Nine Fruits Of The Spirit Selfcontrol:

Nine Fruits of the Spirit Robert Strand, 1999-06 Robert Strand one of the most successful authors in the CBA market believes that an understanding of the qualities of a Christian deserve a close look To that end Strand has developed a nine book study series on the fruits of the spirit emphasizing not only that a properly balanced Christian life must include love joy peace patience etc but that God will judge us on our willingness to incorporate them into our daily walk Written in Strand s famous storytelling style each book in the series includes study questions and special insights *The Feeler* James W. Goll, 2021-03-09 James Goll is one of the most accurate prophets I know Sid Roth It s Supernatural The Scriptures give us a full color picture of a God who is moved by emotions such as yearning love and compassion Our human emotions reflect the emotional qualities of our Creator who made us in His own image Feelings have a vital place in any believer s life not just in those who have a more sensitive nature due to their personalities The Feeler by James W Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God s voice We experience the love joy and presence of God with our feelings Our emotions have an impact on our bodies our level of holiness our relationships and our decisions The Bible tells us we need to have our senses trained to discern good and evil Hebrews 5 14 NASB What are we training Both our natural senses and our spiritual senses Our physical senses with the addition of knowing correspond to our spiritual senses in these ways Eyes sight visions and dreams Ears hearing voices and sounds Heart touch emotions and feelings Tongue taste good and evil Nose smell good and bad Mind knowing divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God s Spirit speaks to believers as well as how to discern good and evil spirits With consecrated gifts and senses you can reach out to the body of Christ and to the world at large in both spiritual and practical ways making you much better equipped to fulfill your role as an ambassador of the gospel *Your Soul's Compass* Joan Z. Borysenko, Ph.D., Gordon Dveirin, Ed.D., 2008-10-01 Drawing on spiritual wisdom from sacred texts across a variety of religious traditions this is an elegant simple and practical guide to get in touch with your higher self Deepak Chopra author of *The Seven Spiritual Laws of Success* Why am I here What does a life worth living look like What is the higher intelligence trying to express through me In this time of global change and uncertainty of spiritual indirection Americans are asking these age old questions with renewed curiosity There s a thirst for meaning and purpose a dawning realization that happiness isn t a commodity that can be bought with a gold card Fulfillment and joy arise naturally from creative and compassionate action from the understanding that all life is interconnected and guided by a higher intelligence Our personal choices make a difference and when they are spiritually inspired even the smallest action serves a larger whole Sacred texts ranging from the Torah to the New Testament the Tao Te Ching to the Buddhist scriptures the Vedantas to the Koran speak of making life enhancing choices where a force greater than the individual flows through us and informs our thoughts and actions In this book we ll focus on the three classic aspects of living such a spiritually guided life 1 alignment

maintaining a direct and personal connection to the Source of our Being 2 discernment distinguishing the movement of Spirit in our lives from our own wants fears and social conditioning and 3 action making our best most inspired contribution to the evolution of life
