Looking For A Miracle Weeping Icons Relics Stigmata Visions And Healing Cures:

Looking for a Miracle Joe Nickell, 2009-12-02 The willingness of people to believe in magical icons mystical relics and miraculous pictures like the Image of Guadalupe is almost as curious as these phenomena themselves Though they cry out for scientific investigation millions of people blindly accept them as fact Historical and paranormal investigator Joe Nickell confronts such strange events powers and objects as the Shroud of Turin bleeding or weeping statues burning handprints liquefying blood ecstatic visions miraculous cures and people speaking in tongues in *Looking for a Miracle* Departing from standard critiques of religion Nickell carefully investigates the evidence relating to specific claims Religious believers and rationalists alike have much to learn from this revealing examination of the evidence for the miraculous **Looking for a Miracle** Joe Nickell, 1997 *Shining Garment of the Text* Alison Jasper, 1998-09-01 Taking the prologue of John's Gospel as a case study in feminist biblical criticism the author engages with a persistent view that the biblical text is seriously compromised by its association with patriarchal values Close analysis of five interpretations by Augustine Hildegard von Bingen Martin Luther Adrienne von Speyr and Rudolf Bultmann shows how unavoidably interpretation clothes the biblical text with the varied and dazzling patterns of the patriarchal reading context But in a second turn drawing on the techniques of both structuralist criticism and deconstruction and offering three further inventive readings of this powerful passage Jasper reflects woman and the feminine in the shining garment of her own contextualized reading **Catholic God, True God** Parker Manning, 2022-10-19 Have you ever wondered why Catholics believe in God or who this God is In his new book *Catholic God True God* Parker Manning explains just that He goes through evidence for the existence of God but doesn't stop there He also argues that this God is the God of the Bible by giving evidence to the most famous Old Testament stories and New Testament ones He also goes through supposed errors in the Bible and explains how they are not truly errors Lastly and most importantly he details why Catholics are the only ones who fully understand God Also be sure to check out his first book *Fundamentals of Catholic Theology in Just Over 100 Pages* Parker Manning takes a fresh look at the big topics in Catholic apologetics He avoids the well traveled areas in previous works and focuses on the questions that lurk behind the questions things typically missed by others Gary Michuta author of *The Case for the Deuterocanon* and *Why Catholic Bibles are Bigger*

Real-Life X-Files Joe Nickell, 2001-10-24 Excellent background research on site investigations of mysteries ranging from crop circles and lake monsters to spiritualist mediums and stigmata Booklist As a former private investigator and forensic writer Joe Nickell has spent much of his career identifying forged documents working undercover to infiltrate theft rings and investigating questioned deaths Now he turns his considerable investigative skill toward the paranormal researching the most well known and mysterious phenomena all over the world spontaneous human combustion UFO visitations auras electronic poltergeists and many many more with an eye toward solving these mysteries rather than promoting or dismissing them *Real Life X Files Investigating the Paranormal* examines the cases of over forty paranormal mysteries Using a hands on

approach Nickell visits the scene of the so called unexplainable activity whenever possible and attempts to physically duplicate the miraculous Whether he s inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius Nickell does whatever necessary to eliminate the probable before considering the supernatural What is left is that much more fascinating Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln s death and the supposed crash landing of an alien spacecraft near Roswell New Mexico He closely examines claims of the miraculous from rose petals bearing the likeness of Jesus to photographs of a golden door to heaven Controversial mysteries such as clairvoyance and spirit painting haunted places and freaks of nature are just a few of the many topics covered Suspenseful engrossing funny and grounded in scientific methodology Real Life X Files provides real explanations for the paranormal activities that have intrigued human beings for centuries

Sense and Goodness

Without God Richard Carrier,2005-02-23 If God does not exist then what does Is there good and evil and should we care How do we know what s true anyway And can we make any sense of this universe or our own lives Sense and Goodness answers all these questions in lavish detail without complex jargon A complete worldview is presented and defended covering every subject from knowledge to art from metaphysics to morality from theology to politics Topics include free will the nature of the universe the meaning of life and much more arguing from scientific evidence that there is only a physical natural world without gods or spirits but that we can still live a life of love meaning and joy

50 Popular Beliefs That People Think

Are True Guy P. Harrison,2012-01-03 What would it take to create a world in which fantasy is not confused for fact and public policy is based on objective reality asks Neil deGrasse Tyson science popularizer and author of Astrophysics for People in a Hurry I don t know for sure But a good place to start would be for everyone on earth to read this book Maybe you know someone who swears by the reliability of psychics or who is in regular contact with angels Or perhaps you re trying to find a nice way of dissuading someone from wasting money on a homeopathy cure Or you met someone at a party who insisted the Holocaust never happened or that no one ever walked on the moon How do you find a gently persuasive way of steering people away from unfounded beliefs bogus cures conspiracy theories and the like This down to earth entertaining exploration of commonly held extraordinary claims will help you set the record straight The author a veteran journalist has not only surveyed a vast body of literature but has also interviewed leading scientists explored the most haunted house in America frolicked in the inviting waters of the Bermuda Triangle and even talked to a contrite Roswell alien He is not out simply to debunk unfounded beliefs Wherever possible he presents alternative scientific explanations which in most cases are even more fascinating than the wildest speculation For example stories about UFOs and alien abductions lack good evidence but science gives us plenty of reasons to keep exploring outer space for evidence that life exists elsewhere in the vast universe The proof for Bigfoot or the Loch Ness Monster may be nonexistent but scientists are regularly discovering new species some of which are truly stranger than fiction Stressing the excitement of scientific discovery and the legitimate mysteries and

wonder inherent in reality this book invites readers to share the joys of rational thinking and the skeptical approach to evaluating our extraordinary world

A New Approach to Synchronicity Lance Storm, 2025-03-26 This book offers an up to date handling of C G Jung s Theory of Synchronicity and the more mainstream paranormal phenomena known as extra sensory perception ESP and psychokinesis PK collectively referred to as psi Author Lance Storm re works various aspects of synchronicity traditionally marginalized by parapsychologists to bring about a paradigm shift in the field Most often seen as fundamentally different the book draws parallels between psi and synchronicity and equates the two arguing that psi was all along a form of synchronicity just as Jung had anticipated To achieve this Storm necessarily modifies both the parapsychologist s view about psi and Jung s views about synchronicity enabling a satisfactory merger of the two paranormal phenomena Based on rigorous scientific research and written in an easy to understand style this book is an important resource for specialists such as anomalistic psychologists parapsychologists philosophers paranormalists and theologians

Silent Soul Antonia Felix, 2001-04-21 Three days a week visitors from around the world enter the chapel of a small home in Worcester Massachusetts They have come to witness the Communion host that suddenly manifested a dark stain of blood during a Mass in this very room Most of all they have come to be near Audrey the teenage girl who lies in a bedroom at the other end of the house Unable to move or speak after a near drowning accident when she was three years old Audrey is believed by many to
