Do I Look Fat in This? Rhonda Britten, 2007-03-06 The author of *Change Your Life in 30 Days* and *Fearless Living* confronts that nagging question from the inside out. As a Life Coach on the Emmy Award-winning daytime reality show *Starting Over*, Rhonda Britten has helped countless women befriend their bodies, first by encouraging them to face and accept what they see in the mirror and then by empowering them to make healthier decisions about their weight. In *Do I Look Fat in This*, Rhonda shares her personal story of body confidence and the stories of many of the women who have reached out to her. With Rhonda's encouragement and advice, people can find the courage and inspiration they need to move from disliking their bodies to celebrating them, from seeing them as objects of shame to considering them their own best friends.

The Time Traveler's Wife Audrey Niffenegger, 2004 A magical love story that is as sad as it is joyous.

Whispers of Lust Kate Bridges, 2025-06-15 I'm not scared of you. I'm scared of history repeating itself. For 21-year-old Mia, life has been a series of heartbreaks, disappointments, and buried truths. But now she's done playing it safe. Determined to find herself again, she leaves everything behind: her home, her family, her past, and sets off to start over. What she wasn't expecting: Him. The arrogant, dangerously handsome man with more secrets than smiles. The one with money, power, and a child, a life she never planned on walking into, yet suddenly can't walk away from. Just when Mia starts to believe she might deserve something more, something real, the past she fought to escape comes crashing back in. And this time, it's not just her heart on the line. Raw, passionate, unforgettable. This is a story about second chances, shattered trust, healing, and the kind of love that doesn't ask permission; it demands everything.

18 WARNING This book contains mature themes, emotional triggers, and steamy romance. Intended for adult readers who love messy, magnetic love stories with high stakes and even higher heat.

Going Within To Get Out Anonymous Girl, 2013-12 the minute I picked this book up I was on an emotional rollercoaster. It was the most amazing journey to find myself crying one minute and laughing the next with the author's infectious wit and undeniable honesty. The diary entries are so raw and vulnerable and have been written in a way that I have never experienced before. I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about. At times it felt like there was nowhere to hide; the words I was reading were so confronting it felt as though they were written just for me. Taking this journey with

the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me With every page that I read I couldn't believe how I was not only totally enthralled in the author's personal life story but that I was actually also uncovering so much about who I am as a person at my very core It allowed me to discover the parts of myself that I didn't like or accept yet and also how to recognise this in my day to day life I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul What I have gained from reading it is without a doubt the best gift anyone could ever give
