Sex Fantasies By Women For Women:

Sex Fantasies by Women for Women Lisa Sussman, 2003 This collection of real women's sexual fantasies makes for a hot read and a unique insight into the desires of today's women. Compiled by New York magazine Journalist Lisa Sussman, *Hot Sex Fantasies By Women For Women* is a provocative collection of erotic fantasies, day dreams and confessions from anonymous women on both sides of the Atlantic. Anonymity allows these women to tell the naughtiest what-if scenarios as well as some of their innermost secret wishes, the sorts of stories that just don't usually get shared, not even with a best friend. With all the thrills and spills characteristic of *Sex and the City*, this eye-opening book is arranged in themes corresponding to some of the areas the contributors kept coming back to: Anonymous encounters, sex with a stranger, He made me do it, losing control, Sex with a woman, Voyeurs and attention seekers watching others and being watched, Threesomes and group sex, Fetishism, something for everyone, Getting away with it, sex with someone you shouldn't. The collection can be read alone as a sexy pleasure just for yourself or to read aloud with the one you love to spur your sex life to new heights.

Garden of Desires Emily Dubberley, 2013-09-12 Female sexual fantasy began in 1973 with Nancy Friday's multi-million-selling collection of real women's fantasies *My Secret Garden*. Until that book was published, female sexual fantasy did not exist, not even within the pages of *Cosmopolitan*, their opinion at the time being: Women do not have sexual fantasies, period. Men do. Friday's book changed all that. Now, exactly forty years on from Friday's masterpiece, leading sex writer Emily Dubberley is curating a brand new female fantasy classic for the modern era. It's a post *Fifty Shades*, post *Sex and the City* world, and in *Garden of Desires*, hundreds of real women share details of their most private thoughts. This is an exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red-hot and completely original. And they're going to make your heart beat faster and make headlines nationwide.

My Secret Garden Nancy Friday, 2013-11-18 The #1 New York Times bestselling author's groundbreaking work on women's sexual fantasies. Publishers Weekly First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation, from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time and is still relevant to millions of women throughout the world. The author, whose books about gender politics helped redefine American women's sexuality, *The New York Times*

Aspects Of Sexuality Biological Spiritual Psychological And Sociocultural Are Presented Factually And Impartially

Begging for Sex John Pepple, 2012-08-06 This book is a manifesto for shy males who are uncomfortable in the sexually aggressive role That role specifies that men must make the advances while women get to remain passive For shy males gender equality has been a cruel joke since not only do these roles still exist the male role has been made even more annoying by the actions of feminists who have no idea what agonies shy men experience This book promotes the elimination of these roles which despite what feminists believe more men than women are in favor of But this book is more than a manifesto for it also presents a theory of gender that is neither traditionalist nor feminist Social differences between men and women do not go back either to genes or to dominance in men and submissiveness in women but to sexual aggressiveness in men and passivity in women A major implication of this theory is that male sexuality which is seen as a big problem in sexual misconduct is not the real culprit at all It is aggressive sexuality that is the culprit Ultimately this book shows what gender equality from the other side from the male perspective looks like
