Chosen Nations Christina L. Littlefield,2013-09-01 At the heart of the biblical myth of chosenness is the idea that God has blessed a people to be a blessing to others It is a mission of solemn responsibility The six British and American thinkers examined in this study embraced the myth of chosenness for their countries believed that the liberties they enjoyed were inherently tied to their Protestant faith and that it was their mission to protect and spread that faith and its democratic fruit at home and abroad *THE NATION THAT TRUST IN GOD* God Knows,2019-11-08 Spirituality and faith directed by God himself The bottom line is how to get the people he created to himself in heaven instead of hellfire with the devil who did not create them **Unity** ,1919 **The Nation** ,1895 *Godey's Lady's Book* ,1861 **Introduction to Psalms** Hermann Gunkel,2020-02-05 Hermann Gunkel s commentary on Psalms *Die Psalmen* HKAT considered by many to be his magnum opus was published in 1926 But he was unable to complete his final work on the Psalms The severe suffering of the final months of his life forced him to hand over his incomplete manuscript at Christmastime 1931 to his pupil Joachim Begrich Gunkel died on 11 March 1932 Begrich put the final touches on the organization of Gunkel s last work on Psalms and it was published in 1933 as *Einleitung in die Psalmen die Gattungen der religiösen Lyrik Israels* As with much of Gunkel s other work the influence of *Einleitung in die Psalmen* on the study of the Psalms Hebrew poetry and indeed the whole realm of Old Testament literature lyric and cult as already noted can scarcely be overestimated [Social Change](#) Alicia Swords,2024-08-21 *Social Change Movements Politics and Technology* is a groundbreaking exploration of social transformation from a conflict theory perspective offering a deep dive into the historical and sociological analysis of leaders within contemporary social movements This text reader is an essential guide for those seeking to understand the dynamics of social change and the role of social actors in shaping the future **The Dream Lives On** Jacob W. Elias,2023-09-18 Dorothy Word an African American woman dreaming of a hopeful future for her people advocated for African American scientists athletes inventors and others often not recognized for their contributions She writes not as noted scholar politician or journalist but as a layperson from the back row of public visibility As a retired teacher in several elementary schools she continued to lobby for children and their families She was an activist passionately pursuing the dream for equity and justice for all Her voice needs to be heard and Jacob offers a perceptive framework for an intercultural understanding of her message Dorothy first became acquainted with Jacob Elias and his wife Lillian in 2001 when they were pastors of her congregation Parkview Mennonite Church Kokomo Indiana Following her retirement Dorothy wrote newspaper columns for the Kokomo Tribune Having served as her pastor for four years and ten years later exercising power of attorney for her as she receded into dementia Jacob gathered forty one of her articles into this volume **Department of State Wireless Bulletin** ,1951 **A Nation Dedicated to Religious Liberty** Arlin M.
