Banker,2018-09-17 Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico As a one year appointment at the Albuquerque campus evolved into a forty year career Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history s most enduring and elusive traits The connections and consequences along the way forged a truly exceptional life and career A master of the United States history survey Szasz enthralled and inspired tens of thousands of students with energy enthusiasm provocative insights and good will Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses where he offered insights into World War II American religious history and popular culture

Szasz's interests he insisted were the ideas of the people and how they shift over time. In an era when historical scholarship became increasingly specialized, he pursued an eclectic array of research interests and challenged his doctoral students to do the same. The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians. Szasz's crisp, accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity's paradoxical promises and perils. Back cover

*Writing the Wild Frontier* Stephen J. May, 2023-04-05 For over 200 years the American Western novel has chronicled much of the American experience, especially those of James Fenimore Cooper, Bret Harte, Andy Adams, Jack Schaefer, and Larry McMurtry. Alongside the roguish figure of the cowboy, Westerns depict the experiences of women and minorities as they face the hardships and deprivations of the frontier. This book is directed at the general reader who is interested in the literature, history, and culture of the American West. Exploring novels that have achieved a high level of acclaim, it is a survey and homage to the frontier's lasting works, detailing both the writer's life and their fictional creations. The author traces the development of the Western novel through biography, anecdote, summary, analysis, and informed criticism, revealing the struggles and triumphs of the genre's authors, the changing standards of the frontier story, and the lasting effects of the region's magisterial landscape.

*The Exile* Richard S. Wheeler, 2003-12 Thomas Francis Meagher, a giant of Irish history and folklore and a man who risked everything because of his ideals, is brought to life by the author of *Eclipse*.

**Morning River** W. Michael Gear, 1997-05-15 While studying at Harvard University, Richard Hamilton is challenged by his father to deliver \$30,000 to the frontier town of St. Louis, where he is robbed, kidnapped, and sold into a two-year indenture.

*The Morning River* W. Michael Gear, 2006-10-03 During the winter of 1825, Richard Hamilton, a timid Harvard philosophy student, arrives in St. Louis on business for his father. Robbed and beaten, desperate to save his life, he reluctantly joins the crew of the *Maria*, a fur trader's keelboat bound for the beautiful, wild, and dangerous Indian country of the Upper Yellowstone River. The native Bostonian begins the education and adventure of a lifetime. On a converging path is Packrat, a Pawnee warrior who captures a beautiful young Shoshone medicine woman named Heals Like a Willow. But slaves with ties to the spirit world can and do fight back. As the *Maria* struggles deeper into the wilderness, Richard and Willow are cast together, seekers of knowledge and spirit, unwitting adversaries separated by time, space, and birthright. As inevitable as the collision of their two worlds, their love begins to unfold, and with it, the terrible consequences of a forbidden consummation. *Morning River* is the first novel in W. Michael Gear's *Man from Boston* series, a historical fiction saga of the dangers and possibilities of the American frontier.
