When I was a child, coon hunting and selling furs was a must for many families to survive. Some families lived on wild game through the winter for survival for their families. You will read all about this in the stories that I have collected from avid coon hunters. I have lived in Schuyler County all my life. I have had a lot of things happen in my sixty-nine years. I have been run off the road by other drivers, also did things that people go to jail for today. I also coon hunted from the time I was able to. I been lost many a night, ran out of gas on the river with other hunters, but it never stopped us from going again the next night. When buying furs, some people did not know one animal from another, as you will read in one of my friends' story, who was also a fur buyer. If you have hunted at all, you will enjoy this book and will even bring some of your own memories alive. **West Virginia Wild Life; Official Monthly Publication of the Wild Life League of West Virginia**, 1928 *Jane's All the World's Aircraft*, 2009 *Merchant Vessels of the United States*, 1974 *Nerd in Shining Armor* Vicki Lewis Thompson, 2022-02-16 He loved her from afar until Fate tossed them in the ocean. Genevieve Terrence never imagined an island hopping flight to Maui would end with her sociopathic boss pointing a gun at her head. Or that she'd wind up stranded on a remote island with nerdy computer programmer Jackson Farley. Good thing she knows a thing or two about surviving a standoff with Mother Nature. Jack can't believe his luck. Not only is he a hero in Genevieve's eyes after crash landing the plane and pulling her to shore, but the sophisticated woman he thought was untouchable is rapidly transforming into a fun-loving hillbilly with a passion for everything. And his ripped clothes, beard, stubble, and display of muscles seem to be seducing her way better than his genius IQ. That's fine with him. He'll play any role she wants as long as he gets the privilege of holding her. But when danger invades their private hideaway, the nerd and his beauty must fight side by side if they want to make it off the island alive. From the NYT bestselling author who brought you charming werewolves and sexy cowboys, Dive into the Kelly Ripa Book Club pick that launched the popular Nerd series.
