Man Does Survive Death:

Does Man Survive Death? Eileen Jeanette Lyttle Garrett, 1958 **He Descended into Hell** Elikana Asheri Lova, Elia Shabani Mligo, 2015-02-09 The Apostles Creed is one of the most prominent creeds in Christianity perhaps even the most recited creed by normal believers in church services However the creed holds a clause that seems controversial to Christian mission in some contexts especially African contexts The clause He descended into Hell is the main concern of this book In African context where ancestral cult is prominent in both people's worldview and practice this clause poses a tangible problem of religious syncretism The phrase suggests a life after immediate death that a person can continue to live in a certain realm soon after death Since the clause depicts Jesus descending into hell after death and burial and preaching to the other souls of the dead in hell it suggests the possibility of hearing a message of salvation after death a doctrine hardly held by Christianity The doctrine therefore becomes good news for those Africans who hold firm the ancestral cult and those whose relatives had died in sin on earth Therefore this book critically examines the origin and use of this doctrine in the church and its validity in an African context **Surviving Death** Leslie Kean, 2018-03-06 THE INSPIRATION FOR THE NETFLIX ORIGINAL SERIES An impeccably researched page turning investigation revealing stunning and wide ranging evidence suggesting that consciousness survives death from New York Times bestselling author Leslie Kean An engaging personal and transformative journey that challenges the skeptic and informs us all Harold E Puthoff Ph D director of the Institute for Advanced Studies at Austin In this groundbreaking book award winning journalist and New York Times bestselling author Leslie Kean investigates the unexplained continuity of the human psyche after death Here Kean explores the most compelling case studies of young children reporting verifiable details from past lives contemporary mediums who seem to defy the boundaries of the brain and of the physical world apparitions providing information about their lives on earth and people who die and then come back to report journeys into another dimension Based on facts and scientific studies *Surviving Death* includes fascinating chapters by medical doctors psychiatrists and PhDs from four countries As a seasoned reporter whose work transcends belief systems and ideology Kean enriches the narrative by including her own unexpected confounding experiences encountered while she probed the question concerning all of us Do we survive death **Man Does Survive Death** D.
