Sex And Commonsense:

Sex and Common-sense Agnes Maude Royden,1922 Sex and common-sense A Maude Royden,1922 *Sex and Common-Sense* A. Maude Royden,2015-06-29 The Sacramental Theology of Sex and Love It is part of the amazing originality of Christ that there is to be found in his teaching no word whatever which suggests a difference in the spiritual ideals the spheres or the potentialities of men and women Maude Royden I believe indeed that if men and women understood each other a little better they would hurt each other a good deal less But I am persuaded that we shall not even begin to reach a wise morality so long as we persist in basing our demands on the imbecile assumption that women suffer nothing or little by the unsatisfaction of the sex side of their nature Maude Royden In this book Maude Royden has given us a useful contribution to the interpretive side of sex It is essentially spiritual yet never apologetic for the physical With a frankness not in the least offensive the reader is led to admit the part sex must play in the life of the well balanced individual Nor does the author seek to sublimate the physical out of existence rather to hold it as a precious instrument to develop and express deep refining emotion Her treatment of the subject bears largely on sex fulfilled in marriage The book rings true rationally and emotionally Sex emotion rightly handled justifies itself It colors life Out of the realms of acts and fleeing emotion the author lifts it to a unifying experience It becomes the temperer of character The spirit of this volume might well be caught by all who contemplate marriage no matter how remotely It is a real stimulus to the use of sex endowment for noble ends Journal of Social Hygiene Volume 8 1922 CONTENTS I THE OLD PROBLEM INTENSIFIED BY THE DISPROPORTION OF THE SEXES II A SOLUTION OF THE PROBLEM OF THE UNMARRIED III CONSIDERATION OF OTHER SOLUTIONS OF THE PROBLEM OF THE DISPROPORTION OF THE SEXES IV THE TRUE BASIS OF MORALITY V THE MORAL STANDARD OF THE FUTURE WHAT SHOULD IT BE VI A PLEA FOR LIGHT VII FRIENDSHIP VIII MISUNDERSTANDINGS IX FURTHER MISUNDERSTANDINGS THE NEED FOR SEX CHIVALRY X THE SIN OF THE BRIDEGROOM XI COMMON SENSE AND DIVORCE LAW REFORM **Sex and Common-sense** Agnes Maude Royden,1929 Sex and Common-Sense A Maude (Agnes Maude) Royden,2025-03-28 A groundbreaking exploration of sexual ethics A Maude Royden s *Sex And Common Sense* offers a thoughtful and reasoned perspective on morality relationships and gender roles Addressing topics relevant to both personal conduct and societal structures this work examines the complexities of human connection with clarity and common sense Royden s insights into sexual ethics and the importance of informed discussion make this a valuable resource for anyone interested in understanding the foundations of healthy relationships Delving into the intricacies of dating societal norms and the philosophical underpinnings of moral thought *Sex And Common Sense* provides a historical lens through which to view enduring questions about love sex and the search for meaningful connection This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and

Sex and Common Sense A. Maude Royden,2019 **Sex and Commom-sense** Agnes Maude Royden,1988 **Sex and Common-Sense** Agnes Maude Royden,2023-06-15 This is a fantastic enlightening treatise on healthy relationships and sex from the perspective of Agnes Maude Royden the first woman to earn a Doctor of Divinity What was progressive in 1921 is now common sense advice for Christians of today especially those who want to get married I recommend starting in Chapter 2 or 3 because it takes a little while to get going on things that aren t issues of 1921 but the rest of it was so engrossing I couldn t stop reading and highlighting Royden argues that sex was created by God to be a sacred expression of commitment and true love and to use sex for anything less than this is corrupt and empty a sham However she also argues that just because two people are married doesn t mean they share this kind of love and just because two people are unmarried does not mean that they cannot share this kind of love because romantic love is something that transcends documents signed by human institutions She argues that many a marriage is upheld as holy when the only thing holy about it is a piece of paper and that thus people should with careful consideration allow for divorce under certain circumstances in order to uphold the ideal of a true sacred and loving marriage She devotes a chapter or so on the differences and non differences between men and women on marital rape and on the harmful ignorance of young women about sex at the time of their wedding Regardless on your opinions on sex before and after marriage this book provides an interesting progressive theological perspective on sex and marriage that deserves to be read and considered by everyone from conservative to liberal and will be understood by Christians and non Christians alike

Sex and Common-Sense Royden A. Maude (Agnes Maude),2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Sex and Common Sense Agnes Maude Royden,1922 *Commonsense Sex* Ronald Michael Mazur,1968 Focuses on the philosophy psychology and morality of sexual relations in contemporary society with its freer attitudes towards sexual conduct

Sex and Gender John Archer,Barbara Lloyd,2002-07-11 Sex and Gender is a substantially revised second edition of a classic text Adopting a balanced and straightforward approach to the often controversial study of sex differences the authors aim to introduce the reader to the fundamental questions relating to sex and gender in an accessible way at the same time as drawing on research in this and related areas New developments which are explored in this edition include the rise of evolutionary psychology and the influence of Social Role Theory as well

as additional psychoanalytic and ethno methodological approaches which have all contributed to a greater understanding of the complex nature of masculinity and femininity **Beyond Common Sense: Sexuality And Gender In Contemporary Japan** Wim Lunsing, 2015-12-22 First published in 2001 This volume is based on the author's visit to Japan in Summer 1986 on his findings about some of the questions he was asked whilst there He was 25 and these questions centred around asking if he was married or had a girlfriend when in his homeland of the Netherlands he openly identified as gay This research is an investigation of how gay and lesbian people women's and men's liberationists singles and other people such as transsexuals transvestites and hermaphrodites whose ideas feelings or lifestyles are at variance with Japanese constructions of marriage and inherently the construction of life live in Japan **Making Sense of Sexual Consent** Mark Cowling, Paul Reynolds, 2017-03-02 The issue of sexual consent has stimulated much debate in the last decade The contributors to this illuminating volume make sense of sexual consent from various conceptual standpoints socio legal post structural philosophical and feminist The volume comprises a range of studies all based around consent within a specific context such as criminal justice homosexuality sadomasochism prostitution male rape learning disabilities sexual ethics and the age of consent It is the first collection to publish exclusively on issues of sexual consent and both makes sense of sexual consent in contemporary society and guides debate towards better consent standards and decisions in the future Making Sense of Sexual Consent will excite considerable discussion amongst academics professionals and all those who think that freedom to make decisions about our sexual selves is important It will set the agenda for debate on sexual consent into the 21st Century

Law's Dream of a Common Knowledge Mariana Valverde, 2009-02-09 If knowledge is power then the power of law can be studied through the lens of knowledge This book opens up a substantive new area of legal research knowledge production and presents a series of case studies showing that the hybridity and eclecticism of legal knowledge processes make it unfruitful to ask questions such as Is law becoming more dominated by science Mariana Valverde argues that legal decision making cannot be understood if one counterposes science and technology on the one hand to common knowledge and common sense on the other The case studies of law's flexible collage of knowledges range from determinations of drunkenness made by liquor licensing inspectors and by police through police testimony in indecency cases to how judges define the truth of sexuality and the harm that obscenity poses to communities Valverde emphasizes that the types of knowledge that circulate in such legal arenas consist of facts values and codes from numerous incompatible sources that combine to produce interesting hybrids with wide ranging legal and social effects Drawing on Foucaultian and other analytical tools she cogently demonstrates that different modes of knowledge and hence various forms of power coexist happily Law's Dream of a Common Knowledge underlines the importance of analyzing dynamically how knowledge formation works And it helps us to better understand the workings of power and resistance in a variety of contemporary contexts It will interest scholars and students from disciplines including law sociology anthropology history and science and technology

studies as well as those concerned with the particular issues raised by the case studies **Sex in Development** Stacy Leigh Pigg,Vincanne Adams,2005-05-03 Ethnographic studies of the role of sexuality and gender in development discourse and policy **Sex in Theory** Brian Besong,2025-08-23 This volume explores the major moral theories and their distinctive approaches and controversial implications regarding sex Despite being a commonplace human activity contemporary discussions of the norms regarding sex particularly those that connect with the major moral theories are relatively rare This volume shows that the relative silence is important for all the major moral theories appear to have controversial implications about the morality and value of sex Consequently either widespread Western assumptions about sex are mistaken or else the major moral theories have serious problems when it comes to the ethics of the bedroom Adopting a metaethical Mooreanism about our sexual intuitions offers a potential compromise such that some of the more novel and controversial Western intuitions are abandoned with resulting room for at least one moral theory to remain viable **Making Sense of Intersex** Ellen K. Feder,2014-04-24 A philosopher offers a framework for the treatment of intersex children and a moral argument for responsibility to them and their families Putting the ethical tools of philosophy to work Ellen K Feder seeks to clarify how we should understand the problem of intersex Adults often report that medical interventions they underwent as children to correct atypical sex anatomies caused them physical and psychological harm Proposing a philosophical framework for the treatment of children with intersex conditions one that acknowledges the intertwined identities of parents children and their doctors Feder presents a persuasive moral argument for collective responsibility to these children and their families In a voice both urgent and nuanced Feder squarely faces the complexities that accompany the care of people with atypical sex anatomies in medical science Rich with cross discipline potential Feder s engaging argument should provide a new approach for doctors and parents caring for children with atypical sex anatomy Publishers Weekly starred review Feder s book is a welcome injection of new ideas into feminist scholarship on intersex post Consensus Statement era Women s Review of Books Is a work of philosophy capable of bringing insightful new perspectives or illuminating and forceful arguments to an urgent social matter so as truly to effect a felt change in the lives of people concerned by it Feder s book is capable of this effect As such it takes the risk of calling forth a new public or a new readership and so is a work whose appeal could well be ahead of its time But its time should be here International Journal of Feminist Approaches to Bioethics Making Sense of Intersex significantly enhances our understanding of intersex and the ethical issues involved in medical practice more generally Kennedy Institute of Ethics Journal **Making Sense of Sex** William Loader,2013-08-15 This book is about listening to what writers were saying about sex in early Judaism and Christianity ancient words surprisingly relevant for today It functions as both a summary and a conclusion to William Loader s five previous books on sexuality in a form accessible to those who may not have a background knowledge of early Judaism and Christianity It also contains a useful subject index to those five previous volumes In examining thoroughly all the relevant writings and related evidence of the Greco Roman

period Loader dialogues with scholarship related to each writing in order to make his conclusions as objective as possible By enabling the reader to listen respectfully to these ancient texts Making Sense of Sex provides a basis for informed discussion of sexual issues today Making Sense of Race, Class, and Gender Celine-Marie Pascale, 2013-02-01 Using arresting case studies of how ordinary people understand the concepts of race class and gender Celine Marie Pascale shows that the peculiarity of commonsense is that it imposes obviousness that which we cannot fail to recognize As a result how we negotiate the challenges of inequality in the twenty first century may depend less on what people consciously think about difference and more on what we inadvertently assume Through an analysis of commonsense knowledge Pascale expertly provides new insights into familiar topics In addition by analyzing local practices in the context of established cultural discourses Pascale shows how the weight of history bears on the present moment both enabling and constraining possibilities Pascale tests the boundaries of sociological knowledge and offers new avenues for conceptualizing social change In 2008 Making Sense of Race Class and Gender was the recipient of the Distinguished Contribution to Scholarship Book Award of the American Sociological Association Section on Race Gender and Class for distinguished and significant contribution to the development of the integrative field of race gender and class
