YORK TIMES BOOK REVIEW Still the strongest history of punk GUARDIAN The best book about punk rock and pop culture ever NME **SPIN**, 1991-04 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **Banned in the UK** Tryve Mathisen, 2012-05-23 Enjoy a rock music time travel to the seventies This unusual elegant ebook about the legendary Sex Pistols concert at Pingvin Club in Oslo July 20 1977 contains witness reports from the gig after parties press conference and the complete list of spectators Besides first hand re tale of the actual gig and great analyses of the Sex Pistols philosophy and influence on the music business the ebook presents lots of previously unpublished photos of the band The Life of Ian Curtis: Torn Apart Lindsay Reade, 2009-11-05 Joy Division s vocalist Ian Curtis tragically took his own life in 1980 leaving behind just two haunting albums and a depleted band that would famously evolve into New Order Over twenty five years later the cult surrounding Curtis shows no signs of fading Fans make regular pilgrimages to his hometown of Macclesfield and to Manchester where the legacy of Joy Division and Factory Records has passed into legend The authors of this biography are uniquely qualified to reveal the extraordinary events surrounding Ian Curtis Mick Middles was the first journalist to interview Joy Division for the music press and formed a close association with the band Lindsay Reade was a co founder of Factory Records along with her then husband Tony Wilson Together Middles and Reade have revisited the legend of Ian Curtis and produced the first full length account of this troubled man s life work and relationships in the midst of the unique explosion of pop energy that hit Manchester in the late Seventies Includes many previously unpublished photographs from private collections Policing Pop Martin Cloonan, Reebee Garofalo, 2009 Fans and detractors of popular music tend to agree on one thing popular music is a bellwether of an individual s political and cultural values In the United States for example one cannot think of the counterculture apart from its music For that reason in virtually every country in the world some group identifies popular music as a source of potential danger and wants to regulate it Policing Pop looks into the many ways in which popular music and artists around the world are subjected to censorship ranging from state control and repression to the efforts of special interest or religious groups to limit expression The essays collected here focus on the forms of censorship as well as specific instances of how the state and other agencies have attempted to restrict the types of music produced recorded and performed within a culture Several show how even unsuccessful attempts to exert the power of the state can cause artists to self censor Others point to material that taxes even the most liberal defenders of free speech Taken together these essays demonstrate that censoring agents target popular music all over the world and they raise questions about how artists and the public can resist the narrowing of cultural expression Punk Revolution! John Malkin, 2023-06-15 The most wide ranging and provocative look at punk rock as a

social change movement told through firsthand accounts Punk rock has been on the front lines of activism since exploding on the scene in the 1970s Punk Revolution is a reflection on this cultural movement over the past 45 years told through firsthand accounts of hundreds of musicians and activists John Malkin brings together a wide cast of characters that include major punk and postpunk musicians members of The Ramones Bad Religion Crass Dead Kennedys Patti Smith's band Gang of Four Sex Pistols Iggy the Stooges Talking Heads The Slits and more important figures influenced by the punk movement Noam Chomsky Kalle Lasn Keith McHenry Marjane Satrapi Laurie Anderson and Kenneth Jarecke and underground punk voices These insightful radical and often funny conversations travel through rebellions against Margaret Thatcher Ronald Reagan Donald Trump and Vladimir Putin to punk activism that has taken on nuclear war neoliberalism modern warfare patriarchy white supremacy the police settler colonialism the climate crisis and more The result is a fresh and unique global history of punk throughout the ages *The Damned - The Chaos Years: An Unofficial Biography* Barry

Hutchinson, 2017-04-21 Written by longtime fan and author of the popular Damned website Barry Hutchinson celebrates the band's first 20 years often referred to as the chaos years *The Clash* Marcus Gray, 2004-10-01 Revised and updated to cover the Clash's induction into the Rock and Roll Hall of Fame and the band members post Clash careers The Clash Return of the Last Gang in Town now includes the first full account of Joe Strummer's Wilderness Years his triumphant comeback with the Mescaleros and his sudden and tragic early death Extensively revised and updated from both its 1995 and 2001 incarnations The Clash traces the band members progress from dispiriting rehearsals in damp London basements to packed American stadiums A fascinatingly detailed account of the first band to take punk's radical politics to the masses and survive for a decade against all the odds it also offers an intriguing investigation into the gap between rock mythology and rock reality **The Anarchy Tour** Mick O'Shea, 2012-11-20 The Anarchy in the UK Tour should have just been a collection of

twenty gigs like any other spanning venues across the UK It was December 1976 and a coach drove off down a London street like any other On board were the Sex Pistols The Clash and The Heartbreakers while The Damned who were also on the bill followed behind However two days earlier on the Today Show tour the Sex Pistols had lit a fire in the popular consciousness What should have been an inconsequential three minute interview descended into farce when the show's host goaded Sex Pistols guitarist Steve Jones into saying something outrageous Local councils began to ban the tour and agreed Most of these groups would be vastly improved by sudden death Author Mick O'Shea dissects the whirlwind that followed these punk rock heavyweights and the sheer force of their rebellion against popular culture He has interviewed band members managers roadies and audiences to tell the true story of how anarchy once gripped the nation **Who Shot Rock and Roll** Gail Buckland, 2009-10-20 More than two hundred spectacular photographs sensual luminous frenzied true from 1955 to the present that catch and define the energy intoxication rebellion and magic of rock and roll the first book to explore the photographs and the photographers who captured rock's message of freedom and personal reinvention and to examine the

The Peel Sessions Ken Garner,2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion for finding and encouraging new music Includes a full sessionography listing songs

band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me
