Looking For Hogeye:

Looking for Hogeye (c) Roy Reed, 1986 In that always compelling yet simple style that has made Roy Reed one of the country's foremost journalists he shows us as we share with him delightful moments and rich insights on the way to Hogeye. Southerners still different for being Southerners and country Southerners who are even more so pained by bruises and comforted by salves that are peculiarly their own. I hope that my city friends will not be upset to learn that this book is a little more sympathetic to the Arkansas hill people than it is to New Yorkers. he says I have grown attached to cities over the years but I am still somewhere near my heart a hillbilly. I have gone to a lot of trouble to remember that. This book is a special admission into those hills to Vacation Bible School tent meetings, sale barns, back roads and pool halls to dog days in Hogeye. To read *Looking for Hogeye* is to sit with Roy Reed on his wide front porch as he tells by the life he lives why after Washington, London and New York he made his home in the north Arkansas hills where he felt as he puts it like Brer Rabbit reentering the briar patch. It is a visit not to be missed and not to be forgotten. **Looking for Hogeye** Roy

From the expeditions of de Soto in the sixteenth century to the celebrated work of such contemporary writers as Maya Angelou, Ellen Gilchrist and Miller Williams, Arkansas has enjoyed a rich history of letters. These two volumes gather the best work from Arkansas's rich literary history, celebrating the variety of its voices and the national treasure those voices have become. **Looking Back at the Arkansas Gazette** Roy Reed, 2009-03 With a legendary beginning as a printing press

floated up the Arkansas River in 1819, the Arkansas Gazette is inextricably linked with the state's history, reporting on every

major Arkansas event until the paper's demise in 1991 after a long bitter and very public newspaper war. Looking Back at the Arkansas Gazette knowledgeably and intimately edited by longtime Gazette reporter Roy Reed comprises interviews from over a hundred former Gazette staffers recalling the stories they reported on and the people they worked with from the late forties to the paper's end. The result is a nostalgic and justifiably admiring look back at a publication known for its progressive stance in a conservative Southern state: a newspaper that after winning two Pulitzers for its brave rule of law stance during the Little Rock Central High Crisis was considered one of the country's greatest. The interviews collected from archives at the David and Barbara Pryor Center for Arkansas Oral and Visual History at the University of Arkansas provide fascinating details on renowned editors and reporters such as Harry Ashmore, Orville Henry, and Charles Portis; journalists who wrote daily on Arkansas's always colorful politicians; its tragic disasters and sensational crimes; its civil rights crises; Bill Clinton; the Razorbacks sports teams; and much more. Full of humor and little-known details, Looking Back at the Arkansas Gazette is a fascinating remembrance of a great newspaper.

Beware of Limbo Dancers Roy Reed, 2012-10-01. This witty wide-ranging memoir from Roy Reed, a native Arkansan who became a reporter for the New York Times, begins with tales of the writer's formative years growing up in Arkansas and the start of his career at the legendary Arkansas Gazette. Reed joined the New York Times in 1965 and was quickly thrust into the chaos of the Selma Alabama protest movement and the historical interracial march to Montgomery. His story then moves from days of racial violence to the political combat of Washington. Reed covered the Johnson White House and the early days of the Nixon administration as it wrestled with the competing demands of black voters and southern resistance to a new world. The memoir concludes with engaging postings from New Orleans and London and other travels of a reporter always on the lookout for new people, old ways, good company, and fresh outrages.

Arkansas Beer Brian Sorensen, 2017-09-11. Arkansas's booze scene had a promising start with America's biggest brewing families, Busch and Lemp, investing in Little Rock just prior to Prohibition. However, by 1915 the state had passed the Newberry Act banning the manufacturing and selling of alcohol. It was not until sixty-nine years later that the state welcomed its first post-temperance brewery, Arkansas Brewing Company. After a few false starts, brewpubs in Fayetteville, Fort Smith, and Little Rock found success. By 2000 the industry had regained momentum. An explosion of breweries around the state has since propelled Arkansas into the modern beer age.

Shadow Patterns Jeff Shannon, 2017-04-15. Winner 2017 Ned Shank Award for Outstanding Preservation Publication from Preserve Arkansas. *Shadow Patterns: Reflections on Fay Jones and His Architecture* is a collection of critical essays and personal accounts of the man the American Institute of Architects honored with its highest award, the Gold Medal, in 1990. The essays range from the academic, with appreciations and observations by Juhanni Palaasma and Robert McCarter, and Ethel Goodstein Murphree, to personal reflections by clients and friends. Two of Arkansas's most accomplished writers, Roy Reed and Ellen Gilchrist, who each live in Fay Jones houses, have provided intimate portrayals of what it's like to live in and manage the quirks of a house.

built by a genius where light is everywhere Everything is quiet and everything is a surprise as Gilchrist says Through this compendium of perspectives readers will learn about Jones s personal qualities including his strong will his ability to convince other people of the rightness of his ideas and yet his willingness at times to change his mind We also enter into the work powerful architecture like Stoneflower and Thorncrown Chapel and Pinecote Pavilion along with private residences ranging from the modest to the monumental And we learn about his relationship with his mentor Frank Lloyd Wright Shadow Patterns broadens and enriches our understanding of this major figure in American architecture of the twentieth century
