**The Strange Woman** Gail Corrington Streete, 1997-01-01 In the worlds of ancient Israel and early Christianity political and religious laws limited women's options But some women created options by participating in adultery prostitution and other sexual variances thus resulting in a kind of independence not available to other women These actions subverted the social system leading to punishment for some women and power for others

**Sex Texts from the Bible**, 2007 A fresh look at the Bible reveals a richness of insight about sex and sexuality For some people the Bible's perspectives on sex may seem too one dimensional or antiquated to apply to modern day life Others may hold up the Bible as the ultimate moral guideline when it comes to sex and human sexuality A close reading of the Bible reveals that while its rules and lessons about sex and sexuality may not be applicable to all people at all times this sacred scripture does offer surprising insight into our modern sexual lives This intriguing guide demystifies the Bible synthesizing basic historical theological literary and linguistic ideas about the Bible's texts with our modern attitudes about sex Thoughtful new translation and provocative commentary bridge the divide between biblical authority and our present day views on gender roles marriage sexual orientation virginity lust and sexual pleasure Drawing from Hebrew and Christian scripture it examines the ways that the language of religion and the language of sex intersect Now you can discover what the Bible says about sex with no previous background in theology or religious history This SkyLight Illuminations edition offers insightful and engaging commentary that explains the historical context and religious worldviews of those who wrote the Bible as well as the role their perspectives play in current social debates You will be encouraged to form your own opinion about what the Bible has to say about sex and gain a deeper understanding of your own sexuality

**Sex in the Bible** Evan P. Turner, 2015-10-12 What is the Christian view of sex What about God's view Are you surprised to know that the two might not line up Stepping away from religious tradition *Sex in the Bible* compares scripture to scripture to find out exactly what God has to say about human sexuality and what it reveals may shock you Providing a technical and thorough explanation of his findings author Evan P Turner begins his in depth study by clearly defining what sin is according to the Bible so as to make

evident what is not sin Is masturbation wrong What does God think of divorce Is it okay for single people to have sex Navigating these controversial questions along with many more the author points out key words and explains the significance of certain Hebrew and Greek terms to further elucidate what the Bible actually says about any given topic Though there are certainly forbidden acts you will begin to see that God actually offers a surprising amount of freedom when it comes to sex Discover the life giving truth about sex in this revolutionary study of the Bible *What the Bible Really Does (and Doesn't) Say about Sex* Matthew O'Neil,2015 A biblically based counter to the arguments made by the Christian right in debates over gay marriage women s rights contraception and abortion People are constantly judged for their sexual choices their frequency of sexual activity their selection of partners and their decisions regarding birth control and much of this judgment stems from the element of culture perhaps most preoccupied with sex religion What the Bible Really Does and Doesn't Say about Sex addresses this often unhealthy and troublesome relationship between sex and religion Focusing principally on Christianity it examines the arguments religious moralizers and sanctimonious politicians make to condone or condemn certain sexual practices and lifestyles But do they even get it right What does scripture really say about the how when why and with whom of sex Is homosexuality really an abomination Is abortion murder Is premarital sex a sin The answers may surprise you the Bible does not always make the claims those who wave it passionately in the air say it does In fact the Bible often says nothing at all about many of the practices and lifestyles the faithful argue so vociferously for or against By setting the biblical record straight this book offers highly compelling arguments for those who want to keep religion off their bodies and out of their bedrooms It also reminds puritanical crusaders that before they thump their Bible on street corners or in campaign speeches they should perhaps read and understand it first What Does the Bible Say About Sex? Kay Arthur,David Lawson,BJ Lawson,2009-07-21 Does God really care about your sex life In a culture saturated with sex many find it hard to believe the Creator of the universe cares about this facet of their lives Others are confused about where to draw the line to avoid going too far Married or single you need to know what God says about sex After all He s the one who designed this priceless gift and set clear boundaries to protect it This candid study will help you weigh the messages of our culture against the truth of God s Word As you learn about the Designer s original intent for sex you ll gain valuable insights to guide your daily choices **Sex in the Bible** J. Harold Ellens,2006-03-30 What is the Bible s stance on such controversial issues as homosexuality and polygamy What does it have to say about sexual behaviors that some would deem perverted or criminal Is sex always wrong if it is not used to create life Ellens answers these and other questions in a book that argues that our understanding of what the Bible has to say about sex is frequently misguided He corrects our impressions with a look at the Scriptures themselves considers what they might have meant to people in the past and reflects on how we understand or misunderstand them today Focusing on early interpretations and contemporary misconceptions Ellens guides readers through what the Bible actually says showing how these messages have been interpreted in different contexts and

suggesting new ways of reading and translating them for use in our own lives Readers hoping to reach a better understanding of the Bible's views on sexual practices and sexuality in general will find their questions answered here What does the story of Adam and Eve reveal about sex and sexuality What does the Old Testament say about sex and how might we interpret that in our own lives today How does the New Testament say we should behave in our sexuality and our lives What lessons can we learn from a closer examination of the Bible and its teachings on human love marriage and sexuality These are among the many questions Ellens answers in an effort to help us all come to a better understanding of the gift of sexuality and its attendant behaviors in our lives In non judgmental prose he elucidates the Bible and our understanding of its teaching on these and related issues *The Bible's Yes to Same-Sex Marriage* Mark Achtemeier, 2014-06-01 In the early 2000s Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church In *The Bible's Yes to Same Sex Marriage* Achtemeier shares what led to his change of heart the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian gay bisexual and transgender LGBT community Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love marriage and sexuality for gay and straight people alike *The Bible's Yes to Same-Sex Marriage, New Edition with Study Guide* Mark Achtemeier, 2015-08-28 In the early 2000s Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church In *The Bible's Yes to Same Sex Marriage* Achtemeier shares what led to his change of heart the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for LGBT persons Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message for gay people Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love marriage and sexuality for gay and straight people alike This new edition includes a study guide and a new introduction from the author that reflects on the U S Supreme Court ruling and changes within the church Perfect for groups or self reflection the study guide directs readers over four sessions to explore both Achtemeier's book and the Bible *Sex and the Sacred* Daniel A. Helminiak, 2006 This is an examination of the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and a belief in God The author looks at the relationship between spirituality and sexuality from both a humanistic and more familiar Christian point of view **Women, Sex and the Bible** C. Thomas Dennis, 2003-06 **God and Sex** Michael Coogan, 2010-10-01 An examination of sex and the Bible by one of the leading biblical scholars in the United States For several decades Michael Coogan's introductory course on the Old Testament has been a perennial favorite among

students at Harvard University In God and Sex Coogan examines one of the most controversial aspects of the Hebrew Scripture What the Old Testament really says about sex and how contemporary understanding of those writings is frequently misunderstood or misrepresented In the engaging and witty voice generations of students have appreciated Coogan explores the language and social world of the Bible showing how much innuendo and euphemism is at play and illuminating the sexuality of biblical figures as well as God By doing so Coogan reveals the immense gap between popular use of Scripture and its original context God and Sex is certain to provoke entertain and enlighten readers **The Law of Love** Wylark Day,2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1Corinthians 8 2And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is bestbecause it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine **Biblical Sex: Bible Truth About Sexual Ethics** BiblicalSex.org,2023-07-26 Struggling with sexual shame and guilt Or with what scripture says about porn masturbation and lust Learn Bible truth from experts that will give your conscience the freedom God intended Are you tired of fighting a never ending battle for sexual purity Do you wonder how far is too far when it comes to sex Does true freedom from sexual sin even seem possible If you ve wondered about questions like these then Jesus is your answer He gives you his holiness and frees you from sexual moralism And he does that not by your own best efforts to maintain pure desires but rather simply through your belief in the truth of his Word Biblical Sex Bible Truth About Sexual Ethics is a Gospel centered look at the specific words language concepts principles and theology of the body found in scripture Written in an honest pragmatic style this book will challenge your assumptions about sex even transforming the way you think and understand your own freedoms in Christ The truth of Jesus is what will liberate you from religious moralism In Biblical Sex Bible Truth About Sexual Ethics you ll discover How the word lust in the Bible can be misleading Why the vague term sexual immorality is problematic Why most Christians condemn all types of porn and masturbation but God does not Why much of the problem with pornography is the way we think about it How shaming and unnecessary prohibition often lead to addiction like problems and much more Biblical Sex Bible Truth About Sexual Ethics is a great resource for porn or sex addiction recovery groups as well as for Christian premarital and marriage counseling You can live free from the bondage of moralistic purity and sexual shame Get your copy of Biblical Sex Bible Truth About Sexual Ethics today *The Sex Texts* Arthur L.,2013-09-16 For all intent virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia It follows then that we take for evident truths for example our views on the Creator and creation s sexuality gender issues and human relationship concerns may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of

the original text and intent of Jesus Christ and the Bible authors Now isn't the mere chance of that being true too scary The Sex Texts Sexuality Gender and Relationships in the Bible by L Robert Arthur raises just that possibility despite the strong likelihood of facing stiff criticism from many sectors mostly of the established Catholic persuasion Yet those inclined to know the true message of Jesus Christ and his closest disciples may well take heed to scrutinize at the very least what Robert is trying to point out in his work The Sex Texts Sexuality Gender and Relationships in the Bible promises to raise a storm but the public debate it could engender may yet start a new direction for the rest of humanity
