Sex And Virtue An Introduction To Sexual Ethics:

Sex and Virtue John S. Grabowski, 2003 This book discusses the moral dimensions of human sexuality from a Roman Catholic perspective

Sexual Virtue Richard W. McCarty, 2015-01-08 Richard W McCarty offers a compassionate and inclusive conception of sexual virtue one that liberates Christians from traditional patriarchal requirements for heterosexuality marriage and procreation Daring to depart from ongoing debates about what Aristotle or Aquinas had to say this book sets a new course centered on virtue ethics It employs new insights from the sciences biblical scholarship analyses of church traditions and revisionist natural law thinking Eschewing simple deconstruction of traditional Christian norms for sexual morality McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual relationships Recreation relational intimacy and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework While primarily referencing the Roman Catholic intellectual tradition McCarty s work is also vital and accessible to those from Protestant backgrounds Addressed to LGBT and straight readers Sexual Virtue provides a compassionate sexual ethics for our time

Sex and Virtue John S. Grabowski, 2012-08-07 Grabowski offers a compelling rationale for the virtue of chastity that takes into account the sensibilities and challenges of the contemporary world Raymond Dennehy Professor Emeritus University of San Francisco A welcome addition to an often contentious literature Sex and Virtue provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective Catholic Books Review In the hope of contributing to the ongoing renewal of moral theology sparked by the Second Vatican Council John S Grabowski discusses the systemic application of biblical and virtue based categories on the topic of sexuality A number of issues are examined including the historical setting regarding attitudes and practices concerning sexuality key biblical historical and contemporary resources for articulating a virtue based approach to sexual ethics current issues with which such an approach must wrestle and some description of how to foster growth in moral virtue particularly chastity Ultimately Sex and Virtue offers a compelling vision of human sexuality in the light of Christian faith that can provide a viable alternative to dominant cultural ideologies that trivialize sex and concrete practices that can enable growth in moral freedom Sex and Virtue is a splendid result of Grabowski s response to the call of Vatican II to find scriptural support for Catholic moral teaching The ecumenical potential of this book is tremendous Christians can only marvel at the resources in scripture for establishing sexual morality a morality that puts sexuality in service of love life and salvation Janet E Smith former professor of moral theology Sacred Heart Major Seminary of Detroit

Catholic Sexual Ethics William May, Ronald Lawler, Joseph Boyle, 2011-08-25 The authoritative work on the Church s teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries Since publication of the 2nd edition of Catholic Sexual Ethics the philosophical landscape of human sexuality has dramatically changed The rise of such concerns as moral relativism the drive

for same sex unions and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching Features Summary of Catholic teaching on sexuality from biblical times to our own Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate Discussion of the Congregation for the Doctrine of the Faith s 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons Integration of more recent materials that clarify issues into the existing framework of the book Whether you are involved in ministry education or catechesis you will benefit from having this essential resource near at hand The Philosophy of Sex Raja Halwani, Jacob M. Held, Natasha McKeever, Alan

Soble, 2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Human Sexuality in the Catholic Tradition Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation

Marital and Sexual Ethics in Islamic Law Roshan Iqbal, 2023-03-14 Roshan Iqbal traces the intellectual legacy of the exegesis of Qur an 4 24 which is used as the proof text for the permissibility of mut a temporary marriage and asks if the use of verse 4 24 for the permissibility of mut a marriage is justified within the rules and regulations of Qur anic hermeneutics Iqbal examines seventeen Qur an commentaries the chronological span of which extends from the first extant commentary to the present day in three major Islamicate languages Iqbal concludes that doctrinal self identity rather than strictly philological analyses shaped the interpretation of this verse As Western academia s first comprehensive work concerning the intellectual history of mut a marriage and sexual ethics this work illustrates the power of sectarian influences on how scholars have interpreted verse 4 24 This book is the only work in English that includes a plurality of voices from minor schools Ibadi Ashari Zaidi and Ismaili largely neglected by Western scholars alongside major schools and draws from all available sub genres of exegesis Further by revealing ambiguities in the interpretation of mut a this work challenges

accepted sexual ethics in Islamic thought as presented by most classical and many modern Muslim scholars and thus opens up space to theorize Islamic sexual ethics anew and contribute to this crucial conversation from the perspective of Muslim feminism

The Oxford Handbook of Catholic Theology Lewis Ayres, Medi Ann Volpe, Thomas L. Humphries (Jr.), 2019 This Handbook provides an introduction to all the major aspects of Catholic theology As well as covering basic topics of doctrine and moral theology the book considers some of Catholic theology's most important sources between 200 and 1870 and all the main movements and developments in Catholic theology since 1870

Pope Francis, Marriage, and Same-Sex Civil Unions Todd A. Salzman, Michael G. Lawler, 2024-05-15 In Pope Francis Marriage and Same Sex Civil Unions Foundations for the Organic Development of Catholic Sexual Doctrine Todd A Salzman and Michael G Lawler argue for the organic development of Catholic sexual teaching to recognize the morality and sacramentality of opposite sex and same sex marriage They do so on the basis of Pope Francis support of the legal protection of same sex civil unions new pastoral methods theological anthropological and ethical methodological developments To that end the authors consider the historical development in the Catholic tradition of sexual and marital ethics the impact of virtue ethics emphasis on the authority and inviolability of an informed conscience and a revised understanding of sexual complementarity on defining human dignity and the method for doing Catholic ethics the sacramental nature of opposite sex marriage as an upper case Sacrament and same sex marriage as a lower case sacrament the widespread and growing phenomenon of cohabitation before marriage where couples grow into the ideal of marriage and sociological and experiential data that supports the overwhelming positive impact on children of opposite sex and same sex parents All of these issues are considered in the light of the theological and pastoral changes that Pope Francis is introducing with widespread support and minority opposition into the Catholic tradition

Iconoclastic Sex Henry Walter Spaulding, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

Catholic Theological Ethics Todd A. Salzman, Michael G. Lawler, 2015-11-23 This book has two objectives one explicit and one implicit The explicit

objective is to explore the normative implications for both general and sexual ethics of the methodological and anthropological developments in Catholic tradition The implicit objective is to stimulate dialogue in the Church about ethics particularly sexual ethics a dialogue that must necessarily include all in the communion Church laity theologians and hierarchy Since we believe that genuine and respectful dialogue about sexual morality is sorely needed to clarify Christian truth today we intend this book to be part of that genuine dialogue

The Palgrave Handbook of Sexual Ethics David Boonin, 2022-02-08 The Palgrave Handbook of Sexual Ethics is a comprehensive collection of recent research on the ethics of sexual behavior representing a wide range of perspectives It addresses a number of traditional subjects in the area including questions about pre marital extra marital non heterosexual and non procreative sex and about the nature and significance of sexual consent sexual desire and sexual activity as well as a variety of more recent topics including sexual racism sexual ableism sex robots and the metoo response to sexual harassment Each chapter defends a substantive thesis about the topic it addresses and the handbook as a whole thereby provides a strong foundation for future research in this important and growing field of inquiry

Conjugal Love and Procreation Kevin Schemenauer, 2011-05-05 Dietrich von Hildebrand contributed to the Catholic tradition s increased recognition of conjugal love in marriage in the early twentieth century and as Kevin Schemenauer argues in Conjugal Love and Procreation von Hildebrand s work remains relevant to contemporary Catholic thought as well While some argue that this German Catholic philosopher and theologian neglected the role of procreation in marriage this book shows that von Hildebrand s writings on reverence and superabundant finality contribute to a contemporary understanding of the significance of procreation within marriage Schemenauer analyzes von Hildebrand s integration of conjugal love and procreation showing him to be an insightful and parallel voice to the that of John Paul II His thorough exploration of von Hildebrand s writings reveals not only how conjugal love and openness to new life are essential to marriage but also how essential the role of procreation is to the conception of conjugal love

The Sexual Person Todd A. Salzman, Michael G. Lawler, 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like Gaudium et spes the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity s historically and culturally conditioned understanding of human sexuality The Sexual Person draws

historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the Magisterium *Sex, Violence, and Justice* Aline H. Kalbian, 2014-04-03 In 1968 Pope Paul VI published *Humanae vitae* the encyclical that reaffirmed the Catholic Church's continued opposition to the use of any form of artificial contraception In *Sex Violence and Justice* Contraception and the Catholic Church Aline Kalbian outlines the Church's position against artificial contraception as principally rooted in three biblical commandments In addition Kalbian shows how discourses about sexuality both in the Church and in culture are often tied to discourses of violence harm and social injustice These ties reveal that sexual ethics is never just about sex it is about the vulnerability of the human body and the challenges humans face in trying to maintain just and loving relationships As Kalbian explores and contrasts the Catholic Church's stance toward condoms and HIV AIDS emergency contraception in cases of rape and contraception and population control she underscores how contraception is not just a private decision but a deeply social cultural and political one with profound global implications Kalbian concludes that even the most tradition bound communities rely on justificatory schemes that are fluid and diverse Taking this diversity seriously helps us to understand how religious traditions change and develop *Sex Violence and Justice* will be of interest to students and scholars of Catholic moral theology sexual ethics religion and society gender and religion as well as to specialists and practitioners in public health

Reframing Catholic Theological Ethics Joseph A. Selling, 2016-03-24 Traditionally Catholic moral theology has been based upon an approach that over emphasized the role of normative ethics and subsequently associated moral responsibility with following or disobeying moral rules *Reframing Catholic Theological Ethics* offers an alternative ethical method which without destroying any of the valuable insights of normative ethics reorients the discipline to consider human motivation and intention before investigating behavioural options for realizing one's end Evidence from the New Testament warrants the formation of a teleological method for theological ethics which is further elaborated in the approach taken by Thomas Aquinas Unfortunately the insights of the latter were misinterpreted at the time of the counter reformation Joseph A Selling's analysis of moral theological textbooks demonstrates the entrenchment of a normative method aimed at identifying sins in service to the practice of sacramental confession With a firm basis in the teaching of Vatican II the human person integrally and adequately considered provides the fundamental criterion for approaching ethical issues in the contemporary world The perspective then turns to the crucial question of describing the ends or goals of ethical living by providing a fresh approach to the concept of virtue Selling concludes with suggestions about how to combine normative ethics with this alternative method in theological ethics that begins with the actual ethical orientation of the human person toward virtuous living

Bringing Sex into Focus Caroline J. Simon, 2011-11-30 In culture that exploits sex in everything

from advertising to climbing the corporate ladder it's easy to lose sight of the true purpose and place of sexuality. Philosopher and ethicist Caroline J. Simon identifies six lenses through which people understand sex and sexuality and provides clarity for developing a holistic biblical sexual ethic. Religion & Sexuality Charles Kevin Robertson, 2006. Issues of religion and sexuality elicit passionate debate as witnessed in the well-researched provocative essays contained in this volume. Cutting-edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture. Oral sex, polygamy, homosexuality, and clergy celibacy and boundaries are addressed as editor C. K. Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today's increasingly pluralistic yet strongly spiritual society. **The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J. Cahall, 2014-12-01. This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage. Incorporating the rich insights found in St. John Paul II's *Theology of the Body*, Dr. Cahall presents a theology of marriage that incorporates the biblical, systematic, pastoral, and historical traditions which have shaped our understanding of this sacrament. **Sexual Ethics in a Secular Age** Eric Silverman, 2021-03-30. This collection features essays from top experts in ethics and philosophy of love that offer varying perspectives on the value of a contemporary secular virtue of chastity. The virtue of chastity has traditionally been portrayed as an excellent personal disposition concerning the ideal ordering of sexual desire such that the person desires that which is actually good for both the self and others affected by his or her sexual desires and actions. Yet for roughly the past half-century, chastity has been increasingly portrayed as an unnecessary ideal with few secular benefits that could not be otherwise obtained. Instead, chastity is sometimes portrayed as an odd kind of religious asceticism with few secular benefits. The essays in this volume ask whether there may be advantages to reconsidering a contemporary virtue of chastity. A recovered and reconceptualized concept of chastity can offer partial solutions to problems associated with externalized sexual desire, including sweeping patterns of sexual harassment, the high divorce/relationship failure rate, and widespread pornography use. *Sexual Ethics in a Secular Age* will appeal to researchers and advanced students interested in the philosophy of sex and love, virtue ethics, and philosophical accounts of secularity.

Eventually, you will certainly discover a supplementary experience and achievement by spending more cash. nevertheless when? reach you admit that you require to acquire those all needs once having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more nearly the globe, experience, some places, later history, amusement, and a lot more?

It is your categorically own mature to action reviewing habit. accompanied by guides you could enjoy now is **Sex And Virtue An Introduction To Sexual Ethics** below.
