Sex And The Confessional:

Sex and the Confessional Norberto Valentini, Clara Di Meglio, 1974 **Sexuality in the Confessional** Stephen Haliczer, 1996-01-25 In *Sexuality in the Confessional A Sacrament Profaned* Stephen Haliczer places the current debate on sex celibacy and the Catholic Church in a historical context by drawing upon a wealth of actual case studies and trial evidence to document how from 1530 to 1819 sexual transgression attended the heightened significance of the Sacrament of Penance Attempting to reassert its moral and social control over the faithful the Counter Reformation Church underscored the importance of communion and confession Priests were asked to be both exemplars of celibacy and doctors of souls and the Spanish Inquisition was there to punish transgressors Haliczer relates the stories of these priests as well as their penitents using the evidence left by Inquisition trials to vividly depict sexual misconduct during and after confession and the punishments wayward priests were forced to undergo In the process he sheds new light on the Church of the period the repressed lives of priests and the lives of their congregations coming to a conclusion as startling as it is timely Based on an exhaustive investigation of Inquisition cases involving soliciting confessors as well as numerous confessors manuals and other works *Sexuality in the Confessional* makes a significant contribution to the history of sexuality women s history and the sociology of religion *Confessional Subjects* Susan David Bernstein, 2000-11-09 Susan Bernstein examines the gendered power relationships embedded in confessional literature of the Victorian period Exploring this dynamic in Charlotte Brontë s *Villette* Mary Elizabeth Braddon s *Lady Audley s Secret* George Eliot s *Daniel Deronda* and Thomas Hardy s *Tess of the d Urbervilles* she argues that although women s disclosures to male confessors repeatedly depict wrongdoing committed against them they themselves are viewed as the transgressors Bernstein emphasizes the secularization of confession but she also places these narratives within the context of the anti Catholic tract literature of the time Based on cultural criticism poststructuralism and feminist theory Bernstein s analysis constitutes a reassessment of Freud s and Foucault s theories of confession In addition her study of the anti Catholic propaganda of the mid nineteenth century and its portrayal of confession provides historical background to the meaning of domestic confessions in the literature of the second half of the century Originally published in 1997 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Sex in My Confessional** Eric Von Rinkel, 1982 *Sex, Priests, and Secret Codes* Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon *Sex Priests and Secret Codes* reveals in shocking detail a deep seated problem that spans the Church s history *Religion in New Spain* Susan Schroeder, Stafford Poole, 2007 *Religion in New Spain* presents an overview of the history of colonial religious culture and encompasses aspects of religion in the many regions of New Spain In reading these essays it is clear the

Spanish conquest was not the end all of indigenous culture that the Virgin of Guadalupe was a myth in the making by locals as well as foreigners that nuns and priests had real lives and that the institutional colonial church even post Trent was seldom if ever above or beyond political or economic influence Susan Schroeder and Stafford Poole have divided the presentations into seven parts that represent general categories spanning the colonial era Encounters Accommodation and Outright Idolatry Native Sexuality and Christian Morality Believing in Miracles Taking the Veil and New Realities Guardian of the Christian Society The Holy Office of the Inquisition Racism Judaizing and Gambling Music and Martyrdom on the Northern Frontier and Tangential Christianity on Other Frontiers Business and Politics as Usual Sacred space can be anywhere and might not be bound by walls and ceilings As the authors of these essays show religion is often an attempt to reconcile the mysterious and unmanageable forces of nature such as storms droughts floods infestations of pests epidemic diseases and sicknesses it is an attempt to control the uncontrollable

A Critical Reflexive Approach to Sex Research

Monique Huysamen, 2022-06-23 A Critical Reflexive Approach to Sex Research is a methodologically focused book that offers rich insights into the often secret subjectivities of men who pay for sex in South Africa The book centres on the interview context outlining a critical reflexive approach to understanding how knowledge is co produced by both the interviewer and the participant in research about sex By attending to the complex dynamics of the research interview this book examines the historic and contemporary relationship between sex work race coloniality sexuality masculinity femininity whorephobia and discourses of disease and contagion It draws on both empirical interview data and Huysamen s entries in her research journal to offer a unique approach to building critical reflexivity into every phase of the research process The critical reflexive approach uses an assemblage of poststructuralist and psychoanalytic theories and practices which together provide tools to interrogate how interview dynamics facilitate shape and restrain the meaning that is produced within the interview This book will be a valuable resource for anyone interested in researching sex work from intersectional and feminist decolonial perspectives as it probes critical questions surrounding how men make meaning of paying for sex their motivations for doing so and how they negotiate their identities in relation to this stigmatised practice It provides a unique offering to researchers working on sexual secret and stigmatised topics providing them with a specific set of tools and resources to incorporate reflexivity into their own sex research Encouraging the reader to look widely to draw on an array of theories and frameworks across disciplines this is fascinating reading for students and researchers in critical psychology research methods and the social sciences

O'Rourke, 2006 In *Sex Lies and Autobiography* James O'Rourke explores the relationships between literary form and ethics revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life Tracing the ethical legacy of Jean Jacques Rousseau's *Confessions* in a series of English language texts the author shows how Rousseau's doubts about the possibility of ethical behavior in everyday life shadows the first person narratives of five canonic works William Wordsworth's *Prelude* Charlotte Brontë's *Jane Eyre* and Villette Mary Shelley's *Frankenstein* and Vladimir Nabokov's *Lolita* Offering a fascinating new way of thinking about ethics through literature *Sex Lies and Autobiography* challenges the most fundamental principles of the philosophical study of ethics revealing the innate difference between morality in life and morality in literature O'Rourke begins with Rousseau's inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others and he goes on to show how this same ethical impasse recurs in the five aforementioned texts The ethical crises these texts describe such as when *Jane Eyre*'s happiness can be purchased only at the cost of Bertha Mason's suicide or when Humbert Humbert's artistry demands the sacrifice of Dolores Haze are not instances of authorial ethical blindness O'Rourke says but rather are ethical challenges that force us as readers to consider our own lives In each of these works a narrator attempts to justify his or her behavior and fails in each case the rigorous narrative of self examination demands a similar effort from the reader whose own sense of moral rectitude is put into question Confronting the long held philosophical construction that links ethical principles and life choices thereby reassuring us of the ethical coherence of everyday life the narrators of these literary autobiographies come to a very different conclusion by looking back on their lives they cannot understand how their most benevolent desires led to such damaging life stories By leaving meaning inexplicit O'Rourke argues these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self justifying narratives For readers interested in autobiographical studies ethical criticism and trauma and literary studies *Sex Lies and Autobiography* provides a groundbreaking analysis of

the role of ethics in literature **Confessional Politics** Irene Gammel, 1999 The premise of *Confessional Politics* is that in this confessional age telling all is in. From a unique variety of perspectives and angles the essays in this collection explore the association of confession with femininity they examine its function as a gender specific discourse as they probe its many feminized genres and subgenres. *Confessional Politics* investigates the creative and strategic ways in which women shape the telling of their sexual stories in order to resist and negotiate the confessional practices designed to position them in conventional sexual frameworks. Investigating the confessional politics of traditional forms of social life writing including erotic diaries journals letters and confessional fiction this book significantly expands its focus beyond conventional forms to include practices affecting mass readerships and audiences. The collection addresses provocative general topics talk shows sexual harassment sexual abuse sexuality self help books and cross dressing as well as expressive works such as contemporary Canadian women's poetry lesbian fiction performance art Anne Frank's recently released complete diary and memoirs.
