Archæology and the Bible George Aaron Barton,1927 *Surviving the Seasons* Fern Kupfer,2009-07-29 Funny sad and familiar from the anguish and delight of early love to its wistful repetitions in old age *Surviving the Seasons* is very moving and absolutely true Belva Plain These are the golden years under the Florida sun Now released from the pressures of working and problems of raising a family down South they come still with their quick New York ways and the baggage from the past unpacked displayed like treasures in their new homes The marriages good and bad have survived the seasons It is a time made more precious coveted because there is the awareness that this is the end of something Not a gloomy thought but a realistic one This is it When one of us dies But could you ever start again Could you start now with someone whose history you do not share With someone who has not known the smooth faced girl or boy you used to be Even given the chance would you ever want to Love and Ghost Letters Chantel Acevedo,2013-09-10 On the outside Josefina Navarro s life seems fortunate enough she lives with her father and her nursemaid Regla who raises her after the death of her mother in a luxurious home in Vedado one of Cuba s wealthiest districts She attends society dances and is courted by all of Havana s elite young bachelors Enchanted by the rituals of her nursemaid Josefina learns about the profound mysticism inherent in even the most mundane affairs Though she is pampered Josefina feels that her life is without passion or excitement Her father Sergeant Antonio Navarro a Spaniard by birth is a stern and demanding man whose past is a tightly kept secret When she meets and marries Lorenzo Concepci n a poor reckless young man the sergeant tells her So you have chosen him and you will be hungry and miserable all your life The couple moves to El Cotorro a poverty stricken town that is far removed from the Vedado plazas and carefully tended gardens Josefina knew Lorenzo begins to leave her for months at a time looking for work but in reality womanizing and carousing all over the island Even after the birth of two healthy children Josefina is not happy This is not the life she had envisioned During a political maelstrom history brings the sergeant to El Cotorro to quell a riot where he is attacked and presumed dead But perception is reality on an island in which darkness and light commingle and magic and truth are one in the same When Josefina begins receiving letters from her father she believes that what she holds are heaven s missives ghost letters Through the letters Josefina comes to know her father intimately as a ghost and guardian as he reveals the truth about his life In the act of writing and reading she has found a love to fill the empty places in her heart Set in Cuba and Miami covering nearly fifty years of the island s history LOVE AND GHOST LETTERS unfolds the lives of the Navarro Concepci n families in the patterns and permutations of memory and conjures a Cuban setting that evokes mysticism and magic *The Plain-dealer* William Wycherley,1720 *Vigilant Charity* Wayne Stinnett,2019-06-28 Charity Styles has been wandering the Pacific aimlessly aboard her beloved sloop Wind Dancer and only recently returned to the turquoise waters of the Caribbean Entering a secluded cove in the Sea of Abaco in the Bahamas she runs into an old

acquaintance and the woman's young daughter. The two have a few things in common, not the least of which are four men's bodies at the bottom of a 600-foot deep blue hole on Hoffman's Cay. The reunion is fraught with what ifs. What if Charity had enjoyed a normal childhood like her friend's young daughter? What if her mother hadn't abandoned her as a child? What if her father hadn't died when she was in college? What if Victor hadn't been murdered? Just as Charity begins to relax and truly enjoy the companionship of a good friend, disaster strikes. In an instant, she's faced with a terrible choice that will push Charity to her limits. Her action could mean the difference between life and death for both mother and daughter. When Charity's two worlds collide violently, a drug-running operation is exposed, as well as a slick southern lawyer. Will Charity handle things in her usual way?

CINNAMON ISLAND Collin Pereira, 2019-04-09 Cinnamon Island is a mysterious uncharted island with magical history and undiscovered secrets. The story is an impossible, torrid fairy tale like a saga of an inter-racial love triangle involving a princess, a sailor, and a farmer. The period is the late eighteenth century, before the advent of steamships, cell phones, TV, etc. The means of transport of the time were sailing ships, horses, horse-driven coaches, and bullock carts. The characters and their emotions resulting in erotic encounters, however, are very much real and intense. Cinnamon Island is a fairy tale, but the picturesque depiction of the erotic love that happens between the characters in this book is no child's fairy tale, but an adult depiction of love, sex, and raw emotions and desires of the characters. The evolution of the main characters, Irene the princess, Vivek the sailor, and Conrad the farmer, are stories within the main story. Could you guess the end of this intrigue?

The Road of Bones Demi Winters, 2023-06-27 In this epic and immersive Viking-inspired romantic fantasy, a woman fleeing a ruthless assassin accidentally joins forces with a group of thieves and must use all her cunning to escape with her life and heart intact. Silla Nordvig is running for her life. The Queen of Seldur has sent warriors to bring Silla to Sunnavik, where death awaits her. When her father is killed, his last words set Silla on a perilous quest: travel the treacherous Road of Bones, a thousand-mile stretch haunted by warbands, creatures of darkness, and a mysterious murderer, and go to Kopa, where a shield house awaits her. After barely surviving the first stretch of road, a desperate Silla sneaks into a supply wagon belonging to the notorious Bloodaxe Crew. To make it to Kopa, she must win over Axe Eyes, the brooding leader of the Crew, while avoiding the Wolf, his distractingly handsome right-hand man. All the while, the queen's ruthless assassin hunts Silla obsessively. Will Silla make it safely to Kopa? Or will she fall prey to the perils of the Road of Bones?
