Justification James K. Beilby, Paul Rhodes Eddy, 2011-11-10 Therefore since we have been justified by faith we have peace with God through our Lord Jesus Christ Rom 5 1 When Paul wrote these words he seemed confident he had made himself clear But for centuries the Pauline doctrine of justification has been a classic point of interpretation and debate in Christian exegesis and theology And while in recent decades there have been moments of hopeful convergence among the various traditions of the Western church the fine print often reveals more facets and distinctions than ever before This volume focuses on five views of justification and calls on representative proponents to set forth their case and then respond to each other The five views are Traditional Reformed Michael S Horton Progressive Reformed Michael F Bird New Perspective James D G Dunn Deification or Theosis Veli Matti K rkk inen Roman Catholic Gerald O Collins and Oliver Rafferty In addition editors James Beilby Paul R Eddy and Steven E Enderlein provide an extensive introduction to the issues informing this important debate This distinguished forum of biblical interpreters and theologians offers a lively and informative engagement with the biblical historical and contemporary understandings of justification Justification Five Views is not only a fascinating probe into Paul s meaning it is also a case book in theological method
