Sex And The Sacred:

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

The Sacred Sex Bible Cassandra Lorus, 2011-11 The Sacred Sex Bible is a comprehensive illustrated guide to sex and spirituality which looks at historical and cultural currents in sexuality and the influence of both Western and Eastern traditions From pagan rites to neo Tantra Tantra in the West there are examples of sexual practice and rituals along with exercises on breathing and visualization as pathways to sacred sex or blissful union with the divine

Sacred Sex Tim Alan Gardner, 2009-01-16 For years Christians have been told that sex is God s creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple s sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness Sacred Sex shows how they can experience a

Love, Sex & Transcendence Shadi Alam M.D.,2015-12-18 I am afflicted by an uncommon ailment I let my heart decide what to love and only then does my mind follow Love Sex Transcendence Romantic relationships are a vast source for spiritual growth but are often the first areas of our lives that succumb to deeply entrenched egoic beliefs These false beliefs which we developed in childhood for the purpose of our physical survival become the basis for how we view ourselves and our partners keeping us stuck in repetitive patterns that prevent our ability to truly thrive no matter how much effort we devote to other spiritual pursuits In Love Sex Transcendence Dr Alam utilizes poetry coupled with short essays to help you re connect to the ultimate source of love your inner self Building on this connection she guides you through the intensity of eroticism by exploring both the masculine and feminine aspects of sexuality Finally she takes you to the peak of transcendence itself tying it all together to expose who you truly are an exquisite spiritual being endowed with the potential to create a romantic partnership that is equally loving passionate and transformational Sex With God: Meditations on the Sacred Nature of Sex in a Post-purity-culture World Suzanne DeWitt Hall,2020-07-24 Involving God in your sex life may sound scandalous but sexuality was designed by our creator and is saturated with the very being of God So why not invite the divine in The concept may feel awkward at first because we ve been trained by purity culture and centuries of mistrust of our bodies and our desires But God wants to be part of all we do God is already there when you are naked with your beloved God is within you and within them and between you both Be brave Enter into that presence You have the power to transform sex into worship of God with God *Sacred Sexuality* Michael Mirdad,2023-06-18 coming soon The Cosmic Embrace John Stevens,1999 Here is a survey through art from around the world of the sacred dimension of sexuality It demonstrates

beyond a doubt that the notion of sexual relationships as something honorable nonpossessive fulfilling and beneficial is nothing new nor is the idea limited to the traditions of the mystic East John Stevens shows how world sexual traditions have always had the spiritual as their highest goal His survey looks at art from China India Native American traditions ancient Europe Japan the South Pacific Southeast Asia Tibet Greece Africa and Mexico as well as art by modern artists like Eric Gill The book includes an extensive bibliography
