Looking Back Moving On Memoir As Prologue:

Looking Back, Moving On Janice Rubin, 2003-08-18 It takes courage and perseverance to revisit the days and nights of our lives and write down what we find to make a record of our lives Looking Back Moving On provides the guide to begin the adventure and helps us through the pleasures and pitfalls the joys and the sorrows that may be encountered Rubin enables us to discover that ultimately the project is the gift of self discovery we give to ourselves which enables us to go on to enjoy life to the fullest Excerpts from her students writing contribute to our feeling of being part of the creative community

Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Matters of the Heart Jacinta Nampijinpa Price, 2025-02-01 The moving story of an Indigenous woman who beat disadvantage and violence to become one of Australia's most influential political voices Jacinta Nampijinpa Price was nine months pregnant and due to give birth the night she attended her high school formal With her baby tucked in her arms she completed year 12 from her hospital bed Early in their relationship she took her future husband Colin to the Alice Springs morgue to identify the body of a family member who'd been killed Nothing about the life of this passionate and steely Warlpiri woman could ever be described as ordinary In this remarkable memoir Jacinta Nampijinpa Price candidly recalls her journey from the remote outback communities of Yuendumu and Alice Springs in the Northern Territory a young girl with big dreams and the red dust of her ancestors under her fingernails to the corridors of Canberra and beyond Honest raw and at times heartbreaking Matters of the Heart is a deeply personal reflection of how a young Indigenous woman growing up surrounded by violence and tragedy beat the odds to become one of the most powerful political voices of our time I've been to hell and back and I've survived

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially

breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim's turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn't know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing

An Accidental Memoir Wendy Reed, 2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O'Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child [A Look Back in Time: Memoir of a Military Kid in the 50s](#) Bernard N. stores and factories They pored over the giant map in their middle school classroom tracing their fingers over the world that awaited them vowing to escape In the end Monica left Clinton for college and fulfilled her dreams but Darci along with many in their circle of friends did not Years later working as a journalist covering poverty Potts discovered what she already intuitively knew about the women in Arkansas Their life expectancy had dropped steeply the sharpest such fall in a century This decline has been attributed to deaths of despair suicide alcoholism and drug overdoses but Potts knew their causes were too complex to identify in a sociological study She had grown up with these women and when she saw Darci again she found that her childhood friend addicted to drugs often homeless a single mother was now on track to becoming a statistic In this gripping narrative Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited The Forgotten Girls is a profound compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance education religion and politics shape individual lives
