The Ocean James Hanley, 2015-03-17 Five shipwrecked passengers fight panic thirst and the sea itself One minute sailor Joseph Curtain is in his bunk The next he is submerged in the ocean A German torpedo has struck the Aurora and she is sinking fast Curtain makes his way to a lifeboat and guides the survivors aboard There are only six of them and when the submarine's machine gun rakes the side of their boat the number dwindles to five Alongside Curtain are three men of various character and an elderly chaplain who is too sick to speak Hope is slim but Curtain will do what he must to survive He organizes the party into watches rationing their food and enforcing strict discipline But as their time in the boat stretches on Curtain realizes that this tiny craft and its flagging crew are hardly a match for the power of the ocean *The Tree of Life and Prosperity* Michael A. Eisenberg, 2021-08-24 One of Israel's most successful venture capitalists uses the words and actions of the Hebrew patriarchs to lay the foundations for a modern growth economy based on timeless business principles and values Entrepreneurs businessmen and investors are constantly looking for principles and rules that will pave the way for success Usually those at the forefront are successful entrepreneurs from Silicon Valley or legendary Wall Street investors But the principles of economic growth wealth creation and preservation were written long before the rise of the modern market economy and its heroes Michael Eisenberg one of the most successful venture capitalists in Israel and one of the first investors in Lemonade and Wix reveals in *The Tree of Life and Prosperity* the eternal principles for successful business economics and negotiation hidden in the Torah and shows their relevance to the modern world we live in *The Hotel Lambert* Eugène Sue, 1845 *The Man who was Guilty* Flora Haines Loughhead, 1886 *The Journal of American Folklore*
