Baehr, 2004-04-05 Over the past thirty years western political philosophy has been enriched by a renewed interest in

liberalism and by the development of feminism Although liberalism is one of the important historical roots of feminism many contemporary feminist political philosophers reject liberal political theory Indeed that liberalism and feminism are incompatible has been the dominant view among feminist scholars over the past 30 years Varieties of Feminist Liberalism is a groundbreaking collection that examines the relationship between these two rich normative traditions The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible This long overdue volume is the first to bring together papers by feminist liberals and to aim explicitly at reconciling feminism and liberalism

The New Ayn Rand Companion Mimi R. Gladstein,1999-08-30 An essential guide to the life and works of Ayn Rand the book chronicles and summarizes her writings presents information about her national and global impact and the response to it and provides the most comprehensive bibliography published to date Written by an independent scholar who is not part of either the Ayn Rand establishment or the Ayn Rand detractor camp The New Ayn Rand Companion builds on the foundation of the original New materials about Rand s posthumous publications the latest biographical information and summaries of books and articles about Rand published since her death have been added Burgeoning interest in Rand the publication of her Letters and Journals and Russian Writings and the growing body of critical works necessitates an expanded and revised edition of the Ayn Rand Companion This new edition is the only general reference work that covers the complete Rand corpus including both those works published during her life and those published to date

Realizing Freedom Tom G. Palmer,2014-03-17 What is freedom How is freedom related to justice law property peace and prosperity Tom Palmer has spent a lifetime as a scholar teacher journalist and activist asking and answering these questions Since its publication in 2009 Realizing Freedom has been the recipient of wide acclaim both in the United States and around the world Now this expanded edition adds even greater depth and dimension to the book with newly added essays that confirm Palmer s role as one of liberty s most articulate advocates A tireless educator Palmer has traveled the world to bring the message of freedom to people on every continent At home he has been an incisive commentator on current affairs as well as an original and innovative thinker in political philosophy The essays in this volume are drawn from his decades of work on the theory of justice multiculturalism democracy and limited government globalization the law and economics of patents and copyrights among many other topics and reflect the many levels on which Palmer has promoted individual liberty

The Political Junkie Handbook Michael Crane,2004 This easy to use book is designed to inform the American public about the political system that influences much of their lives

Descartes and Cartesianism Stephen Gaukroger,Catherine Wilson,2017-01-19 This volume is a collection of original essays dealing with Cartesian themes and problems especially as these arise in connection with Cartesian natural science and the theory of perception agency mentality divinity and the

passions It focuses in particular on Desmond Clarke's important contributions to these aspects of Descartes's writings Stephen Gaukroger and Catherine Wilson split the volume into four distinct parts Cartesian Science Mind and Perception Actions and Passions and Cartesian Woman The contributors are internationally known and respected scholars of 17th century philosophy writing on a number of their favourite Cartesian topics **Ayn Rand Cult** Jeff Walker, 2012-03-30 Despised by the intellectual establishment Ayn Rand continues to attract many thousands of devoted followers Her Objectivist movement preaches an uncompromising hard line on politics art sex and psychological health Though much has been written about Rand The Ayn Rand Cult is the first book to explain the true origin of her ideas and to show how they were shaped into a new atheistic religion Jeff Walker shatters many myths about Rand exposing Objectivism as a classic cult unusual because of its overt emphasis on self interest rationality and atheism but typical of cults in its guru worship thought control trial and excommunication of deviants and hostility to existing society **The Blank Slate** Steven Pinker, 2003-08-26 A brilliant inquiry into the origins of human nature from the author of Rationality The Better Angels of Our Nature and Enlightenment Now Sweeping erudite sharply argued and fun to read also highly persuasive Time Finalist for the Pulitzer Prize Updated with a new afterword One of the world's leading experts on language and the mind explores the idea of human nature and its moral emotional and political colorings With characteristic wit lucidity and insight Pinker argues that the dogma that the mind has no innate traits a doctrine held by many intellectuals during the past century denies our common humanity and our individual preferences replaces objective analyses of social problems with feel good slogans and distorts our understanding of politics violence parenting and the arts Injecting calm and rationality into debates that are notorious for ax grinding and mud slinging Pinker shows the importance of an honest acknowledgment of human nature based on science and common sense **The Italian Far Right from 1945 to the Russia-Ukraine Conflict** Nicola Guerra, 2023-12-19 The Italian Far Right from 1945 to the Russia Ukraine Conflict provides a comprehensive account of the postwar parliamentary and extra parliamentary far right in Italy This book explores the ideology movements and activism of the extreme right and neo fascists The recent victory in the Italian parliamentary elections of the post fascist party Fratelli d Italia and its leader Giorgia Meloni highlights the importance of such research The book examines why some of these movements participated with CIA backing in the Strategy of Tension in the years of the Cold War where terrorist actions aimed to keep Italy in NATO and prevent the Communist Party from coming to power while other extreme right groups vehemently opposed this and what they considered the dangerous Americanization of the country It debunks the myth that there was a unified postwar fascist movement in Italy but instead excavates the complex battles within the extreme right as well as with their opponents from the left and the authorities This study is necessary to clarify the history and ideological dynamics of a political area still too often shrouded in mystery and whose geopolitical role is still poorly understood and generally underestimated The analysis is contextualized in the present day by looking at the different perspectives of the

Italian far right on the Russian invasion of Ukraine The book will be of interest to researchers of political history the Cold War and Italian history and politics

Goddess of the Market Jennifer Burns,2009-10-19 Drawing on unprecedented access to Rand s private papers and the original unedited versions of Rand s journals Jennifer Burns offers a groundbreaking reassessment of this key cultural figure examining her life her ideas and her impact on conservative political thought Burns highlights the two facets of Rand s work that make her a perennial draw for those on the right her promotion of capitalism and her defense of limited government Both sprang from her early bitter experience of life under Communism and became among the most deeply enduring of her messages attracting a diverse audience of college students and intellectuals business people and Republican Party activists libertarians and conservatives The book also traces the development of Rand s Objectivist philosophy and her relationship with Nathaniel Branden

Philosophising Experiences and Vision of the Female Body, Mind, and Soul: Historical Context and Contemporary Theory Musingafi, Maxwell Constantine Chando,Mafumbate, Racheal,Khumalo, Thandi Fredah,2021-04-23 Much of our understanding of the world our societies and ourselves rests on theories and knowledge generated predominantly by men of certain nationalities and economic classes This male dominated and culturally specific theorizing and knowledge have generally resulted in the exclusion of women and other groups from the process of formal theorizing and knowledge building Feminism argues that the male dominated knowledge represents a skewed perception of reality and is only partial knowledge Feminism is a generalized wide ranging system of ideas about social life and human experience developed from a woman centered perspective It treats women as the central subjects in the investigative process and seeks to see the world from the distinctive vantage points of women in the social world The best way to empower women and better the situation for women is to take women s daily experiences and their informal theorizing into account and on this basis adopt feminist approaches to building theory and knowledge

Philosophising Experiences and Vision of the Female Body Mind and Soul Historical Context and Contemporary Theory provides an overview and introduction to the study of feminist theory and practice in the social sciences This book provides a starting point for further and more advanced study of the nexus of feminism gender and development and translates feminist theory and concepts into practice The chapters investigate in a historical context mainstream and contemporary theories of feminism and gender studies This book is ideal for post graduate students of social science researchers of development management business management public governance and gender and development activists feminists and practitioners stakeholders researchers academicians and students interested in feminist theory and knowledge building

Philosophy of Law Walter E. Block,Roy Whitehead,2019-11-14 Looking at discrimination education environment health and crime this volume analyses United States Supreme Court rulings on several legal issues and proposed libertarian solutions to each problem Setting their own liberal theory of law each chapter discusses the law at hand what it should be and what it would be if their political economic philosophy were the justification of the legal practice Covering issues such as sexual

harassment religion markets in human organs drug prohibition and abortion this book is a timely contribution to classical liberal debate on law and economics **The Libertarian Reader** David Boaz,2015-02-17 The most magnificent collection of libertarian writings ever published Laissez Faire Books An important collection of seminal writings on a movement that is rapidly changing the face of American politics The Libertarian Reader links some of the most fertile minds of our time to a centuries old commitment to freedom self determination and opposition to intrusive government This is the first comprehensive anthology of libertarian thought from the Bible and Lao Tzu to Hayek and Milton Friedman to be published in one volume The 68 selections from great libertarian writers are an intellectual feast covering such key libertarian themes as skepticism about power individual rights spontaneous order free markets and peace For all independent thinkers this unique sourcebook will stand as a classic reference for years to come and a reminder that libertarianism is one of our oldest and most venerable American traditions Exquisite Rebel Voltairine de Cleyre,Sharon Presley,Crispin Sartwell,2005-02-10 Brings the writings of de Cleyre out of undeserved obscurity **Cato Policy Report** ,1992 **Science in the New Age** David J. Hess,1993 In Science in the New Age David Hess explores ideologies of the paranormal in the United States He offers a map of the labyrinth of views put forward by parapsychologists and skeptical debunkers spirit channelers and crystal healers Hollywood poltergeist scripts and prophets of the New Age Adopting a cultural perspective Hess moves beyond the question of who is right or wrong to the cultural politics of how each group constructs its own boundaries of true and false knowledge Hess begins by looking at each group s unique version of knowledge science and religion and at its story about the other groups Comparing the various discourses texts writers and groups as cultures he shows how skeptics parapsychologists and New Agers may disagree vehemently with each other but end up sharing many rhetorical strategies metaphors models values and cultural categories Furthermore he argues their shared paraculture has a great deal in common with the larger culture of the United States The dialogue on the paranormal Hess concludes has as much to do with gender power and cultural values as it does with spirits extrasensory perception and crystal healing

Reclaiming The Mainstream Individualist Feminism Rediscovered Introduction

In today's digital age, the availability of Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reclaiming The Mainstream Individualist Feminism Rediscovered versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and

educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reclaiming The Mainstream Individualist Feminism Rediscovered books and manuals for download and embark on your journey of knowledge?
