Long Live Disco:

Disco's Out...Murder's In! Heath Mattioli, David Spacone, 2015-10-19 Famous for its revolutionary aspects in musical political sexual identity and consumerist ideas punk rock also has its lesser known gangster ethos as well explained here by players in the various punk gangs The Los Angeles Orange County and South Bay punk scenes populated by blue collar kids who responded to the violence and aggression of punk songs and shows A number of them formed punk gangs that got into beatings drug dealing and murder Among them no gang was more notorious than La Mirada Punks or LMP Says LMP chieftain Frank the Shank after getting arrested by police for murder After having my hands in so much bloodshed over the years I most certainly had it coming I deserved whatever I got Unexpectedly Frank was bailed out from prison by his father's friend a mob gangster Too many people died at the hands of punk rock violence said Frank I got lucky some didn't As an ultra violent punk rock gangster I admit my part in ruining the scene L A punk was a magical moment of youth expression like no other And the gangs ruined punk rock I still have people telling me today that they quit punk because of LMP I dig graves at a small cemetery just outside Los Angeles What else would you expect for Frank the Shank Cover illustration by the renowned Raymond Pettibon

Time of My Life Myf Warhurst, 2022-09-28 We all have a soundtrack to our lives songs that as soon as we hear them we're transported to a moment in time As the youngest child and only girl in a family of creative types Myf Warhurst grew up with the music in her Whether she was watching Daryl Braithwaite on TV on a Sunday night or listening to the crackle of the needle across vinyl as Agnetha and Anni-Frid took her from rural Victoria to Eurovision music has always shaped Myf's life Later her love of music and the realisation that a professional pianist gig wasn't part of the plan would shape her career But music isn't just about memories It's a safe place for people who feel different Songs and lyrics helped

Myf make sense of the world and deal with heartbreak and uncertainty Music steered her hopes and fashion choices cemented friendships and bonded family In *Time of My Life* she shares funny fabulous and occasionally fraught tales about growing up in a small country town with an unhealthy obsession with Countdown then working in Australian radio and her experiences on the much loved music quiz show *Spicks Specks* She spills the backstage beans on work fame feminism failure love and success Like a sommelier matches food with wine Myf matches hits with memory and in the process reminds us all that as Louis Armstrong said Music is life itself A captivating and joyous memoir of wisdom humour and heart that unleashes the music within us all **The Evil and the Innocent** Dennis C Richardson,2020-05-15 Book Delisted *Devil's Mile* Alice Sparberg Alexiou,2024-07-02

Devil's Mile tells the rip roaring story of New York's oldest and most unique street The Bowery was a synonym for despair throughout most of the 20th century The very name evoked visuals of drunken bums passed out on the sidewalk and New Yorkers nicknamed it Satan's Highway The Mile of Hell and The Street of Forgotten Men For years the little businesses along the Bowery stationers dry goods sellers jewelers hatters periodically asked the city to change the street's name To have a Bowery address they claimed was hurting them people did not want to venture there But when New York exploded into real estate frenzy in the 1990s developers discovered the Bowery They rushed in and began tearing down Today Whole Foods hipster night spots and expensive lofts have replaced the old flophouses and dive bars and the bad old Bowery no longer exists In *Devil's Mile* Alice Sparberg Alexiou tells the story of the Bowery starting with its origins when forests covered the surrounding area and through the pre Civil War years when country estates of wealthy New Yorkers lined this thoroughfare She then describes the Bowery's deterioration in stunning detail starting in the post bellum years She ends her historical exploration of this famed street in the present bearing witness as the old Bowery buildings and the memories associated with them are disappearing **Glamour Girl Learn to be a T-Shirt Designer** Hinkler Books Pty,

Invictus John Carlin,2009-11-18 Read the book that inspired the Academy Award and Golden Globe winning 2009 film INVICTUS featuring Morgan Freeman and Matt Daymon directed by Clint Eastwood Beginning in a jail cell and ending in a rugby tournament the true story of how the most inspiring charm offensive in history brought South Africa together After being released from prison and winning South Africa's first free election Nelson Mandela presided over a country still deeply divided by fifty years of apartheid His plan was ambitious if not far fetched use the national rugby team the Springboks long an embodiment of white supremacist rule to embody and engage a new South Africa as they prepared to host the 1995 World Cup The string of wins that followed not only defied the odds but capped Mandela's miraculous effort to bring South Africans together again in a hard won enduring bond Play It On My Radio Giselle Renarde,1901 Join award winning queer

Canadian author Giselle Renarde for a year's worth of music and memories As we listen to songs from a variety of genres Giselle shares anecdotes about growing up in the 80s being a teen of the 90s and listening to the radio on those long and lonely nights in her first apartment Accompany Giselle on a musical journey as she revisits the days of her youth through song From the introduction to *Play It On My Radio* My name is Giselle and I'm your new best friend Well maybe not best friend A best friend usually listens in addition to talking but that's not me What I will do is be here every day to share whichever song pops into my head Why What's the point Well here's the thing I'm a writer It's a pretty lonely job Over the years I've become increasingly socially isolated and you know what It sucks It sucks bad The truth of the matter is that a lot of us are socially isolated these days And not just older people younger ones too There are friendly visitor programs for seniors but those of us under 65 are kind of lost at sea I speak from experience If you need a no pressure visit every day let me be your friendly visitor I'll bring a song whichever song pops into my head gets stuck in my head or seems relevant to something that day As a person with chronic depression music has helped me more than anything It's magic I swear I hope my little musical visits will give you something to look forward to every day because they'll certainly do that for me

Playing the Enemy John Carlin, 2008 After being released from prison and winning South Africa's first free election Nelson Mandela presided over a country still deeply divided by fifty years of apartheid His plan was ambitious if not far fetched Use the national rugby team the Springboks long an embodiment of white supremacist rule to embody and engage a new South Africa as they prepared to host the 1995 World Cup The string of wins that followed not only defied the odds but capped Mandela's miraculous effort to bring South Africans together in a hard won enduring bond *Rip It Up and Start Again* Simon Reynolds, 2006-02-17 A landmark history of post punk the basis of the documentary film directed by Nikolaos Katranis Renowned music journalist Simon Reynolds celebrates the futurist spirit of such bands as Joy Division Gang of Four Talking Heads and Devo which resulted in endless innovations in music lyrics performance and style and continued into the early eighties with the video savvy synth pop of groups such as Human League Depeche Mode and Soft Cell whose success coincided with the rise of MTV Full of insight and anecdotes and populated by charismatic characters *Rip It Up and Start Again* re-creates the idealism urgency and excitement of one of the most important and challenging periods in the history of popular music
