J. R. Version O)* Inspired by the painting of Paul Cézanne and the inventions of African and tribal sculpture Picasso created a work that captured the disorienting experience of modernity itself The painting proved so shocking that even his friends assumed he'd gone mad but over the months and years it exerted an ever greater fascination on the most advanced painters and sculptors ultimately laying the foundation for the most innovative century in the history of art In *Picasso and the Painting That Shocked the World* Miles J Unger combines the personal story of Picasso's early years in Paris his friendships his romances his great ambition his fears with the larger story of modernism and the avant garde The Christian Science Monitor This is the story of an artistic genius with a singular creative gift It is riveting This engrossing book chronicles with precision and enthusiasm a painting with lasting impact in today's art world Publishers Weekly starred review all of it played out against the backdrop of the world's most captivating city *What Are You Looking At?* Will Gompertz, 2013-09-24 The perfect gift for the art lover in your life In the tradition of *Eat, Shoot, Leave* Will Gompertz teaches art history with a sense of humor Every year millions of museum and gallery visitors ponder the modern art on display and secretly ask themselves Is this art A former director at London's Tate Gallery and now the BBC arts editor Will Gompertz made it his mission to bring modern art's exciting history alive for everyone explaining why an unmade bed or a pickled shark can be art and why a five year old couldn't really do it Rich with extraordinary tales and anecdotes *What Are You Looking At?* entertains as it arms readers with the knowledge to
