John J. Mulcahy

Sex Love And Health In America Private Choices And Public Policies:

Sex Talk Carey M. Noland, 2010-04-09 This book presents research that identifies the most salient issues related to communication about sex in relationships and explores these issues in a format that will improve the understanding and practice of sexual communication What is missing in sex education An understanding of relationship issues an understanding of how to communicate with partners and an understanding of gender differences that affect communication between the sexes *Sex Talk The Role of Communication in Intimate Relationships* was written to inform influence and expand individuals understanding of sexual communication and the dynamics of sexual relationships It explains why sex talk is important and details how to successfully talk about sex in various types of relationships and stages of relationship development The book presents research about sex talk in short and long term relationships and in marriage It offers information bearing on casual sexual relationships friends with benefits and new sexual relationships as well as on how to discuss sex with adolescents and with health care providers Each chapter opens with a vignette that explores a communication problem related to sex talk and ends with practical advice on how to improve or start conversations about sex

The Wiley Blackwell Companion to the Sociology of Families Judith Treas, Jacqueline Scott, Martin Richards, 2017-08-14 Written by an international team of experts this comprehensive volume investigates modern day family relationships partnering and parenting set against a backdrop of rapid social economic cultural and technological change Covers a broad range of topics including social inequality parenting practices children s work changing patterns of citizenship multi cultural families and changes in welfare state protection for families Includes many European North American and Asian examples written by a team of experts from across five continents Features coverage of previously neglected groups including immigrant and transnational families as well as families of gays and lesbians Demonstrates how studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Extensively reworked from the original Companion published over a decade ago three quarters of the material is completely new and the remainder has been comprehensively updated

Tolerance of Uncertainty John Bancroft, 2014-08-13 Late in his life the author came to realize that there was much in his world that was uncertain How should he deal with that In this book he explores how some scientists have tolerated uncertainty and goes on to consider uncertainty in relation to our morals The subjugation of women has been a major moral problem through history characterized by certainty In his view this has fostered many other immoralities e g slavery He then reviews the worlds main religions To what extent have they accepted uncertainty and how have they dealt with sex and women How do individuals cope with religious uncertainty By the end of the book he makes the clear distinction between unknowability reflecting the limitations of our comprehension which we should respect and uncertainty which is more relevant to our day to day experiences which we need to cope with and tolerate For this purpose he proposes models of reality that we could use assessing the extent that they have been helpful and modifying them as necessary He sees this

modelism as having general significance and to illustrate this he proposes a radical model for incorporating both women and men into our society a two team approach Tolerance of uncertainty is of fundamental importance to us all Certainty is often problematic and should be viewed with caution **Putting Children's Interests First in U.S. Family Law and Policy**

Helen M. Alvaré,2018 Putting Children s Interests First in US Family Law and Policy details the rise of federal sexual expressionism policy Family Transformed Steven M. Tipton,John WitteJr.,2005-11-18 Statistics on the American family are sobering From 1975 to 2000 one third of all children were born to single mothers and one half of all marriages ended in divorce While children from broken homes are two to three times more likely to develop behavioral and learning difficulties two parent families are not immune to problems The cost of raising children has increased dramatically and married couples with children are now twice as likely as childless couples to file for bankruptcy Clearly the American family is in trouble But how this trouble started and what should be done about it remain hotly contested In a multifaceted analysis of the current state of a complex institution Family Transformed brings together outstanding scholars from the fields of anthropology demography ethics history law philosophy primatology psychology sociology and theology Demonstrating that the family is both distinctive in its own right and deeply interwoven with other institutions the authors examine the roles of education work leisure consumption legal regulation public administration and biology in shaping the ways we court and marry bear and raise children and make and break family bonds International in approach this wide ranging volume situates current American debates over sex marriage and family within a global framework Weighing mounting social science evidence that supports a continued need for the nuclear family while assessing the challenges posed by new advocacy for same sex marriage and delegalized coupling the authors argue that only by reintegrating the family into a just moral order of the larger community and society can we genuinely strengthen it This means not simply upholding traditional family values but truly grasping the family s growing diversity sustaining its coherence and protecting its fragility for our own sake and for the common good of society **Clinical Manual of Sexual Disorders** Richard Balon,Robert Taylor Segraves,2009-08-06

Sexuality is an integral part of gender identity self image and overall well being Sexual dysfunctions present in all cultures and ethnicities around the world Sexual problems have an especially high prevalence among patients with psychiatric syndromes yet in recent years the field of psychiatry has shifted away from the treatment of sexual disorders Clinical Manual of Sexual Disorders is the first comprehensive text in decades to address the management and treatment of sexual dysfunctions and disorders Using a conceptual model that incorporates biological psychological and cultural interventions as its guiding principle the book explores and evaluates the epidemiology of sexual disorders and paraphilias sexual dysfunctions with comorbid psychiatric disorders sexual problems associated with various medications and sexual disorders in specific patient populations Written by 25 contributing clinical specialists from around the world the text combines conceptual shifts within the field of human sexuality with the latest research findings into a practical three part volume The

first four chapters cover general areas relevant to the clinical understanding of human sexuality and sexual dysfunctions within the frame of psychiatry The second part of the book outlines the major sexual dysfunctions including male erectile disorder female arousal disorder premature ejaculation and paraphilias And the final chapters address the management of sexual issues in two unique patient populations that are often neglected in other textbooks children and adolescents and older adults The book includes several unique features to further enhance learner retention Tables charts figures and illustrations to enhance the reading material Evaluations questionnaires and other patient materials Take away points on key clinical issues at the end of each chapter Case examples from the authors own practices References for further reading Restoration of sexual function can improve the quality of life for many individuals with and without psychiatric disorders making recognition and treatment of sexual problems of utmost importance to any general psychiatric practice As the only text of its kind Clinical Manual of Sexual Disorders provides a concise clinically oriented biopsychosocial guide to the management and treatment of sexual dysfunction that is appropriate for all psychiatric clinical and educational settings

Understanding Sex for Sale May-Len Skilbrei, Marlene Spanger, 2018-07-11 The problem of prostitution sex work or sex for sale can often be misunderstood if we do not take into consideration its spatial temporal and political context *Understanding Sex for Sale* aims to understand how prostitution sex work or sex for sale are delineated contested and understood in different spaces places and times with a particular focus on identifying how the relation between sex and money is interpreted and enacted Divided into three parts this interdisciplinary volume offers contributions that discuss ongoing theoretical issues and analytical challenges Some chapters focus on how prostitution sex work or sex for sale have been regulated by the authorities and on the understandings that regulations are built upon Other chapters investigate the experiences of sex workers and sex buyers examining how these actors adjust to or resist the categorisation processes control and stigma they are subjected to Finally a third group of chapters discuss contemporary definitional issues produced by various actors tasked with controlling prostitution or offering social services to its participants Advancing and placing analytical tools at the forefront of the discussion *Understanding Sex for Sale* appeals to undergraduate and postgraduate students as well as researchers interested in fields such as sociology anthropology criminology history human geography and gender studies

Intimate Relationships across the Lifespan Abdul Khaleque, 2018-02-08 This comprehensive research based book is a next generation study of intimate relationships that explores implications for health and well being across cultures genders and traditional as well as non traditional relationships This book fills the need for a contemporary analysis of intimate relationships and their implications for people s health well being and quality of life It covers topics not ordinarily included in textbooks on this topic in non traditional areas such as LGBT relationships The text also addresses intervention strategies for relationship problems and offers tools and techniques for assessing intimate relationships Chapters are organized to present information about the origin formation development enrichment and maintenance of intimate

relationships in a way that allows readers to build upon what they have learned The text provides integrated and evidence based information on almost all aspects of intimate relationships and will be of interest to undergraduate and graduate students as well as faculty in family studies psychology and other social sciences Moreover counselors clinicians and therapists working on conflict violence abuse maladjustment depression deterioration dissolution reconstruction and enrichment of marital and non marital intimate relationships will find this text valuable for their practice **The Handbook of Sexuality in Close Relationships** John H. Harvey, Amy Wenzel, Susan Sprecher, 2004-04-26 Although sexuality is an integral part of close romantic relationships research linking these two constructs has been less systematic than other areas pertaining to close relationships To date researchers in communication sociology family studies psychology and psychiatry have made significant advances in both of these fields The editors goal is to integrate this research into one volume They bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological rigor and critical analysis This volume explores early sexual experiences and their impact on late life sexuality how life s stresses impact sexuality and satisfaction with closeness the affect of postpartum depression on sexuality and the relationship between control power anger as well as revenge and sexual processes in couples The Handbook of Sexuality in Close Relationships is intended for students and researchers in the disciplines of social clinical developmental and health psychology family studies counseling and interpersonal family and health communication An excellent reference in advanced courses in close relationships taught in psychology communications sociology anthropology and family studies the material in Part V will also appeal to clinical psychologists health professionals and policymakers **Male Sexual Function** John J. Mulcahy, 2007-11-16 The first edition of Male Sexual Function A Guide to Clinical Management was published in 2001 Since that time two new oral medications for erectile dysfunction ED Vardenafil Levitra and Tadalafil Cialis have been introduced Links between ED and lower urinary tract symptoms have been postulated advances in the basic science of erectile physiology have occurred and the appreciation of ED as a form of endothelial dysfunction and a harbinger of other more potentially lethal forms of vascular disease has become more widespread In some instances third party payers have reduced or eliminated coverage for ED treatments in an attempt to cut costs They have classified sexual activity as recreational lifestyle or not medically necessary but have failed to appreciate the negative consequences of ED such as depression with all of its ramifications Male Sexual Function A Guide to Clinical Management Second Edition is a comprehensive overview of the field of male sexual function and includes a chapter on female sexual dysfunction an emerging field with a very high incidence in the population and an ever growing following **From Abraham to America** Eric Silverman, 2006-07-27 Silverman s new book is a comprehensive overview of Jewish circumcision throughout history Beginning with Genesis the author traces paradoxes and tensions in biblical Jewish circumcision as seen both within Judaism and from the dominant non

Jewish culture Topics include rabbinic literature early Christianity Medieval notions of menstruating Jewish men and the blood libel the relic of Christ's foreskin modern notions of the Jewish body and Jewish manhood and the current debate over Jewish and routine medical circumcision in America

Sex for Life Laura Carpenter, John DeLamater, 2012-02-01 Sexual beliefs behaviors and identities are interwoven throughout our lives from childhood to old age An edited collection of original empirical contributions united through its use of a distinctive cutting edge theoretical framework Sex for Life critically examines sexuality across the entire lifespan Rooted in diverse disciplines and employing a wide range of research methods the chapters explore the sexual and social transitions that typically map to broad life stages as well as key age graded physiological transitions such as puberty and menopause while drawing on the latest developments in gender sexuality and life course studies Sex for Life explores a wide variety of topics including puberty sexual initiation coming out sexual assault marriage life partnering disability onset immigration divorce menopause and widowhood always attending to the social locations including gender race ethnicity and social class that shape and are shaped by sexuality The empirical work collected in Sex for Life ultimately speaks to important public policy issues such as sex education aging societies and the increasing politicization of scientific research Accessibly written the contributions capture the interplay between individual lives and the ever changing social historical context facilitating new insight not only into people's sexual lives but also into ways of studying them ultimately providing a fresh new perspective on sexuality

The Ethics of Sex and Alzheimer's John Portmann, 2013-07-18 A growing epidemic Alzheimer's punishes not only its victims but also those married to them This book analyzes how Alzheimer's is quietly transforming the way we think about love today Without meaning to become rebels many people who find themselves married to Alzheimer's deflate the predominant notion of a conventional marriage By falling in love again before their ill spouse dies those married to Alzheimer's come into conflict with central values of Western civilization personal sexual familial religious and political Those who wait sadly for a spouse's death must sometimes wonder if the show of fidelity is necessary and whom it helps Most books on Alzheimer's focus on those who have it as opposed to those who care for someone with it This book offers a powerful and searching meditation on the extent to which someone married to Alzheimer's should be expected to suffer loneliness The diagnosis of dementia should not amount to a prohibition of sexual activity for both spouses Portmann encourages readers to risk honesty in assessing the moral dilemma using high profile cases such as Nancy Reagan and Justice Sandra Day O'Connor to illustrate the enormity of the problem Ideal for classes considering the ethics of aging and sexuality

Human Sexuality Anne Bolin, Patricia Whelehan, Muriel Vernon, Katja Antoine, 2021-06-29 This groundbreaking second edition of Human Sexuality continues its broad and interdisciplinary goal of providing readers with a comprehensive overview on sexuality as a core part of our individual identities and social lives Edited by anthropological experts on the subject this unique textbook integrates evolutionary and cultural aspects to provide a fully interdisciplinary approach to human sexuality that is rare in this area of scholarship Fully

updated throughout in line with developments in the field this second edition includes fresh material exploring new sexual identities sexual violence and consent Internet pornography conversion therapy polyamory and much more In addition to providing a rich array of photographs illustrations tables and a glossary of terms this textbook explores pregnancy and childbirth as a bio cultural experience life course issues related to gender identity sexual orientations behaviors and lifestyles socioeconomic political historical and ecological influences on sexual behavior early childhood sexuality puberty and adolescence birth control fertility conception and sexual differentiation HIV infection AIDS AIDS globalization and sex work Utilizing viewpoints across cultural and national boundaries and taking into account the evolution of human anatomy sexual behavior attitudes and beliefs across the globe Human Sexuality Second Edition remains an essential text for educators and students who wish to understand human sexuality in all of its richness and complexity Living Through the Hoop Reuben

A. Buford May, 2009-09 May tells the absorbing story of the hopes and struggles of one high school basketball team the Northeast High School Knights in Northeast Georgia and the powerful role that a basketball team can play in keeping young African American kids straight away from street life focused on completing high school and possibly even attending college

Engaging the Doctrine of Marriage Matthew Levering, 2020-08-12 This book is the next volume in Levering's Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage's importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage **The Wiley Handbook of Sex Therapy** Zoë D. Peterson, 2017-03-13 The Wiley

Handbook of Sex Therapy ist ein umfassendes und auf empirischer Basis bearbeitetes Werk zur jüngsten Theorie und Praxis in der psychotherapeutischen Behandlung sexueller Probleme quer durch alle Klientengruppen In vier Abschnitten werden spezifische sexuelle Fehlfunktionen theoretische Ansätze der Sexualtherapie die Arbeit mit der Diversität der Klienten und zukünftige Richtungen in der Sexualtherapie dargestellt Vertritt einen ganzheitlichen Ansatz in der Sexualtherapie fokussiert auf die Anwendung einer Bandbreite psychotherapeutischer Theorien und Techniken mehr als nur auf die gängigen Verhaltensstrategien Fallstudien dokumentieren das breite Spektrum an Zuständen die Klienten erleben können und die Sexualtherapeuten daher im Beratungsraum antreffen Enthält Beiträge von mehr als 60 Experten verschiedenster

Fachrichtungen The Blackwell Companion to the Sociology of Families Jacqueline Scott, Judith Treas, Martin Richards, 2008-04-15 Tackling issues relevant to family life today this authoritative Companion shows why studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Contains original essays by expert contributors on a wide range of topics relating to the sociology of families Includes coverage of social inequality parenting practices children's work the changing patterns of citizenship and multi cultural families Gives special attention to European and North American examples Discusses previously neglected groups including immigrant families and gays and lesbians Explores how revolutionary changes in aging longevity and sexual behavior have radically affected the experience of different generations and the relationships between them **Modern Loves** Jennifer S. Hirsch, Holly Wardlow, 2006 Grounded in recent cutting edge feminist anthropological theory these essays discuss how women and men do courtship intimacy and marriage around the world **Culture, Society and Sexuality** Richard Parker, Peter Aggleton, 2007-01-24 This new and revised edition of Culture Society and Sexuality brings together and makes accessible a broad and international selection of readings to provide insights into the social cultural political and economic dimensions of sexuality and relationships and emerging discourses around sexual and reproductive rights Clearly structured and presented the book makes an extremely useful reference for students and researchers Section one focuses on the social and cultural construction of sexuality as an emerging field of inquiry over the course of recent decades and examines some of the most important theoretical insights and areas of investigation that have emerged as this field has developed Section two links research on the construction of sexuality to a growing body of work on gender and sexuality in relation to a wide range of practical issues and contemporary social policy debates It is an essential reader not only for students and researchers in these areas but also for activists health workers and service providers who daily confront practical and policy issues related to sexuality sexual health and sexual rights
