**Ride West** William F. Martin, 2005-12-02 In a bygone era the cowboys of the Old West spent the best parts of their lives working to maintain cattle ranches to breed and raise livestock and to drive cattle to market The luckiest of those spent their time on the very ranch that their father and perhaps their grandfather had built living out hard earned legacies that gave them clear priorities and if they were truly fortunate more family to carry on when their time ended Ride West continues William Martin's tale which is set within that era but even then there were men who had been cheated out of their rightful inheritances by others who were willing to use any means to get the land money and power they desired The survivors of our Old West weren't always the proud nor the righteous often those left standing were among history's most sinister characters Having acknowledged the villains of this period it should be noted that America's history also reveals a solid consistency in producing worthy opponents to them each of whom has stood for our country's most revered values Entering the world of Mr Martin's first book *Stand Tough* and its sequel *Ride West* readers meet such a man Despite overwhelming odds Clint Mason reveals the power of one and single handedly sets out to defend what remains of his family and their land at all costs Experiencing Clint's covert travails we see how sharp wits and sure handed action can begin to conquer the unknown and the unjust Mr Martin wishes to acknowledge the inspiration provided by his favorite uncle the late Tom Weatherholt who was a professional truck driver by trade It was at the age of eight while accompanying his Uncle Tom on a trip from Kentucky to New York City sleeping aboard that big rig

and eating at truck stops that the author was introduced to Zane Grey **Ride the High Lonesome** Rosanne Bittner,2019-11-26 A man bent on revenge A woman determined to survive A land that knows no mercy WELCOME TO THE OUTLAW TRAIL When Kate Winters is left stranded in outlaw country she knows she won't make it out alive until she stumbles across a ruthless gang hanging a cowboy for his cattle She waits until the outlaws are gone desperate enough to claim the dead man's horse to make her escape only to realize he's not dead after all Those outlaws should have made damn sure Luke Bowden was good and gone Now he vows he'll have his revenge no matter the cost But they're miles away from the nearest town and the woman who saved his hide won't survive the ride back He owes her his life he owes her everything and it doesn't take long before he's faced with a choice stand by his savior or claim his revenge All the best western historical novels are full of brave heroes and romantic outlaws gunfights and a desperate bid for survival a dusty trail and a land that stretches on to meet the horizon Vengeance Was Hers E. Roy Hector,2006-08-09 Sue decided it was time to make her presence known to both parties the fellow running toward the gully certainly could not hide for long and if the rider was indeed an officer he needed to know that she was there to help Sue fired the return signal Although he could not see her she saw the rider wave She remained hidden in the gully She saw the rider pull up just short of what she guessed would be accurate rifle range The rider dismounted hobbled his horse and melted into the tall grass She thought his actions confirm my guess that it is Guy Grimes Sue reasoned that Guy Grimes would try to get between the man on foot and the far away woodlands to the east thus placing him in a box between her and Guy She slowly started working her way down the gully At this point Sue was convinced that Chad Brode had somehow fallen in an unplanned trap between her and a seasoned officer of the law Her next thought will good triumph over evil She would soon learn the answer to her question **Ride the Thunder** Janet Dailey,2011-02-01 Jordanna Smith was the wild and willowy daughter of a prominent banker and a glamorous socialite a globe trotting huntress who sought the world's big game at her father's side No man was her father's equal in her eyes until the night she met the rugged stranger who in one frenzied and exalted moment tapped the roots of a desire she had never known Fleeing to Idaho to join her father's hunting party she hoped to forget the bronzed stranger's fiery touch But there he was her stranger their guide Brig McCord Their days were filled with the wild beauty of the hunt their nights with the primitive fire of their passion But soon their idyll was shattered by jealousy betrayal and murder Now Jordanna has to face the hidden truths about her father and her brother and a secret that already had claimed one life and threatened to destroy her newfound love Ride the Moon Down Terry C.
