Jeff Dunn, Craig Bubeck

Sex Is A Spiritual Act:

Sex Is a Spiritual Act Dale H. Conaway, 2002-03-20 These two volumes are authoritatively written and lay a solid spiritual foundation for sexual morality These books are educational instructional and inspirational they also provide detailed information about the sources and dangers of current sexual trends in our society Both books represent a unique combination of biblical and biological truth centered upon a theme of sexual purity **Sex Is a Spiritual Act** Purity Press Publishers, 2000-06-01 **The Battle Against Sexual Sin** Uchechukwu K. Ozua, The Battle Against Sexual Sin A Christian Perspective is all about the importance of learning and understanding sexual sins its dangers and freedom from it through sexual purity The book explains the unnaturalness of sexual perversions its harbingers and the characters involved in the acts Highlights include sexual sin and sexual perversions masturbation sexting sexual sin and teenagers The author use this book to tell the readers that despite how sexually amoral the world has become Christians can live a chaste and undefiled life through the grace of God After reading this book you will understand how sexual perversions are generated who generates them what consequences are involved and most importantly how to be free from them The book will tell you how to keep yourself body soul and spirit undefiled like a purified life in this crooked and perverse generation The Law of Love Wylark Day, 2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1 Corinthians 8 2 And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is best because it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine **Teachings of Andrea, The** Tungate Tina, 2000-05 The Politics of Love Carla Christina Hustak, 2024-02-13 The Politics of Love explores the entanglement of emotions social movements and science in reconfiguring human and nonhuman relations As Darwin s evolutionary theory informed the development of sexual science and the sex reform movement between the 1890s and the 1920s sex reformers emerged as a group of diverse and culturally influential professionals doctors psychologists artists political activists novelists and academics who shared a profound commitment to changing the world by changing the practice of sex Sex reformers reinvented love as a scientific practice of sex that brought humans and nonhumans into the fold of early twentieth century racial gender and sexual politics Carla Christina Hustak illuminates how sex reformers insistence that love can shift human and nonhuman relations is more than just a historical narrative it is a moment in time interconnected with urgent contemporary concerns over the global implications of our emotional relationships to other humans animals the earth and atmospheric and technological forces *Christianity: The Devil's Greatest Trick* Adam Weishaupt, 2013-01-25 It s a simple fact that most Christians know next to nothing about Christianity How many people are aware of the many heresies that were stamped out by the early Church Had

any of these heresies triumphed the world would be a very different and much saner place Find out about the monstrous St Augustine and his doctrines of grace Original Sin Predestination and the Total Depravity of the human race This saint was happy to send to hell unbaptised babies that died in infancy His great enemy was the humane and rational Celtic monk Pelagius The great tragedy of Christianity is that it listened to Augustine rather than Pelagius Were the Jews advocates of temple prostitution even within the confines of Solomon s holy temple to Yahweh The material in this book is provided by the Pythagorean Illuminati the oldest secret society in the world and is not for petty cheap narrow minded religious fanatics

Sex, Jesus, and the Conversations the Church Forgot Mo Isom, 2018-03-06 Sex In a world overwhelmingly obsessed with it why is the church so silent about it While our secular culture twists perverts cheapens and idolizes sex there are gaping holes in the church s guidance of young people The result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles Enough is enough says Mo Isom With raw vulnerability and a bold spirit she shares her own sexual testimony opening up the conversation about misguided rule following virginity temptation porn promiscuity false sex pectations sex in marriage and more and calling readers back to God s original design for sex a way to worship and glorify him This book is for the young person tangled up in an addiction to pornography for the girlfriend feeling pressured to go further for the good girl who followed the rules and saved herself for marriage and then was confused and disappointed for the married couple who use sex as a bargaining tool for every person who casually watches sex play out in TV and movies and wonders why they re dissatisfied with the real thing and for every confused or hurting person in between Sex was God s idea It s time we invited him back into the bedroom

CONTENDING FOR THE FAITH Christopher H.K. Persaud, 2013-05-21 Doubt and disbelief in God s existence and his plan of redemption for lost humankind is becoming increasingly evident in today s hedonistic self directed world Many Christian believers even choose to listen to and to acknowledge a feel good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications Conversely many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and or destruction called hell A good God cannot be so cruel they opine Jesus commissioned his followers to take his Gospel to the far reaches of the Earth and the Holy Scriptures encourage Christians in Jude 1 3 to earnestly contend for the faith More than at any other time in history believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ s offer of eternal life in a place named Paradise The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that endorse and advance the Gospel of Christ and help establish Biblical truth Much too much is at stake for not spreading or not listening to Christ s entreaty
