Sex And Racism In America:

Sex and Racism in America Calvin C. Hernton, 1965 Sex and Racism in America Calvin C. Hernton, 1965 The African-American Bookshelf Clifford Mason, 2003 Featuring profound insight and thought provoking commentary a literary tour through the history of Black America presents the best books ever written by African American writers including works by Ralph Abernathy Eldridge Cleaver WEB Du Bois Ralph Ellison Malcolm X and Paul Robeson Jr **Sexual Racism and Social Justice** Denton Callander, Panteá Farvid, Amir Baradaran, Thomas A. Vance, 2024 This book brings together a collection of research personal reflection and creative work to provide a comprehensive in depth account of sexual racism from an international and interdisciplinary perspective The volume makes the case that sexual racism is in the very foundations of our societies determining the ideas bodies and systems positioned as desirable From this provocative perspective Sexual Racism and Social Justice offers a new understanding of the relationship between sex and race arguing that to undoes whiteness is to help undo sexual racism which are essential steps in the meaningful advancement of social justice *Sex and Racism in America* Vincent Brome, 1965 **The Browning of America and the Evasion of Social Justice** Ronald R. Sundstrom, 2008-10-09 Considers the effects of the browning of America on philosophical debates over race racism and social justice **Interracial Intimacy** Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage **Sex, Love, Race** Martha Hodes, 1999 Since the colonial era North America has been defined and continually redefined by the intersections of sex violence and love across racial boundaries Motivated by conquest economics desire and romance such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality Sex Love Race provides a historical foundation for contemporary discussions of sex across racial lines which despite the numbers of interracial marriages and multi racial children remains a controversial issue today The first historical anthology to focus solely and widely on the subject Sex Love Race gathers new essays by both younger and well known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes Traversing the whole of American history from liaisons among Indians Europeans and Africans to twentieth century social scientists fascination with sex between Asian Americans and whites the essays cover a range of regions and of racial ethnic and sexual identities in North America Back cover Sex and Racism in America. Sex and Racism Calvin C. HERNTON, 1969 Revealing Male Bodies Nancy Tuana, William Cowling, Maurice Hamington, Greg Johnson, 2002-05-06 Revealing Male

Bodies is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men's studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies **Revealing Male Bodies** addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Björn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern

Sexualities in American Culture Alfred Hornung, 2004 Some of the articles were presented at a conference which took place at the Pflazakademie in Lambrecht in 1999

And We Are Not Saved Derek Bell, 2008-08-01 A distinguished legal scholar and civil rights activist employs a series of dramatic fables and dialogues to probe the foundations of America's racial attitudes and raise disturbing questions about the nature of our society

The Anatomy of Prejudices Elisabeth Young-Bruehl, 1996 Among the many forms of prejudice Young Bruehl pays particular attention to four antisemitism racism sexism and homophobia which she exposes in their distinctiveness and their similarities

Amalgamation Schemes Jared Sexton, 2008 In this analysis Sexton pursues a critique of contemporary multiracialism from the splintered political initiatives of the multiracial movement to the academic field of multiracial studies to the melodramatic media declarations about the browning of America He contests the rationales of colorblindness and multiracial exceptionalism and the promotion of a repackaged family values platform in order to demonstrate that the true target of multiracialism is the singularity of blackness as a social identity a political organizing principle and an object of desire From this vantage Sexton interrogates the trivialization of sexual violence under chattel slavery and the convoluted relationship between racial and sexual politics in the new multiracial consciousness

BOOK JACKET The Dialectic of Sex Shulamith Firestone, 2003-03-05 No one can understand how feminism has evolved without reading this radical inflammatory second wave landmark Naomi Wolf Originally published in 1970 when Shulamith Firestone was just twenty five years old and going on to become a bestseller **The Dialectic of Sex** was the first book of the women's liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the granting of the vote to women in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Identifying women as a caste she declares that they must seize the means of reproduction for as long as women and only women are required to bear and rear children they will be singled out as inferior Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal In the wake of recent headlines bemoaning women's squandered fertility and the ongoing debate over the

appropriate role of genetics in the future of humanity The Dialectic of Sex is revealed as remarkably relevant to today's society a testament to Shulamith Firestone's startlingly prescient vision Firestone died in 2012 but her ideas live on through this extraordinary book A must have for those interested in feminist theory both past and present Kathleen Hanna founding member of the Riot Grrrls movement *Sex and Racism* Calvin C. Hernton, 1969 **Human Sexuality and Social Work** Harvey L. Gochros, LeRoy G. Schultz, 1972 **Radical Feminism** Barbara A. Crow, 2000-02 This text permits the original work of radical feminists to speak for itself Comprised of pivotal documents written by US radical feminists the book contains both unpublished and previously published material **Constructing Masculinity** Maurice Berger, Brian Wallis, Simon Watson, 2012-09-10 This anthology takes us beyond the status of masculinity itself questioning society's and the media's normative concepts of the masculine and considering the extent to which men and women can transcend these stereotypes and prescriptions Foucault's Futures Penelope Deutscher, 2017-04-04 In Foucault's Futures Penelope Deutscher reconsiders the role of procreation in Foucault's thought especially its proximity to risk mortality and death She brings together his work on sexuality and biopolitics to challenge our understanding of the politicization of reproduction By analyzing Foucault's contribution to the politics of maternity and its influence on the work of thinkers such as Roberto Esposito Giorgio Agamben and Judith Butler Deutscher provides new insights into the conflicted political status of reproductive conduct and what it means for feminism and critical theory
