scope of the volume is international with essays on eighteenth century German silhouettes Australian aboriginal ritual practices Brittany mourning rites and Soviet era recipes that provide a comparative framework for the majority of essays which focus on British and North American women who lived and worked in the long nineteenth century This volume will appeal to a broad range of students and scholars in women s history art history cultural studies museum studies anthropology cultural and social history literature rhetoric and material culture studies

Cross,1999-11-15 To sort out who s who and what s what in the enchanting vexing world of Barbies R and Ninja Turtles R Tinkertoys R and teddy bears is to begin to see what s become of childhood in America It is this changing world and what it unveils about our values that Gary Cross explores in Kids Stuff a revealing look into the meaning of American toys through this century Early in the 1900s toys reflected parents ideas about children and their futures Erector sets introduced boys to a realm of business and technology while baby dolls anticipated motherhood and building blocks honed the fine motor skills of the youngest children Kids Stuff chronicles the transformation that occurred as the interests and intentions of parents children and the toy industry gradually diverged starting in the 1930s when toymakers marketing playthings inspired by popular favorites like Shirley Temple and Buck Rogers began to appeal directly to the young TV advertising blockbuster films like Star Wars R and Saturday morning cartoons exploited their youthful audience in new and audacious ways Meanwhile powerful social and economic forces were transforming the nature of play in American society Cross offers a richly textured account of a culture in which erector sets and baby dolls are no longer alone in preparing children for the future and in which the toys that now crowd the racks are as perplexing for parents as they are beguiling for little boys and girls Whether we want our children to be high achievers in a competitive world or playful and free from the worries of adult life the toy store confronts us with many choices What does the endless array of action figures and fashion dolls mean Are children or parents the dupes of the film television and toy industries with their latest fads and fantasies What does this say about our time and what does it bode for our future Tapping a vein of rich cultural history Kids Stuff exposes the serious business
