A Royal Waste of Time Marva J. Dawn, 1999 In this book Marva Dawn insists that churches need to engage in a serious process of community discernment concerning worship in order to employ the best tools and forms and she offers reflections to further the discussion Each part of *A Royal Waste of Time* begins with a sample Scripture based sermon since Dawn emphasizes that the church's worship must follow biblical guidelines and form a biblical people From publisher's description

Virtues of Renewal Jeffrey Bilbro, 2018-12-14 For over fifty years Wendell Berry has argued that our most pressing ecological and cultural need is a renewed formal intelligence a mode of thinking and acting that fosters the health of the earth and its beings Yet the present industrial economy prioritizes a technical self centered way of relating to the world that often demands and rewards busyness over thoughtful observation independence over relationships and replacing over repairing Such a system is both unsustainable and results in destructive far reaching consequences for our society and land In *Virtues of Renewal* Wendell Berry's Sustainable Forms Jeffrey Bilbro combines textual analysis and cultural criticism to explain how Berry's literary forms encourage readers to practice virtues of renewal While the written word alone cannot enact change Bilbro asserts that Berry's poetry essays and fiction can inspire people to

as Berry writes practice resurrection Bilbro examines the distinct yet symbiotic features of these three genres demonstrating the importance of the humanities in supporting tenable economies He uses Berry s pieces to suggest the need for more robust language for discussing conservation ecology and the natural and regenerative process of death Bilbro additionally translates Berry s literature to a wider audience putting him in conversation with philosophers and theologians such as Ivan Illich Willie Jennings Charles Taylor and Augustine The lessons that Berry and his work have to offer are not only for those interested in cultivating the land but also for those who cultivate their communities and live mindfully In short these lessons are pertinent to all who are willing to make an effort to live the examined life Such formative work is not dramatic or quick but it can foster the deep and lasting transformation necessary to develop a more sustainable culture and economy

Short Stories and Political Philosophy Erin A. Dolgoy, Kimberly Hurd Hale, Bruce Peabody, 2018-11-01 *Short Stories and Political Philosophy* Power Prose and Persuasion explores the relationship between fictional short stories and the classic works of political philosophy This edited volume addresses the innovative ways that short stories grapple with the same complex political and moral questions concerns and problems studied in the fields of political philosophy and ethics The volume is designed to highlight the ways in which short stories may be used as an access point for the challenging works of political philosophy encountered in higher education Each chapter analyzes a single story through the lens of thinkers ranging from Plato and Aristotle to Max Weber and Hannah Arendt The contributors to this volume do not adhere to a single theme or intellectual tradition Rather this volume is a celebration of the intellectual and literary diversity available to students and teachers of political philosophy It is a resource for scholars as well as educators who seek to incorporate short stories into their teaching practice

Welcoming the Other N. Susan Laehn, Thomas R. Laehn, 2021-02-15 The modern turn in political philosophy established the ontological primacy of the ego reducing the community to a mere assemblage of individuals and led to the repudiation of

natural duties in favor of inherent individual rights The modern project culminated in the work of Friedrich Nietzsche whose emphasis on radical individuation left human beings both liberated and exiled Individuals were free to create and to recreate themselves anew but they were simultaneously uprooted from any larger community Indeed the very possibility of shared meaning let alone shared political life was called into question This volume consists of essays addressing the efforts of philosophers artists caretakers and perhaps most importantly teachers to reestablish a foundation for political life in postmodernity The origins of these efforts are diverse and their modes are varied Individuals seek communion with the divine either with or through others they pursue friendship among strangers and they search for meaningful relationships in both the classroom and the public square Reflecting the various means by which individuals seek communion with others and with the transcendent divine Other the essays contained in this volume explore the modes through which individuals forge relationships with others in an age of isolation

Wendell Berry and Higher Education Jack R. Baker,Jeffrey

Bilbro,2017-06-13 Why the university should focus on community An enlightening interpretation of Wendell Berry s philosophy for the pursuit of a holistic higher education Publishers Weekly Prominent author and cultural critic Wendell Berry is well known for his contributions to agrarianism and environmentalism but his commentary on education has received comparatively little attention Yet Berry has been eloquently unmasking America s cultural obsession with restless mobility for decades arguing that it causes damage to both the land and the character of our communities The education system he maintains plays a central role in this obsession inculcating in students minds the American dream of moving up and moving on Drawing on Berry s essays fiction and poetry Jack R Baker and Jeffrey Bilbro illuminate the influential thinker s vision for higher education in this path breaking study Each chapter begins with an examination of one of Berry s fictional narratives and then goes on to consider how the passage inspires new ways of thinking about the university s mission Throughout Baker and Bilbro argue that instead of training students to live in their careers universities should educate students to inhabit and serve their places The authors also offer practical suggestions for how students teachers and administrators might begin implementing these ideas Baker and Bilbro conclude that institutions guided by Berry s vision might cultivate citizens who can begin the work of healing their communities graduates who have been educated for responsible membership in a family a community or a polity

Twentieth-Century Southern Literature J. A.

BryantJr.,2021-11-21 Authors discussed include Wendell Berry Erskine Caldwell Truman Capote Ralph Ellison William Faulkner Shelby Foote Zora Neal Hurston Bobbie Ann Mason Cormac McCarthy Flannery O Connor William Styron Anne Tyler Alice Walker Robert Penn Warren Eudora Welty Tennessee Williams Thomas Wolfe Richard Wright and many more By

World War II the Southern Renaissance had established itself as one of the most significant literary events of the century and today much of the best American fiction is southern fiction Though the flowering of realistic and local color writing during the first two decades of the century was a sign of things to come the period between the two world wars was the crucial one for the South s literary development a literary revival in Richmond came to fruition at Vanderbilt University a group of young men produced *The Fugitive* a remarkable controversial magazine that published some of the century s best verse in its brief run and the publication and widespread recognition of Faulkner among others inaugurated the great flood of southern writing that was to follow in novels short stories poetry and plays With more than forty years of experience writing and reading about the subject and friendships with many of the figures discussed J A Bryant is uniquely qualified to provide the first comprehensive account of southern American literature since 1900 Bryant pays attention to both the cultural and the historical context of the works and authors discussed and presents the information in an enjoyable accessible style No lover of great American literature can afford to be without this book

A Sober Desire for History Sean R. Busick, 2005 Widely regarded as the antebellum South s foremost man of letters William Gilmore Simms 1806 1870 wrote novels and poetry that recently have enjoyed a remarkable resurgence of interest While scholars have previously considered Simms as primarily a poet editor and writer of fiction Sean R Busick contends that the author is more fully understood as a historian In this fresh look at Simms and his contributions Busick brings to light the lasting impact of the South Carolinian s efforts to comprehend American history and to preserve important pieces of the historical record In *A Sober Desire for History* Busick argues that Simms made five significant contributions to American historiography Simms s achievements include his work as an archivist preserving a wealth of primary source materials that probably would not exist today if not for his efforts as a champion of accessible and well wrought historical writing and as an advocate for what he considered democratic history history that recognizes individuals rather than impersonal forces as the impetus for historical events Loyalists and women traditionally neglected in the telling of American history Finally although Busick shows that Simms published historical romances biographies and a state history he also made an important lasting contribution to the writing of American history through his support and encouragement of other historians Busick addresses among other topics Simms s ideas on the relationship between history and fiction his work as a biographer his writing of the text that would be used to teach history to generations of South Carolina schoolchildren and his controversial 1856 Northern lecture series on South Carolina s role in the American Revolution

Restoring the Vocation of a Christian College Brad Pardue, Andrew T. Bolger, 2022-05-19 *Restoring the Vocation of a Christian College* examines the vocation of a Christian institution of higher learning to faithfully educate students and how individual Christian teachers and scholars can participate in this process no matter their discipline It surveys and engages developments over the last few decades in Christian worldview studies Christian pedagogy character formation and vocational reflection Through individual essays by college administrators cocurricular staff and faculty from a

wide range of disciplines it provides both thoughtful reflection and concrete application of these often abstract concepts to specific institutional settings and the actual classroom experience

Becoming a Christian in Christendom Jason A. Mahn, 2016-11-01 How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it rendering it redundant and innocuous Arguing for a reconceptualization of the theology of the cross and radical communal practices this book brings together two clusters of critics of Christian acculturation and accommodation 1 Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace and 2 various Anti Constantinians including neo monastic communities who resist the church's collusion with power politics symbolized by the conversion of Constantine in the early fourth century Drawing on these diverse resources author Jason Mahn explores some pervasive dangers of America's new Christendom its accommodation to an exploitative economy that cheapens the meaning of grace its endorsement of political liberalism within which the church becomes another special interest group its justification of war and other forms of necessary violence and its self-defeating lip service to religious inclusivity Mahn provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side

The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In *The Church and the Crisis of Community* Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others

Bazaars, Conversations and Freedom Rajni Bakshi, 2017-09-08 Long before the financial meltdown and the red alert on climate change some far sighted innovators diagnosed the fatal flaws in an economic system driven by greed and fear Across the global North and South diverse people financial wizards economists business people and social activists have been challenging the free market orthodoxy They seek to recover the virtues of bazaars from the tyranny of a market model that emerged about two centuries ago This widely praised book is a chronicle of their achievements From Wall Street icon George Soros and VISA card designer Dee Hock we get an insider critique of the malaise Creators of community currencies and others like the father of microfinance Bangladesh's Muhammad Yunus explore how money can work differently The doctrine

of self interest is re examined by looking more closely at Adam Smith through the eyes of Amartya Sen Mahatma Gandhi s concept of Trusteeship gathers strength as the socially responsible investing phenomenon challenges the power of capital Pioneers of the open source and free software movement thrive on cooperation to drive innovation The Dalai Lama and Ela Bhatt demonstrate that it is possible to compete compassionately and to nurture a more mindful market culture This sweeping narrative takes you from the ancient Greek agora Indian choupal and Native American gift culture on to present day Wall Street to illuminate ideas subversive and prudent about how the market can serve society rather than being its master In a world exhausted by dogma Bazaars Conversations and Freedom is an open quest for possible futures This fully updated and revised UK version of the 2009 Vodafone Crossword Book Award winner for non fiction is a rare and epic narrative about those who have been quietly forging solutions and demonstrating that a more compassionate market culture is both possible and desirable Priest, Prophet, Pilgrim Todd Edmondson, 2014-02-14 Priest Prophet Pilgrim Types and Distortions of Spiritual Vocation in the Fiction of Wendell Berry and Cormac McCarthy provides a reading of characters in the novels and short stories of two important contemporary American writers through the lens of spiritual theology Applying the work of Rowan Williams Nicholas Lash and others Edmondson constructs a theological framework that takes seriously the notion of Christian spirituality not as an invitation to flee from this world but rather as a way of life that seeks reconciliation and joy within this world encountering and embracing God s presence within everyday existence in the contexts of such realities as corporeality communities and the created order as a whole This framework is then applied to the fiction of two American authors Wendell Berry and Cormac McCarthy By comparing these writers the characters they create and the worldviews that shape their narratives Priest Prophet Pilgrim demonstrates in ways that can be applied to other works and other characters how the reading of fiction can inform the pursuit of the spiritual life
