Sigal, Florence L. Denmark, 2013-08-27 Sexual assault sex trafficking and child abuse affect millions of women and girls globally each year This two volume set covers a broad scope of topics from violence against girls before birth in childhood and throughout women s adult lives Millions of women around the world some data suggests as many as three in every four women face violence against them throughout their lifetimes The incidences range from the earliest stages of life with infanticide to child trafficking sexual assault and domestic violence to the end of life by elder abuse This two volume set provides a comprehensively broad treatment of the global problem of violence against women addressing less commonly discussed subjects such as domestic violence in lesbian couples abuse within the context of war crimes and the incidence of violence and abuse against women internationally as compared to within the United States **The Wrong Prescription for Women** Maureen C. McHugh, Joan C. Chrisler, 2015-07-14 This groundbreaking book challenges the medicalized approach to women s experiences including menstruation pregnancy and menopause and suggests that there are better ways for women to cope with real issues they may face Before any woman diets douches botoxes reduces reconstructs or fills a prescription for antidepressants statins hormones menstrual suppressants or diet pills she should read this book Contesting common medical practice the book addresses the many aspects of women s lives that have been targeted as deficient in order to support the billion dollar profits of the medical pharmacological industry and suggests alternatives to these remedies The contributors psychologists sociologists and health experts are also gender experts and feminist scholars who recognize the ways in which gender is an important aspect of the human experience In this eye opening work they challenge the marketing and science that increasingly render women s bodies and experiences as a series of symptoms

diseases and dysfunctions that require treatment by medical professionals who prescribe pharmaceutical and surgical interventions Each article in the book addresses the marketing of a specific condition that has been constructed in a way that convinces a woman that her body is inadequate or her experience and behavior are not good enough Among the topics addressed are menstruation menopause pregnancy post partum adjustment sexual desire weight body dissatisfaction moodiness depression grief and anxiety

Contesting Illness Pamela Moss, Kathy Teghtsoonian, 2008-02-16 The relationship between power and illness is the subject of limited discussion despite it being one of the most important issues in health related policies and services In an effort to correct this *Contesting Illness* engages critically with processes through which the meanings and effects of illness shape and are shaped by specific sets of practices Featuring original contributions by researchers working in a number of disciplines this collection examines intersections of power contestation and illness with the aid of various critical theoretical frameworks and methodological approaches The contributors explore experiences of illness diagnosis and treatment and analyse wider discursive and policy contexts within which people become ill and engage with health care systems Though each essay is unique in its approach they are linked together by a shared focus on contestation as a conceptual tool in considering the relationship between power and illness Rather than focus on a single example the contributors address different contested illnesses chronic fatigue syndrome and environmental illness for instance as well as the contested dimensions of illnesses that are accepted as legitimate such as cancer and autism *Contesting Illness* offers valuable insights into the assumptions practices and interactions that shape illness in the twenty first century Contributors Jan Angus Pia H B low Peter Conrad Joyce Davidson Helen Gremillion Maren Klawiter Joshua Kelley Steve Kroll Smith Katherine Lippel Pamela Moss Michael Orsini Michael J Prince Annie Potts Mary Ellen Purkis Sharon Dale Stone Cheryl Stults Katherine Teghtsoonian Jane M Ussher Catherine van Mossel

Davis, 2013-11-12 Drawn from a brilliant array of voices primarily from psychology but also from other social sciences and humanities this unique reader of creative and intellectually provocative essays investigates the social construction of gender For the past several decades those involved with the study of the psychology of women and gender have been struggling for recognition within the framework of psychology This volume brings together the writings from psychology philosophy psychoanalysis history women s studies education and sociology that critique mainstream thinking and exemplify new ways of creating inquiry

Impotence Angus McLaren, 2008-09-15 As anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in *Impotence* the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way *Impotence* enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI s failure to consummate his marriage to the boost given the fledgling American republic by George Washington s failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies *Impotence* is a serious but highly entertaining examination of a problem that humanity has simultaneously regarded as life s greatest tragedy and its greatest joke

The Pleasure Gap Katherine Rowland, 2020-02-04 American culture is more sexually liberal than ever But compared to men women s sexual pleasure has not grown Up to 40 percent of American women experience the sexual malaise clinically known as low sexual desire Between this low desire muted pleasure and experiencing sex in terms of labor rather than of lust women by the millions are dissatisfied with their erotic lives For too long this deficit has been explained in terms of women s biology stress and age In *The Pleasure Gap* Katherine Rowland rejects the idea that women should settle for diminished pleasure instead she argues women should take inequality in the bedroom as seriously as we take it in the workplace and

understand its causes and effects Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture s troubled relationship with women s sexual expression This provocative exploration of modern sexuality makes a case for closing the gap for good *Not Drowning But Waving* Susan Brown, Jeanne Perreault, Jo-Ann Wallace, Heather Zwicker, 2011-08-15 Not Drowning but Waving gestures both at the difficulties faced by feminists in the humanities in Canada and at the possibilities of hope of new waves of feminism Twenty two essays explore topics such as feminism in the liberal arts disciplines the relationship of the liberal arts to the larger university the costs and rewards for women in administration the corporatization of university campuses intergenerational and transcultural tensions within feminist communities balancing personal life with professional aspirations the relationship of feminism to cultural studies women social justice and the liberal arts Not Drowning But Waving is a welcome progress report on the variety of feminisms at work in academe and beyond It provides crucial insights for university administrators faculty and literate non specialists interested in the Arts and Humanities **Psychology, Mental Health and Distress** John Cromby, David Harper, Paula Reavey, 2017-09-16 Is depression simply the result of chemical imbalances or Schizophrenia a wholly biological disorder What role do the broader circumstances of an individual s social cultural and heuristic world play in the wider scheme of their psychological wellbeing In this ground breaking and highly innovative text Cromby et al deliver an introduction to the the biopsychosocial paradigm for understanding and treating psychological distress taking into consideration the wider contexts that engender the onset of mental illness and critiquing the limitations in the sole use of the biomedical model in psychological practice Rather than biologically determined or clinically measurable readers are encouraged to consider mental illness as a subjective experience that is expressed according to the individual experiences of the sufferer rather than the rigidity of diagnostic categories Similarly approaches to recovery expand beyond psychiatric medication to consider the fundamental function of methods such as psychotherapy community psychology and service user movements in the recovery process Offering a holistic account of the experience of psychological distress this text draws upon not only statistical evidence but places an integral emphasis on the service user experience anecdotal accounts of which feature throughout in order to provide readers with the perspective of the mental health sufferer Taking an integrative approach to the psychology of mental health the authors draw from a wealth of experience examples and approaches to present this student friendly and engaging text This is core reading for anyone serious about understanding mental health issues and is suitable for undergraduate students taking introductory courses in psychology and abnormal psychology

Sexuality, Disability, and Aging Jane Gallop, 2018-12-13 Drawing on her own experiences with late onset disability and its impact on her sex life along with her expertise as a cultural critic Jane Gallop explores how disability and aging work to undermine one s sense of self She challenges common conceptions that equate the decline of bodily potential and ability with

a permanent and irretrievable loss arguing that such a loss can be both temporary and positively transformative With Sexuality Disability and Aging Gallop explores and celebrates how sexuality transforms and becomes more queer in the lives of the no longer young and the no longer able while at the same time demonstrating how disability can generate new forms of sexual fantasy and erotic possibility *The Therapist's Notebook Volume 3* Catherine Ford Sori, Lorna L. Hecker, 2008-06-10 The Therapist's Notebook Volume 3 includes clinician field tested activities for therapists who work with individuals children and adolescents couples families and groups The reproducible handouts are designed to be practical and useful for the clinician and cover the most salient topics that counselors are likely to encounter in their practices with various theoretical approaches Each chapter includes a Reading and Resources for the Professional section that guides readers toward useful books videos or websites that will further enhance their understanding of the chapter contents This book is an excellent tool for both experienced and novice counselors for increasing therapeutic effectiveness **Sex Before the Sexual Revolution** Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives *Sexuality Education in Postsecondary and Professional Training Settings* James Wm Maddock, 2014-01-14 Sexuality Education in Postsecondary and Professional Training Settings keeps you up to date on the trends and issues in sexuality education in colleges universities and professional training institutions A diverse group of authors all experienced sexuality educators offers summary information critical commentary thoughtful analysis and projections of future trends in sexuality education in postsecondary settings This keeps you current on the status of sexuality education and will move you to consider a variety of concerns and challenges in designing and implementing sexuality education courses and programs Finally the chapters present you with valuable resources ranging from historical references to contemporary website information Beginning with an historical perspective on twentieth century sexuality education Sexuality Education in Postsecondary and Professional Training Settings includes information on the nature and extent of sexuality education in contemporary colleges and universities as well as in institutions training teachers clergy and physicians The book's expert authors analyze undergraduate curricular and pedagogical issues as well as problems in classroom climate and the challenges of meeting objectives for behavioral change Specific topics you learn about include

guidelines for teaching undergraduate sexuality courses with a focus on philosophical issues how to develop objectives and implement teaching strategies print media and Internet resources for teaching and commentary on controversial issues effects of various workshops on the contraceptive related attitudes and behaviors of college students sexuality education and HIV AIDS prevention education in teacher preparation institutions perceptions of faculty regarding curriculum and approaches to sexuality education in clergy training institutions sexuality education in medical school curricula in the U S and Canada Sexuality Education in Postsecondary and Professional Training Settings is a valuable guide for sexuality educators in postsecondary settings and educators in corollary areas such as health education educational psychology family education or curriculum development Also an informative and useful text for scholars researchers professionals and students in the fields of sexuality education behavioral sciences applied social sciences and social policy this book presents a variety of philosophical and methodological approaches to vital issues ranging from qualitative phenomenological and interpretive methods to quantitative analyses to critical essays *The Sexual Self* Michael S.
